

ANNUAL ELECTORS' MEETING

AGENDA

**NOTICE IS HEREBY GIVEN that an
Annual Electors' Meeting will be held
in the Council Chambers, Welcome Road, Karratha,
on Monday, 15 December 2014 at 6.00 pm**

A handwritten signature in black ink, appearing to read "Chris Adams", is positioned above a horizontal line.

**CHRIS ADAMS
CHIEF EXECUTIVE OFFICER**

No responsibility whatsoever is implied or accepted by the City of Karratha for any act, omission or statement or intimation occurring during Council or Committee Meetings. The City of Karratha disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement or intimation occurring during Council or Committee Meetings.

Any person or legal entity who acts or fails to act in reliance upon any statement, act or omission made in a Council or Committee Meeting does so at that persons or legal entity's own risk.

In particular and without derogating in any way from the broad disclaimer above, in any discussion regarding any planning application or application for a license, any statement or intimation of approval made by any member or Officer of the City of Karratha during the course of any meeting is not intended to be and is not taken as notice of approval from the City of Karratha.

The City of Karratha warns that anyone who has any application lodged with the City of Karratha must obtain and should only rely on

WRITTEN CONFIRMATION

of the outcome of the application, and any conditions attaching to the decision made by the City of Karratha in respect of the application.

Signed: 
Chris Adams - Chief Executive Officer

DECLARATION OF INTERESTS (NOTES FOR YOUR GUIDANCE) (updated 13 March 2000)

A member who has a **Financial Interest** in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest:

- (a) In a written notice given to the Chief Executive Officer before the Meeting or;
- (b) At the Meeting, immediately before the matter is discussed.

A member, who makes a disclosure in respect to an interest, must not:

- (c) Preside at the part of the Meeting, relating to the matter or;
- (d) Participate in, or be present during any discussion or decision-making procedure relative to the matter, unless to the extent that the disclosing member is allowed to do so under Section 5.68 or Section 5.69 of the *Local Government Act 1995*.

NOTES ON FINANCIAL INTEREST (FOR YOUR GUIDANCE)

The following notes are a basic guide for Councillors when they are considering whether they have a **Financial Interest** in a matter. I intend to include these notes in each agenda for the time being so that Councillors may refresh their memory.

1. A Financial Interest requiring disclosure occurs when a Council decision might advantageously or detrimentally affect the Councillor or a person closely associated with the Councillor and is capable of being measure in money terms. There are exceptions in the *Local Government Act 1995* but they should not be relied on without advice, unless the situation is very clear.
2. If a Councillor is a member of an Association (which is a Body Corporate) with not less than 10 members i.e. sporting, social, religious etc), and the Councillor is not a holder of office of profit or a guarantor, and has not leased land to or from the club, i.e., if the Councillor is an ordinary member of the Association, the Councillor has a common and not a financial interest in any matter to that Association.
3. If an interest is shared in common with a significant number of electors or ratepayers, then the obligation to disclose that interest does not arise. Each case needs to be considered.
4. If in doubt declare.
5. As stated in (b) above, if written notice disclosing the interest has not been given to the Chief Executive Officer before the meeting, then it **MUST** be given when the matter arises in the Agenda, and immediately before the matter is discussed.
6. Ordinarily the disclosing Councillor must leave the meeting room before discussion commences. The **only** exceptions are:
 - 6.1 Where the Councillor discloses the **extent** of the interest, and Council carries a motion under s.5.68(1)(b)(ii) or the *Local Government Act*; or
 - 6.2 Where the Minister allows the Councillor to participate under s5.69 (3) of the *Local Government Act*, with or without conditions.

INTERESTS AFFECTING IMPARTIALITY

DEFINITION: *An interest that would give rise to a reasonable belief that the impartiality of the person having the interest would be adversely affected, but does not include an interest as referred to in Section 5.60 of the 'Act'.*

A member who has an **Interest Affecting Impartiality** in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest;

- (a) in a written notice given to the Chief Executive Officer before the Meeting; or
- (b) at the Meeting, immediately before the matter is discussed.

IMPACT OF AN IMPARTIALITY CLOSURE

There are very different outcomes resulting from disclosing an interest affecting impartiality compared to that of a financial interest. With the declaration of a financial interest, an elected member leaves the room and does not vote.

With the declaration of this new type of interest, the elected member stays in the room, participates in the debate and votes. In effect then, following disclosure of an interest affecting impartiality, the member's involvement in the Meeting continues as if no interest existed.

RECOMMENDATION

That the Minutes of the Annual Electors' Meeting held Monday 16 December 2013, be confirmed as a true and correct record of proceedings.

4 REPORTS

4.1 ANNUAL REPORT 2013-2014

File No:	FM.1
Responsible Executive Officer:	Chief Executive Officer
Reporting Author:	Manager Marketing and Communications
Date of Report:	4 November 2014
Applicant/Proponent:	Nil
Disclosure of Interest:	Nil
Attachment(s)	2013-2014 Annual Report

PURPOSE

To receive the Annual Report for the financial period ending 30 June 2014.

BACKGROUND

The 2013-2014 City of Karratha (Shire of Roebourne) Annual report details the activities of the organisation over the past year and supports the Audited Financial Statements. Reporting is conducted against the goals outlined in the City of Karratha's Strategic Community Plan 2012-2022 and Corporate Business Plan 2012-2016. Qualitative and quantitative reporting measures have been used to identify key highlights of the past year under each of the Community Plan goals.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CE-8 Significant Decision Making Policy, this matter is considered to be of low significance in terms of Council's ability to perform its role.

COUNCILLOR/OFFICER CONSULTATION

No Councillor or Officer consultation is required.

COMMUNITY CONSULTATION

No community consultation is required.

STATUTORY IMPLICATIONS

The City is required to prepare an annual report for each financial year in accordance with Part 5 Division 5 of the *Local Government Act 1995*. The report is to be accepted by no later than 31 December by an absolute majority in accordance with section 5.54 of the Act.

POLICY IMPLICATIONS

There are no policy implications.

FINANCIAL IMPLICATIONS

There are no financial implications.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2012-2022 and Corporate Business Plan 2012-2016. In particular the Operational Plan 2014-2015 provided for this activity:

Our Program: 4.a.3.1 Provide civic leadership framework and support to the community.
Our Services: 4.a.3.1.3 Benchmarking of services.

RISK MANAGEMENT CONSIDERATIONS

There are no risk management considerations applicable.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

There are no relevant precedents related to this matter.

VOTING REQUIREMENTS

Absolute Majority

OPTIONS:Option 1

As per Officer's recommendation.

Option 2

That Council by ABSOLUTE Majority pursuant to Section 5.54 of the *Local Government Act 1995* RESOLVES to RECEIVE the 2013/14 Annual Report for the City of Karratha (Shire of Roebourne) with the following amendments:

1. _____
2. _____

Option 3

That Council by SIMPLE Majority pursuant to Section 3.18 of the *Local Government Act 1995* RESOLVES to DEFER this matter to the next Council meeting pending further review.

CONCLUSION

The annual report provides an overview of the Council and its operations for the past twelve month period.

OFFICER'S RECOMMENDATION

That Council by ABSOLUTE Majority pursuant to Section 5.54 of the *Local Government Act 1995* RESOLVES to ACCEPT the 2013/14 Annual Report for the City of Karratha (Shire of Roebourne).

Annual Report 2013/14

City of Karratha Annual Report
for the year ending 30 June 2014

A photograph of a man, a girl, and a boy on a red safety mat walkway. The man, wearing a blue shirt and glasses, is walking towards the camera. The girl, wearing a white tank top and black shorts, is walking to the left. The boy, wearing a blue helmet and a grey shirt, is riding a green scooter to the right. The walkway is bordered by a metal railing. In the background, there are palm trees, a green shed, and a house under a clear blue sky.

From building footpaths and improving parks to increasing the number of litter pickers keeping the Shire tidy we have been focusing our efforts on the areas where the community has told us they want to see improvement.

A message from the Shire President

It's been a big year for the Shire of Roebourne.

Progress is how 2013-14 will be defined! It will be remembered as the year we took great strides in our transformative journey towards becoming a major regional Australian city.

So much so that this Annual Report will signal the end of an era... It will be the last published under the Local Government Authority (LGA) name the Shire of Roebourne.

With many of our community pillar projects now 'open for business' local residents have started living a life that – only three years ago – wouldn't have been possible.

They are getting fit in the Karratha Leisureplex's state-of-the-art gymnasium, enjoying a coffee in our new-look main street, trying to squeeze another fantastic community event into their busy calendars.

And they can rest easy knowing their kids are being looked after too; with dedicated youth services in Karratha and Wickham, a new skatespace in Roebourne and a packed program of specialist youth activities across the Shire.

The word on the street is that life - in all of our towns - is the "best it's ever been"!

A sentiment that's been strongly echoed in our annual Shire of Roebourne Community Survey where we've made impressive gains in overall community satisfaction across all major priority areas.

According to the March 2014 survey nearly 63 per cent of people think the Shire is a good or excellent place to live and 57% believe the Shire is a better or much better place to live than 12 months ago.

But the best thing is... It doesn't stop there!

We have been working extremely hard behind the scenes to plan and prepare for the next stage of development - four major new community projects including the \$45 million

Karratha Arts and Community precinct, the \$35 million Karratha Airport Terminal Upgrade and two new community hubs in Dampier and Wickham worth more than \$35 million.

Work on the Karratha City Centre Revitalisation is continuing with the construction of Karratha Terrace, earthworks at the new \$207 million Karratha Health Campus site will soon be underway and a new \$15.546 million Industrial Skills Centre is being built at the Pilbara Institute's Karratha Campus.

Our community is benefitting from a historic and unprecedented level of social infrastructure investment, it is a rare and exciting privilege to witness a city being built from the ground up.

The Shire of Roebourne has achieved a tremendous amount this financial year and it is due to the consistent, exemplary work of our dedicated team, working in close partnership with business, government and the community.

In closing I thank you for your continued support of the work we do and assure you that your Council looks forward to addressing all the challenges that 2013-14 will bring.

Peter Long
Shire President

As we work towards making Karratha one of the best regional cities in Australia, we are committed to performing to the highest standards.

From the delivery of our programs, events, facilities and services, the Shire of Roebourne is dedicated to ensuring transparency, consultation and accountability in everything we do.

Our Annual Report details our performance and achievements but most importantly it captures our progress as we work towards becoming a city of choice.

With an operating surplus of more than \$33million, our financial statements demonstrate how we've been able to continue to improve the quality services and facilities to our residents and businesses whilst being financially responsible.

Sustainability is and will continue to be a key factor in the design and implementation of all our projects – we build today with a strong focus on tomorrow.

Setting a new standard of livability and lifestyle across the Shire of Roebourne was a strong focus for Council in 2013-14 and we achieved this in the following ways:

- More than 350,000 people visited the Karratha Leisureplex in its first year of operation.
- Organised major community events including NAIDOC Week celebrations, Red Earth Arts Festival, Cossack Art Awards and many more...
- Installed more than 5.2 kilometers of new footpaths/cycle ways.
- Spent \$2.3M on asphaltting roads throughout the district.
- Upgraded access at local boat ramps in both Dampier and Karratha Back Beach.
- Planted shady trees, constructed permanent shade structures and installed new equipment in various parks and playgrounds.
- Significantly progressed the comprehensive redevelopment of the CBD of Karratha

Considerable effort was also made to ensure both the Shire of Roebourne is better

prepared for natural disasters with the opening of a new State Emergency Services (SES) facility at Wickham.

Looking forward, we will aim to build capacity and improve services in all of our communities with new community hubs in Dampier and Wickham; improved parks and foreshores throughout the district and designing the much-anticipated Karratha Arts and Cultural Precinct complete with 450-seat performing arts centre and roof-top theatre.

We'll also be calling for feedback on the Roebourne Structure Plan – a new community blueprint that will guide development and revitalisation works in one of the region's oldest towns. The Plan aims to celebrate the cultural strength of local residents and build a strong, diversified industry base that contributes to jobs and economic growth.

Work will continue on the Karratha Airport Terminal Upgrade and economic development and diversification initiatives will be progressed in the areas of tourism and business attraction and development.

I would like to thank President Peter Long and the Councillors for their support and guidance throughout the year. They have made some tough decisions and stayed true to the Council's long term vision. I would also like to acknowledge and thank the Executive Management Team and Council staff for their support and commitment towards improving the Shire of Roebourne. We have a great team of staff who are committed to continually improving.

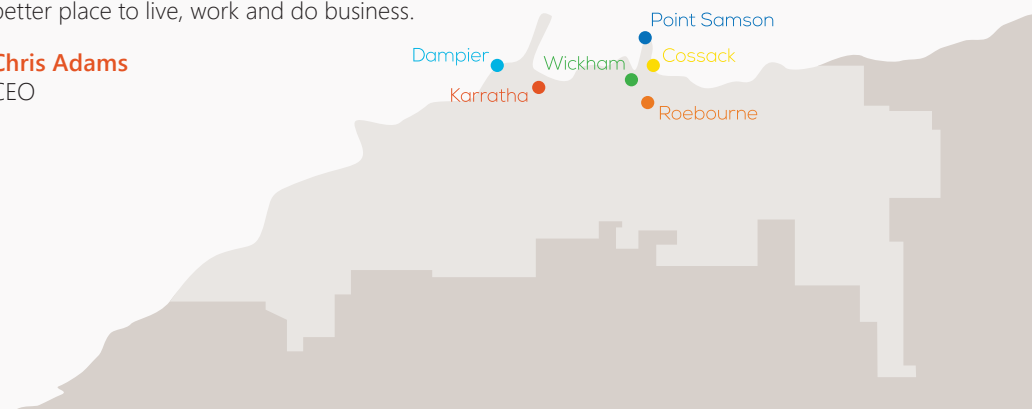

I look forward to the year ahead as Council continues to strive to make Karratha an even better place to live, work and do business.

Chris Adams
CEO

A message from the CEO

Statutory reporting

Freedom of Information (FOI)

In accordance with Section 96 and 97 of the Freedom of Information Act 1992, the Shire is required to publish an Information Statement which details the process of applying for information under the Act, as well as information that the Shire provides outside the Act.

During 2013/14, 13 FOI applications were received, 11 were successfully processed, two were withdrawn and none are currently pending review, dismissed or appealed.

The following are some of the documents available for public inspection at the Shire of Roebourne free of charge:

- Council agenda and minutes
- Annual budgets
- Annual financial statements
- Annual reports
- Electoral rolls

Many of the above documents are also available for download on the Shire of Roebourne website at:

www.karratha.wa.gov.au

National Competition Policy

The Competition Principles Agreement (CPA) is a contractual agreement between the Federal Government and all State and Territory Governments. The CPA aims to ensure that all public enterprises /operate in a transparent manner in the best interests of the public.

The Shire of Roebourne continues to meet its obligations to the competition policy and monitors the introduction of council policies and local laws which may be subject of anticompetitive practices. Annual reviews are undertaken.

Disability Access and Inclusion

The Shire of Roebourne continues to promote access and inclusion for all community members. The Shire of Roebourne's Disability Access and Inclusion Plan ensures that people with disability have equal access to all Council services, facilities and information.

Both formal and informal meetings have taken place with the Disability Services Commission, individuals and other organisations across the Shire. These meetings will assist with future planning and design requirements for infrastructure, improve universal access to events and progress and complete strategies and tasks outlined in the Shire of Roebourne's Disability Access and Inclusion Plan. During the 2013/14 financial year, the Shire of Roebourne's Disability Access and Inclusion Plan was updated to improve Employment opportunities for people with disability in consultation with the local communities and staff through community consultation, and one-on-one staff meetings.

Equal Opportunity

The Shire of Roebourne is committed to equal opportunity principles and will continue to develop and implement equal opportunity strategies to ensure that all Shire of Roebourne's structures, policies, practices and decisions are based on the assessment of individual ability and achievement.

The Shire of Roebourne rejects inappropriate distinctions on the grounds of race (colour, ethnicity, national origin, nationality or descent), sex, pregnancy, marital status, age, sexual orientation, family responsibility, family status, political conviction, religious belief, disability or medical condition (not affecting work performance).

Register of Complaints

During the period 1 July 2013 to 30 June 2014 no breaches or complaints were registered under Part 5, Division 9 of the Local Government Act 1995.

2013/14 in review

2013/14 will be remembered as the year of progress. This is the year we took great strides in our transformative journey towards becoming a major regional Australian city. Look back at our final year as the Shire of Roebourne.

Karratha City Centre Infrastructure Works

Karratha's new \$65-million main street has transformed the city centre providing more public amenities, an improved retail and commercial precinct and pedestrian friendly environment for all locals to enjoy.

Big ticket projects progress

Work has started on four major new community projects, with a combined value of \$115 million. In Karratha, plans for the \$45 million Karratha Arts and Community Precinct earned councils' approval and a major contractor was appointed to the \$35 million Karratha Airport Terminal Upgrade. While Dampier and Wickham will benefit from two new community hubs worth \$16.9 million and \$18.5 million respectively.

Youth Services

More than 8500 young people participated in more than 100 specialist youth programs delivered across the Shire of Roebourne in 2013-14. Programs included Rock Climbing and Bungee Workshops, Awesome Arts Creative Challenge, Lunar Circus Workshops, Morgan Bain Concert and the Indigenous Hip Hop Project.

For the first time young people living in the Shire of Roebourne can now access specialised youth services and programs at The Youth Shed in Karratha most days of the week. A similar program is benefitting young people living in Wickham with week night drop-in sessions, movie screenings and cooking lessons.

Upgrades to 7 Mile Waste Facility

Karratha's 7 Mile Waste Facility has undergone some major upgrades over the past 12 months making it easier than ever for local residents to recycle and reuse. The Tip Shop - which uses goods recovered from the new transfer station is successfully turning "trash into treasure" for residents.

Karratha Leisureplex

More than 350,000 people visited the Karratha Leisureplex in its first year of operation. It's hosted major regional sporting competitions, conferences and expos, community events and celebrations and helped thousands of locals achieve their health and fitness goals.

New Wickham SES Building

Roebourne Districts State Emergency Service (SES) will soon get a new, purpose-built home improving community safety through shorter emergency response times. The need for a Wickham-based emergency services precinct was made apparent during Cyclone Christine, which caused widespread damage, in December 2013.

Community Events

Shire of Roebourne kept locals busy with a jam-packed community events calendar that included the highly successful NAIDOC Week celebrations with performances by Coloured Stone, Christine Anu and The Merindas; the biggest ever Red Earth Arts Festival headlined by Birds of Tokyo; the annual Cossack Art Awards and more.

Roebourne Recreational Precinct

Roebourne's new skatespace is the first of a series of new community projects being delivered as part of the Roebourne Recreational Precinct. The precinct will also include an outdoor meeting area.

Delivering on our promises

We are committed to achieving the goals set out in our Strategic Community Plan 2012-2022 that articulate the community vision for the future of our Shire. The Community Plan Goals are integrated into our Corporate Business Plan and Yearly Operational Plans. These are some of the key achievements of the past year for each of our goals.

Creating a diverse and balanced community

Our Goal: To develop and maintain the infrastructure, facilities, services, activities and programs to create aesthetically attractive, safe and liveable towns which will develop into more diverse and balanced communities.

Desired outcome	How we achieved it in 2013/2014
1.a Greater use of public spaces	<ul style="list-style-type: none"> - A bigger off-road vehicle area at the corner of Millars Road and Balmoral Road is giving trail and quad bike riders more room to ride, after a community survey revealed expanded/upgraded services were needed. - A new skatespace in the Roebourne Recreational Precinct is keeping the local kids busy. Work has progressed on the landscaped outdoor meeting area and IF Foundation community kitchen. - The installation of floodlights at the Roebourne School Oval will provide more opportunities to host more night time community and sporting events. - Dogs are now allowed under control off a leash at more than 5 parks and beaches across the Shire of Roebourne giving dog owners more space to exercise their pets. - Completed Foreshore Management Plans for Karratha, Point Samson and Gnoorea (40 Mile). Plans include provision for improved foreshore amenity, dune fencing and stabilisation and viewing platforms. - Families with young children are enjoying new or upgraded equipment at many playgrounds across the Shire of Roebourne, including an impressive new outdoor play space at the Karratha Lesiureplex. - Pedestrians are stepping out onto 5.2 kilometres of new or improved footpaths identified for action in the Shire of Roebourne's 10 year Footpath Improvement Plan. - Reconstructed the Bulgarra BMX track. - Upgraded public toilets across the Shire of Roebourne, improvements included new taps, toilets, doors and sharp containers at 10 high-use sites including popular parks and playgrounds. - Planted shady new trees and turf at Waters Park, in Pegs Creek, to create a natural "overflow" area from the nearby Youth Shed. - Took over maintenance of irrigation and landscaping at Peg's Creek Cattrall Park, Baynton West Oval and Dampier's Lions Park. - Roundabouts at Gawthorne Drive, Wedgetail Eagle Avenue and Mantaray Loop/Brolga Meander in Karratha now feature waterwise plantings as part of major streetscape improvements.

Desired outcome	How we achieved it in 2013/2014
<p>1.b Infrastructure facilities, services and activities and programs that meet the needs of the Shire and allow for growth.</p>	<ul style="list-style-type: none"> - The Pilbara's home of health and fitness, the \$65-million Karratha Lesiureplex, opened for business on 1 July 2013. It welcomed more than 350,000 people through its doors in its first year of operation. - Roebourne Districts State Emergency Service (SES) has a new, purpose-built home in the Wickham emergency services precinct, improving community safety through faster response times. - Completed plans for the \$16.9 million Dampier Community Hub which will include a fully-equipped learning centre offering up to 70 full-time day care places, library, office space and multi-purpose rooms. - Completed plans for the Karratha Arts and Community Precinct which will include a 450-seat theatre, amphitheatre, offices, library, rooftop terrace and entry foyer. - Appointed the major contractor working on the \$34.5 million Karratha Airport Terminal Upgrade. The project includes the construction of 4100-sqm of new building including new cafés, a bar, airport lounges and meeting facilities, improved security screening and baggage reclaim. - Upgrades at the Dampier Boat Ramp will reduce waiting times and improve public safety at one of the region's busiest ramps. - Six new bus shelters will be installed in Dampier giving locals a shady place to sit and wait for the school, work or community bus. - Introduced a new Stallholder and Street Trading local law to provide greater opportunities for permanent local businesses. - More than 7500 properties in Bulgarra, Point Samson, Dampier and the Karratha and Gap Ridge industrial estates received a new street number making it easier for emergency and utility workers to quickly identify properties. - More than 8500 young people participated in more than 100 specialist programs delivered across the Shire of Roebourne in 2013-14. Programs included Rock Climbing and Bungee Workshops, Awesome Arts Creative Challenge, Lunar Circus Workshops, Morgan Brain Concert and the Indigenous Hip Hop Project. - For the first time young people living in Karratha can now access specialised youth services at The Youth Shed most days of the week. A similar program is benefitting young people living in Wickham. - More than 20,655 people used the Youth Shed Indoor Play Centre in 2013-14. - Community and sporting groups received more than \$50,000 under the Shire of Roebourne's Quarterly Grant Scheme. - Community associations in Karratha, Dampier, Point Samson, Roebourne and Wickham have used funding received under the Shire of Roebourne's Annual Community Association Grant Scheme to deliver free community events, build new community infrastructure including playgrounds and skateparks, restore key community infrastructure and fund community sponsorship requests. - Completed work on the new website www.karratha.wa.gov.au ready for its launch date on 1 July 2014. - More shade, seating, signage and improved service will be delivered at the Karratha and Wickham Cemeteries after council accepted recommendations of a new Cemetery Master Plan. Work will begin in 2014-15. - Karratha's Effluent Reuse Scheme will be upgraded to cope with the towns' growing demand for recycled water to irrigate grassed open space areas including ovals and playing fields. - Laid 6560 tonnes of asphalt, costing more than \$2 million, to reseal some 18 kilometres of road in Bulgarra. - Demolished the Karratha Entertainment Centre to make way for developments identified in the Karratha City of the North "City Growth Plan". - Work is underway to improve silting problems at Karratha Back Beach Boat Ramp.

Desired outcome	How we achieved it in 2013/2014
1.c Improve housing through normalisation of the housing market centered around a strong private sector presence	<ul style="list-style-type: none"> - Work has started rezoning some Karratha properties for infill residential development. So far seven properties have been successfully rezoned. - Approved 95 development applications worth nearly \$60 million. - Approved five development assessment panel applications worth more than \$275 million. - Drafted revised Transient Workforce Accommodation policy to promote transition towards a sustainable local economy and community. - Private sector developers will soon start work constructing some 200 new dwellings at seven parcels of land identified in Stage One of the Lazy Lands project. Sixty-one parcels of surplus land have been earmarked for potential development. - Land Release
1.d A modern and attractive Shire that offers liveable communities, opportunities for development and improving social capital	<ul style="list-style-type: none"> - Completed an extensive program of road resealing across the Shire of Roebourne. Other road upgrades included the installation of traffic lights on Dampier Highway and other road safety improvements. - Made significant progress towards completion of the \$80 million Stage 1 Karratha City Centre Infrastructure Works Program including the new Sharpe Avenue. - Facilitated numerous community workshops and a collaborative mapping project to inform the Karratha Revitalisation Plan.
1.e Plan towns and city that responds to the environmental, social, economic and cultural conditions and aspirations of the Pilbara	<ul style="list-style-type: none"> - Developed an operational plan for the Wickham Recreation Plan. - Completed the draft Roebourne Structure Plan. - Facilitated numerous community workshops and a collaborative mapping project to inform the Karratha Revitalisation Plan; a similar process was also followed in Point Samson. - Prepared the draft Local Planning Strategy. - Completed the Searipple Land Precinct masterplan.
1.f Enhance community pride, safety, services and community facilities that provide a sense of belonging	<ul style="list-style-type: none"> - New street lights have been installed in "dark zones" on footpaths, in parks and open spaces to improve community safety and reduce anti-social behaviour. - New CCTV/motion capture units have increased security at community halls, sports pavilions and skate parks across the Shire of Roebourne. - All offensive graffiti removed within 48 hours and non-offensive material removed within seven days. - Delivered a busy annual calendar of events including Australia Day Celebrations, NAIDOC week, Red Earth Arts Festival, Cossack Art Awards, Remembrance Day, ANZAC Day, Volunteer Recognition Awards, Sorry Day, Futureclubs Sports Awards and a variety of regular activities for seniors. - A pool safety barrier inspection program is helping keep families and children safe around backyard pools and spas. - The Roebourne School Oval will become the home of the Roebourne Lights On project – a program that aims to keep local kids active and engaged at night – following the installation of flood lights. - Karratha Leisureplex was named winner of the 2013 Parks and Leisure Australia WA Award for Leisure Facilities, it also took out honours in the Local Government Engineering Awards. - The Community Bus service now operates on a Tuesday, Thursday, Saturday and Sunday with stops at major community facilities (Karratha Leisureplex, Centro Karratha) and servicing nearby communities. - Revised the Disability Access and Inclusion 2014-2018 plans to create a welcoming workplace for people living with a disability at the Shire of Roebourne. - Facilitated a number of community workshops including grant writing, cultural awareness, local history and rock art tours, organic gardening, cooking and sustainable fishing.

Desired outcome	How we achieved it in 2013/2014
1.g Great housing diversity that meets the needs of a broader demographic profile	<ul style="list-style-type: none"> - Work has started rezoning some Karratha properties for infill residential development. So far seven properties have been successfully rezoned. - One site in Karratha was recoded for higher density residential development. - Four new apartment buildings were approved in Bulgarra. - Approved plans for the new \$50 million Hilton at The Quarter.
2.a Create opportunities for growth and diversification of the local economy.	<ul style="list-style-type: none"> - The Wickham Recreation Precinct is creating exciting new job opportunities for local residents, with six people gaining employment. - Approved 59 new businesses including 23 home businesses, 14 industrial approvals, seven warehouses, four offices and two consulting rooms. - The quarterly Small Business Breakfast Briefings – which are free to attend - continue to receive strong support from the local business community forcing limited business registrations to ensure fair access for all. - Worked in partnership with the Karratha and Districts Chamber of Commerce and Industry (KDCCI) to present the highly successful Pilbara Pulse Economic Summit and inaugural Karratha Business Expo. - Approvals for local business expansion
3.a An environmentally responsible and sustainable organisation.	<ul style="list-style-type: none"> - Made significant progress towards completion of major upgrades at Karratha's 7 Mile Waste Facility which have delivered improved opportunities for locals to recycle and reuse. Locals can now drop-off glass beverage containers, steel and aluminium cans, recyclable plastic, paper, cardboard and green waste for recycling. - In 2013-14 the Shire of Roebourne recycled 4340 tonnes of concrete, lead acid batteries, steel and motor oil. - In just five months – from February to June 2014 - the Shire of Roebourne's mechanical street sweeping program collected more than 15 tonnes of rubbish. - Shire of Roebourne's hard working litter picking crews collected 72 tonnes of rubbish in 2013-14. - More than 450 people from 36 community groups collected 3211 bags of rubbish through the Shire of Roebourne's Cleansweep Taskforce Bags for Bucks program, raising more than \$19,000. - Investigated the illegal dumping of more than 200 vehicles across the Shire of Roebourne, including regular removal of vehicles from the Karratha Back Beach and salt flats. - Regular monitoring of the effluent reuse systems used to water many ovals, parks and playing fields to ensure the health and wellbeing of recreational facility users. - Ongoing maintenance and up-keep in the historic community of Cossack, including a huge clean-up effort in the wake of Cyclone Christine. - Finalised and sought public comment on the revised draft Storm Surge Scheme Amendment and Local Planning policy.
3.b A sustainable and thriving natural environment	<ul style="list-style-type: none"> - Installed new entry statements, improved directional signage and interactive mapping along the Yaburara Heritage Trail to improve user experience and maintain heritage significance. - Investigated and removed illegally dumped rubbish within 48 hours of reporting. - Completed the Shire of Roebourne Local Environmental Strategy. - Adopted foreshore management plans for Karratha, Point Samson and Gnoorea (40 Mile).

Desired outcome	How we achieved it in 2013/2014
3.c Environment that promotes healthy lifestyle	<ul style="list-style-type: none"> - The Karratha Leisureplex boasts the region's biggest group fitness timetable offering 50 classes a week including circuit training, spin/cycle classes and aqua aerobics. - The Karratha Leisureplex Swim School provides a comprehensive program, with full accredited swim instructors, for all ages and abilities. - Delivered a number of highly successful drug and alcohol free events including all youth and NAIDOC Week events. - Roebourne Aquatic Centre continues to deliver its popular swim school and Flipper Ball programs. Flipper Ball is presented in partnership with V Swans. More than 11,700 people visited the Roebourne Aquatic Centre. - Friday Night Footy is now a can't miss community event in Roebourne following the installation of flood lights at the Roebourne School Oval. Friday Night Footy is presented in partnership with the Clontarf Academy and the Roebourne Men's Group. - Families with young children are enjoying new or upgraded equipment at many playgrounds across the Shire of Roebourne, while improvements to local skate parks are keeping the older kids active and engaged. - Playground shade structures installed over play equipment at Church Way and the Karratha Leisureplex. - Pedestrians are stepping out onto kilometres of new or improved footpaths identified for action in the Shire of Roebourne's 10 year Footpath Improvement Plan. - Complete Tracks and Trails Master Plan. - Helped the Karratha Country Club take the first step towards achieving its potential to develop a resort-style golf course at the Karratha Golf Course. A golf course architect is working on plans to redevelop the course.
4.a Delivery of services at a standard that meets expectation of the community	<ul style="list-style-type: none"> - Attained a 91% compliance rating to our obligations under state legislation. - Dealt with 13 Freedom of Information matters during the course of the year averaging 26 days to complete applications. One request was for an internal review of a decision. Two requests expired after the applicant failed to respond to further enquiries initiated by the Shire of Roebourne within the required time period. - Risk Management Policy and framework adopted by the Audit and Organisational Risk Committee for application across the organisation. - Undertook a review of cash handling processes through an internal audit to improve our procedures. - Strengthening our procurement practices to become more streamlined and business community friendly to meet statutory obligations. Using Tenderlink to deliver and receive tenders online. - Implemented a corporate performance management system to track corporate performance and annual operational plan key performance indicators. - Conducted the annual Shire of Roebourne Community Survey. - Conducted the Club Development Survey. - Maintenance of parks, ovals and reserves in Karratha and Roebourne as well as parks and reserves in Dampier, Wickham and Point Samson.
4.b Maintenance of health and wellbeing of our residents	<ul style="list-style-type: none"> - Continued the highly-successful Golden Gecko Food Hygiene Assessment Rating Scheme which awards food businesses that achieve an excellent standard of compliance. - Healthy Dog Days program celebrated its 10th anniversary in 2013-2014 and continues to be a regular event in Roebourne, Wickham and other indigenous communities. Sixty dogs and cats were sterilised this year. - Assessed more than 1100 buildings, worth more than \$410 million, to ensure compliance with the National Construction Code.

Desired outcome	How we achieved it in 2013/2014
<p>4.c Continuous improvements, innovations and progression throughout the organisation</p>	<ul style="list-style-type: none"> - Improvement on our level of compliance to legislation as determined by the annual compliance audit report (85.9% - 92.3% compliance) - Ongoing inductions for staff in HR online learning, compliance training, records management, process mapping and procurement - Establishment of a risk management framework - Conducted internal audits on operational services - Overhaul of procurement systems and processes - Establishment of a performance management system across the organisation - Promotion of health and wellbeing programs, including hard hat sessions
<p>4.d Financially sustainable city</p>	<ul style="list-style-type: none"> - Shire of Roebourne signed a funding agreement with Rio Tinto for the operation of the Wickham Recreation Precinct. - Executives and Management are involved in regular reviews of their operational and departmental budgets both as part of the Budget Review process and ongoing Financial Management and Variance reporting to Council. Savings identified through the budget review process are reallocated to items of priority identified in the City of Karratha's Community Needs and Satisfaction Survey. - Conducted an internal review and rationalisation of Planning Services. - All Council sustainability ratios kept exceeded the Department of Local Government's acceptable ranges - Council had nil debt as at 30/06/2014 - The Long Term Financial Plan enables Council to model the financial impacts of various activities, initiatives, service levels and programs as well as perform risk analysis in terms of measuring the impacts of changing assumptions such as growth, inflation, grants and subsidies etc. It also facilitates modelling of various scenarios that respond to the priorities identified by the community. - Monthly financial Statements, including variances greater than the materiality threshold adopted by Council of \$50,000 or 10% (whichever is the greater) are presented to Council monthly in accordance with <i>Local Government Act 1995</i> and <i>Local Government (Financial Management) Regulations 1996</i>.
<p>4.e Partnerships with regional and state agencies</p>	<ul style="list-style-type: none"> - Represented Council and communities at relevant forums including conferences, regional and local meetings.
<p>4.f Ensuring the organisation is staffed with people with the right skills doing the right jobs at the right time with the right attitude.</p>	<ul style="list-style-type: none"> - Continued staff professional development including attendance at key industry-related conferences, further education support and job training. - Staff review policies: Every permanent employee to have an annual performance review with their Manager. As at 30 June 68% of all reviews due to be completed had been completed. - Recruitment initiatives <ul style="list-style-type: none"> - 121 total recruitments for 2013/14: 69 casuals, 39 FT, 13 PT - Total FTE 2013/14: 252 (increase of 11 FTE) with most growth in community and strategic projects and infrastructure. - Leadership training and course: Emerging leaders - 8 participants attended 3 in house 2 day training sessions in addition to a 4 day training course in Perth - Employee turnover 22.2%

4.2 ANNUAL FINANCIAL REPORT 2013/14

File No:	FM.3
Responsible Executive Officer:	Director Corporate Services
Reporting Author:	Management Accountant
Date of Report:	25 November 2014
Applicant/Proponent:	Nil
Disclosure of Interest:	Nil
Attachment(s)	Annual Financial Report 2013/14

PURPOSE

To receive the 2013/14 Annual Financial Report that was independently reviewed by Council's auditors, Grant Thornton Audit.

BACKGROUND

Council is legislatively required to prepare an annual financial report each financial year in a prescribed format and containing prescribed information.

The financial report includes a statement of financial position as at 30 June 2014, a statement of comprehensive income, a statement of changes in equity, a statement of cash flows and a statement of rate setting for the year ended 30 June 2014 inclusive of accounting policies and other explanatory notes and statements.

These reports have been audited by Grant Thornton Audit and they have provided an unqualified opinion.

In summary, the report indicates that City had as at 30 June 2014:

	30 June 2014	30 June 2013	Inc / (Dec)
Total Comprehensive Income	\$33,382,052	\$31,655,130	\$1,726,922
Net Assets	\$369,195,227	\$300,966,576	\$68,228,651
- Total Assets	\$384,605,298	\$315,154,869	\$69,450,429
- Total Liabilities	\$15,410,071	\$14,188,293	\$1,221,778
Loan Liability	\$0	\$53,402	(\$53,402)
Cash Reserves	\$62,904,777	\$42,684,509	\$20,220,268
Property, Plant & Equipment	\$182,214,889	\$156,378,702	\$25,836,187
Infrastructure Assets	\$127,062,962	\$104,847,996	\$22,214,966
Final Surplus	\$1,617,633	\$1,136,042	\$481,591

LEVEL OF SIGNIFICANCE

In accordance with Council Policy *CE-8 Significant Decision Making Policy*, this matter is considered to be of high significance in terms of compliance and Council's ability to perform its role.

COUNCILLOR/OFFICER CONSULTATION

Relevant Council officers were consulted in the preparation of the Annual Financial Report.

The Audit and Organisational Risk Committee considered the Annual Financial Report at its meeting on 3 November 2014, and Council received the Annual Financial Report at the Ordinary Council Meeting on 17 November 2014.

COMMUNITY CONSULTATION

No community consultation is required, however the community has been invited to attend the Annual Electors' Meeting to discuss the 2013/14 Annual Report including the Annual Financial Report.

STATUTORY IMPLICATIONS

Section 6.4 of the *Local Government Act 1995* requires that a local government prepare an annual financial report for the preceding financial year.

Section 5.53(2)(f) of the Act requires that the annual report of the local government is to include the financial report.

Section 5.54(1) of the Act requires that the annual report for a financial year is to be accepted (by Absolute Majority) by the local government no later than 31 December after that financial year.

Section 5.27 of the Act provides that within 56 days of Council accepting the annual report for the previous financial year, it shall convene a general meeting of electors to discuss the contents of the annual report.

POLICY IMPLICATIONS

The Annual Financial Report was prepared in accordance with Council Policy CF1 – Local Government Accounting Directions.

FINANCIAL IMPLICATIONS

The Annual Financial Report details the financial performance of the City for the year ended 30 June 2014.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2012-2022 and Corporate Business Plan 2012-2016. In particular the Operational Plan 2014-2015 provides for this activity:

Our Program:	4.d.1.3	Provide transparent and accountable financial information required by the Local Government Act, Code of Accounting Practice, Australian Accounting Standards and Local Government regulations.
Our Services:	4.d.1.3.1	Prepare the Financial Statements and Reports to Council.
Our Program:	1.f.4.1	Ensure our community has access to up to date information about City's operations and projects
Our Services:	1.f.4.1.2	Prepare Council publications and corporate documents

RISK MANAGEMENT CONSIDERATIONS

There are no risk management considerations applicable.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

The last Annual Electors' Meeting was held on 16 December 2013.

VOTING REQUIREMENTS

Absolute Majority

OPTIONS:Option 1

As per Officer's recommendation.

Option 2

That Council by SIMPLE Majority pursuant to section 5.54(1) of the *Local Government Act 1995* RESOLVES to DEFER consideration of the Annual Financial Report for the year ended 30 June 2014 to a meeting to be set prior to 31 December 2014.

CONCLUSION

The Annual Financial Report 2013/14 has been prepared in accordance with the *Local Government Act 1995* and indicates the City's financial position and viability as at 30 June 2014.

OFFICER'S RECOMMENDATION

That Council by **ABSOLUTE** Majority pursuant to section 5.54(1) of the *Local Government Act 1995* RESOLVES to **ACCEPT** the Annual Financial Report for the year ended 30 June 2014.

Notes to and forming part of the financial report

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Preparation

The financial report comprises general purpose financial statements which have been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities), Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board, the Local Government Act 1995 and accompanying regulations. Material accounting policies which have been adopted in the preparation of this financial report are presented below and have been consistently applied unless stated otherwise.

Except for cash flow and rate setting information, the report has also been prepared on the accrual basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and liabilities.

Critical Accounting Estimates

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances; the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The Local Government Reporting Entity

All Funds through which the Council controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements, but a separate statement of those monies appears at Note 19 to these financial statements.

(b) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable.

The net amount of GST recoverable from, or payable to, the ATO in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(c) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, cash at bank, deposits available on demand with banks and other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value and bank overdrafts.

Bank overdrafts are reported as short term borrowings in current liabilities in the statement of financial position.

(d) Trade and Other Receivables

Trade and other receivables include amounts due from ratepayers for unpaid rates and service charges and other amounts due from third parties for goods sold and services performed in the ordinary course of business.

Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Collectability of trade and other receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

(e) Inventories

General

Inventories are measured at the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

Land Held for Sale

Land held for development and sale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development, borrowing costs and holding costs until completion of development. Finance costs and holding charges incurred after development is completed are expensed.

Gains and losses are recognised in profit or loss at the time of signing an unconditional contract of sale if significant risks and rewards, and effective control over the land, are passed on to the buyer at this point.

Land held for sale is classified as current except where it is held as non-current based on Council's intentions to release for sale.

Notes continued...

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(f) Fixed Assets

Each class of fixed assets within either property, plant and equipment or infrastructure, is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Mandatory Requirement to Revalue Non-Current Assets

Effective from 1 July 2012, the Local Government (Financial Management) Regulations were amended and the measurement of non-current assets at Fair Value became mandatory.

The amendments allow for a phasing in of fair value in relation to fixed assets over three years as follows:

- (a) for the financial year ending on 30 June 2013, the fair value of all of the assets of the local government that are plant and equipment; and
- (b) for the financial year ending on 30 June 2014, the fair value of all of the assets of the local government -
 - (i) that are plant and equipment; and
 - (ii) that are -
 - (I) land and buildings; or-
 - (II) Infrastructure;
- and
- (c) for a financial year ending on or after 30 June 2015, the fair value of all of the assets of the local government.

Thereafter, in accordance with the regulations, each asset class must be revalued at least every 3 years.

In 2013, Council commenced the process of adopting Fair Value in accordance with the Regulations.

Relevant disclosures, in accordance with the requirements of Australian Accounting Standards, have been made in the financial report as necessary.

Land Under Control

In accordance with Local Government (Financial Management) Regulation 16(a), the Council was required to include as an asset (by 30 June 2013), Crown Land operated by the local government as a golf course, showground, racecourse or other sporting or recreational facility of State or Regional significance.

Upon initial recognition, these assets were recorded at cost in accordance with AASB 116. They were then classified as Land and revalued along with other land in accordance with the other policies detailed in this Note.

Whilst they were initially recorded at cost, fair value at the date of acquisition was deemed cost as per AASB 116.

Consequently, these assets were initially recognised at cost but revalued along with other items of Land and Buildings at 30 June 2014.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(f) Fixed Assets (Continued)

Initial Recognition and Measurement between Mandatory Revaluation Dates

All assets are initially recognised at cost and subsequently revalued in accordance with the mandatory measurement framework detailed above.

In relation to this initial measurement, cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed by the Council includes the cost of all materials used in construction, direct labour on the project and an appropriate proportion of variable and fixed overheads.

Individual assets acquired between initial recognition and the next revaluation of the asset class in accordance with the mandatory measurement framework detailed above, are carried at cost less accumulated depreciation as management believes this approximates fair value. They will be subject to subsequent revaluation at the next anniversary date in accordance with the mandatory measurement framework detailed above.

Revaluation

Increases in the carrying amount arising on revaluation of assets are credited to a revaluation surplus in equity. Decreases that offset previous increases of the same asset are recognised against revaluation surplus directly in equity. All other decreases are recognised in profit or loss.

Transitional Arrangements

During the time it takes to transition the carrying value of non-current assets from the cost approach to the fair value approach, the Council may still be utilising both methods across differing asset classes.

Those assets carried at cost will be carried in accordance with the policy detailed in the ***Initial Recognition*** section as detailed above.

Those assets carried at fair value will be carried in accordance with the ***Revaluation*** Methodology section as detailed above.

Early Adoption of AASB 13 - Fair Value Measurement

Whilst the new accounting standard in relation to Fair Value, AASB 13 – Fair Value Measurement only become applicable for the year ended 30 June 2014 (in relation to Council), given the legislative need to commence using Fair Value methodology in the previous reporting period (year ended 30 June 2013) the Council chose to early adopt AASB 13.

As a consequence, the principles embodied in AASB 13 - Fair Value Measurement have been applied to the previous reporting period (year ended 30 June 2013).

Notes continued...

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(f) Fixed Assets (Continued)

Land Under Roads

In Western Australia, all land under roads is Crown Land, the responsibility for managing which, is vested in the local government.

Effective as at 1 July 2008, Council elected not to recognise any value for land under roads acquired on or before 30 June 2008. This accords with the treatment available in Australian Accounting Standard AASB 1051 Land Under Roads and the fact Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

In respect of land under roads acquired on or after 1 July 2008, as detailed above, Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

Whilst such treatment is inconsistent with the requirements of AASB 1051, Local Government (Financial Management) Regulation 4(2) provides, in the event of such an inconsistency, the Local Government (Financial Management) Regulations prevail.

Consequently, any land under roads acquired on or after 1 July 2008 is not included as an asset of the Council.

Depreciation

The depreciable amount of all fixed assets including buildings but excluding freehold land, are depreciated on a straight-line basis over the individual asset's useful life from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful life of the improvements.

When an item of property, plant and equipment is revalued, any accumulated depreciation at the date of the revaluation is treated in one of the following ways:

- a) Restated proportionately with the change in the gross carrying amount of the asset so that the carrying amount of the asset after revaluation equals its revalued amount; or
- b) Eliminated against the gross carrying amount of the asset and the net amount restated to the revalued amount of the asset.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(f) Fixed Assets (Continued)

Major depreciation periods used for each class of depreciable asset are:

Artwork/Sculptures	2.00%
Buildings	
- Buildings	2.50%
- Building fixtures/fittings	9.00%
Furniture and (internal equipment)	
- Computers and peripherals	32.00%
- Other electronic equipment	25.00%
- Furniture	10.00%
Plant	
- Construction plant (includes prime movers and trailers)	9.00%
- Construction vehicles (eg. trucks)	15.00%
- Light commercial vehicles	15.00%
- Passenger vehicles	12.00%
Equipment	
- Light plant and (external) equipment	
Heavy usage	42.00%
Light usage	21.00%
Infrastructure	
- Roads	3.60%
- Paths and cycle ways	4.80%
- Aerodromes	3.60%
- Parks and gardens	1.00%
- Hard court facilities	
Bitumen surface	3.60%
Concrete base	2.40%
- Bridges and culverts	4.80%
- Drainage	1.80%
- Miscellaneous structures	4.80%
- Boat ramps/jetties	6.67%

The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income in the period in which they arise.

When revalued assets are disposed of, amounts included in the revaluation surplus relating to that asset are transferred to retained surplus.

Capitalisation Threshold

Expenditure on items of equipment under \$5,000 are not capitalised. Rather, it is recorded on an asset inventory listing.

Notes continued...

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(g) Fair Value of Assets and Liabilities

When performing a revaluation, the Council uses a mix of both independent and management valuations using the following as a guide:

Fair Value is the price that Council would receive to sell the asset or would have to pay to transfer a liability, in an orderly (i.e. unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market-based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset. The fair values of assets that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

To the extent possible, market information is extracted from either the principal market for the asset (i.e. the market with the greatest volume and level of activity for the asset or, in the absence of such a market, the most advantageous market available to the entity at the end of the reporting period (i.e. the market that maximises the receipts from the sale of the asset after taking into account transaction costs and transport costs).

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that would use the asset in its highest and best use.

Fair Value Hierarchy

AASB 13 requires the disclosure of fair value information by level of the fair value hierarchy, which categorises fair value measurement into one of three possible levels based on the lowest level that an input that is significant to the measurement can be categorised into as follows:

Level 1

Measurements based on quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.

Level 2

Measurements based on inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3

Measurements based on unobservable inputs for the asset or liability.

The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data. If all significant inputs required to measure fair value are observable, the asset or liability is included in Level 2. If one or more significant inputs are not based on observable market data, the asset or liability is included in Level 3.

Valuation techniques

The Council selects a valuation technique that is appropriate in the circumstances and for which sufficient data is available to measure fair value. The availability of sufficient and relevant data primarily depends on the specific characteristics of the asset or liability being measured. The valuation techniques selected by the Council are consistent with one or more of the following valuation approaches:

Market approach

Valuation techniques that use prices and other relevant information generated by market transactions for identical or similar assets or liabilities.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(g) Fair Value of Assets and Liabilities (Continued)

Income approach

Valuation techniques that convert estimated future cash flows or income and expenses into a single discounted present value.

Cost approach

Valuation techniques that reflect the current replacement cost of an asset at its current service capacity.

Each valuation technique requires inputs that reflect the assumptions that buyers and sellers would use when pricing the asset or liability, including assumptions about risks. When selecting a valuation technique, the Council gives priority to those techniques that maximise the use of observable inputs and minimise the use of unobservable inputs. Inputs that are developed using market data (such as publicly available information on actual transactions) and reflect the assumptions that buyers and sellers would generally use when pricing the asset or liability and considered observable, whereas inputs for which market data is not available and therefore are developed using the best information available about such assumptions are considered unobservable.

As detailed above, the mandatory measurement framework imposed by the Local Government (Financial Management) Regulations requires, as a minimum, all assets carried at a revalued amount to be revalued at least every 3 years.

(h) Financial Instruments

Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the Council becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the Council commits itself to either the purchase or sale of the asset (i.e. trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transaction costs, except where the instrument is classified 'at fair value through profit or loss', in which case transaction costs are expensed to profit or loss immediately.

Classification and Subsequent Measurement

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest rate method, or at cost.

Amortised cost is calculated as:

- (a) the amount in which the financial asset or financial liability is measured at initial recognition;
- (b) less principal repayments and any reduction for impairment; and
- (c) plus or minus the cumulative amortisation of the difference, if any, between the amount initially recognised and the maturity amount calculated using the effective interest rate method.

The effective interest method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying value with a consequential recognition of an income or expense in profit or loss.

Notes continued...

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(h) Financial Instruments (Continued)

Classification and Subsequent Measurement (Continued)

(i) Financial assets at fair value through profit and loss

Financial assets are classified at "fair value through profit or loss" when they are held for trading for the purpose of short-term profit taking. Such assets are subsequently measured at fair value with changes in carrying amount being included in profit or loss. Assets in this category are classified as current assets.

(ii) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Loans and receivables are included in current assets where they are expected to mature within 12 months after the end of the reporting period.

(iii) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed maturities and fixed or determinable payments that the Council has the positive intention and ability to hold to maturity. They are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

Held-to-maturity investments are included in non-current assets, where they are expected to mature within 12 months after the end of the reporting period. All other investments are classified as non-current.

(iv) Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that are either not suitable to be classified into other categories of financial assets due to their nature, or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments.

They are subsequently measured at fair value with changes in such fair value (i.e. gains or losses) recognised in other comprehensive income (except for impairment losses). When the financial asset is derecognised, the cumulative gain or loss pertaining to that asset previously recognised in other comprehensive income is reclassified into profit or loss.

Available-for-sale financial assets are included in current assets, where they are expected to be sold within 12 months after the end of the reporting period. All other available-for-sale financial assets are classified as non-current.

(v) Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(h) Financial Instruments (Continued)

Impairment

A financial asset is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events (a "loss event") having occurred, which will have an impact on the estimated future cash flows of the financial asset(s).

In the case of available-for-sale financial assets, a significant or prolonged decline in the market value of the instrument is considered a loss event. Impairment losses are recognised in profit or loss immediately. Also, any cumulative decline in fair value previously recognised in other comprehensive income is reclassified to profit or loss at this point.

In the case of financial assets carried at amortised cost, loss events may include: indications that the debtors or a group of debtors are experiencing significant financial difficulty, default or delinquency in interest or principal payments; indications that they will enter bankruptcy or other financial reorganisation; and changes in arrears or economic conditions that correlate with defaults.

For financial assets carried at amortised cost (including loans and receivables), a separate allowance account is used to reduce the carrying amount of financial assets impaired by credit losses. After having taken all possible measures of recovery, if management establishes that the carrying amount cannot be recovered by any means, at that point the written-off amounts are charged to the allowance account or the carrying amount of impaired financial assets is reduced directly if no impairment amount was previously recognised in the allowance account.

Derecognition

Financial assets are derecognised where the contractual rights to receipt of cash flows expire or the asset is transferred to another party whereby the Council no longer has any significant continual involvement in the risks and benefits associated with the asset.

Financial liabilities are derecognised where the related obligations are discharged, cancelled or expired. The difference between the carrying amount of the financial liability extinguished or transferred to another party and the fair value of the consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

(i) Impairment of Assets

In accordance with Australian Accounting Standards the Council's assets, other than inventories, are assessed at each reporting date to determine whether there is any indication they may be impaired.

Where such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying amount.

Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another standard (e.g. AASB 116) whereby any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other standard.

For non-cash generating assets such as roads, drains, public buildings and the like, value in use is represented by the depreciated replacement cost of the asset.

(j) Trade and Other Payables

Trade and other payables represent liabilities for goods and services provided to the Council prior to the end of the financial year that are unpaid and arise when the Council becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured, are recognised as a current liability and are normally paid within 30 days of recognition.

Notes continued...

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(k) Employee Benefits

Short-Term Employee Benefits

Provision is made for the Council's obligations for short-term employee benefits. Short-term employee benefits are benefits (other than termination benefits) that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service, including wages, salaries and sick leave. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

The Council's obligations for short-term employee benefits such as wages, salaries and sick leave are recognised as a part of current trade and other payables in the statement of financial position. The Council's obligations for employees' annual leave and long service leave entitlements are recognised as provisions in the statement of financial position.

Other Long-Term Employee Benefits

Provision is made for employees' long service leave and annual leave entitlements not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render the related service. Other long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Any remeasurements for changes in assumptions of obligations for other long-term employee benefits are recognised in profit or loss in the periods in which the changes occur.

The Council's obligations for long-term employee benefits are presented as non-current provisions in its statement of financial position, except where the Council does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

Employee benefits are accrued on the basis of numbers of years employed (continuously) in Local Government as follows:

0-1 years	10% of normal accrual
1-2 years	15% of normal accrual
2-3 years	25% of normal accrual
3-4 years	40% of normal accrual
4-5 years	60% of normal accrual
5-6 years	80% of normal accrual
6-7 years	90% of normal accrual
7-10 years	100% of normal accrual

The City of Karratha's Enterprise Agreement 2012 permits employees to apply to take pro-rata Long Service Leave (6.5 weeks) on completion of each 5 years of continuous service with the City. Where an employee has reached a period of service with the City longer than 5 years but less than 7, employee benefits are accrued on the basis of numbers of years employed (continuously) with the City of Karratha as follows:

0-1 years	20% of normal accrual
1-2 years	30% of normal accrual
2-3 years	50% of normal accrual
3-4 years	70% of normal accrual
4-5 years	90% of normal accrual

(l) Borrowing Costs

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset until such time as the asset is substantially ready for its intended use or sale.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(m) Provisions

Provisions are recognised when the Council has a present legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

Provisions are measured using the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(n) Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not legal ownership, are transferred to the Council, are classified as finance leases.

Finance leases are capitalised recording an asset and a liability at the lower amounts equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Lease incentives under operating leases are recognised as a liability and amortised on a straight line basis over the life of the lease term.

(o) Investment in Associates

An associate is an entity over which the Council has significant influence. Significant influence is the power to participate in the financial operating policy decisions of that entity but is not control or joint control of those policies. Investments in associates are accounted for in the financial statements by applying the equity method of accounting, whereby the investment is initially recognised at cost and adjusted thereafter for the post-acquisition change in the Council's share of net assets of the associate. In addition, the Council's share of the profit or loss of the associate is included in the Council's profit or loss.

The carrying amount of the investment includes, where applicable, goodwill relating to the associate. Any discount on acquisition, whereby the Council's share of the net fair value of the associate exceeds the cost of investment, is recognised in profit or loss in the period in which the investment is acquired.

Profits and losses resulting from transactions between the Council and the associate are eliminated to the extent of the Council's interest in the associate.

When the Council's share of losses in an associate equals or exceeds its interest in the associate, the Council discontinues recognising its share of further losses unless it has incurred legal or constructive obligations or made payments on behalf of the associate. When the associate subsequently makes profits, the Council will resume recognising its share of those profits once its share of the profits equals the share of the losses not recognised.

Notes continued...

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(p) Interests in Joint Arrangements

Joint arrangements represent the contractual sharing of control between parties in a business venture where unanimous decisions about relevant activities are required.

Separate joint venture entities providing joint venturers with an interest to net assets are classified as a joint venture and accounted for using the equity method. Refer to note 1(o) for a description of the equity method of accounting.

Joint venture operations represent arrangements whereby joint operators maintain direct interests in each asset and exposure to each liability of the arrangement. The Council's interests in the assets, liabilities, revenue and expenses of joint operations are included in the respective line items of the financial statements. Information about the joint ventures is set out in Note 16.

(q) Rates, Grants, Donations and Other Contributions

Rates, grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions.

Control over assets acquired from rates is obtained at the commencement of the rating period or, where earlier, upon receipt of the rates.

Where contributions recognised as revenues during the reporting period were obtained on the condition that they be expended in a particular manner or used over a particular period, and those conditions were undischarged as at the reporting date, the nature of and amounts pertaining to 'those undischarged conditions are disclosed in Note 2(c). That note also discloses the amount of contributions recognised as revenues in a previous reporting period which were obtained in respect of the local government's operations for the current reporting period.

(r) Superannuation

The Council contributes to a number of Superannuation Funds on behalf of employees. All funds to which the Council contributes are defined contribution plans.

(s) Current and Non-Current Classification

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle. In the case of liabilities where the Council does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for sale where it is held as non-current based on the Council's intentions to release for sale.

(t) Rounding Off Figures

All figures shown in this annual financial report, other than a rate in the dollar, are rounded to the nearest dollar.

1. SUMMARY SIGNIFICANT ACCOUNTING POLICIES (Continued)

(u) Comparative Figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

When the Council applies an accounting policy retrospectively, makes a retrospective restatement or reclassifies items in its financial statement, an additional (third) statement of financial position as at the beginning of the preceding period in addition to the minimum comparative financial statements is presented.

(v) Budget Comparative Figures

Unless otherwise stated, the budget comparative figures shown in this annual financial report relate to the original budget estimate for the relevant item of disclosure.

Notes continued...

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)**(w) New Accounting Standards and Interpretations for Application in Future Periods**

The AASB has issued a number of new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods, some of which are relevant to the Council.

Management's assessment of the new and amended pronouncements that are relevant to the Council, applicable to future reporting periods and which have not yet been adopted are set out as follows:

Title	Issued / Compiled	Applicable ⁽¹⁾	Impact
(i) AASB 9 – Financial Instruments	December 2013	1 January 2017	Nil – The objective of this Standard is to improve and simplify the approach for classification and measurement of financial assets compared with the requirements of AASB 139. Given the nature of the financial assets of the Council, it is not anticipated the standard will have any material effect.
(ii) AASB 2010 -7 Amendments to Australian Accounting Standards arising from AASB 9 (December 2010)	December 2013	1 January 2017	Nil - The revisions embodied in this standard give effect to the consequential changes arising from the issuance of AASB 9 which is not anticipated to have any material effect on the Council (refer (i) above).
[AASB 1, 3, 4, 5, 7, 101, 102, 108, 112, 118, 120, 121, 127, 128, 131, 132, 136, 137, 139, 1023 & 1038 and Interpretations 2, 5, 10, 12, 19 & 127]			

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(w) New Accounting Standards and Interpretations for Application in Future Periods (Continued)

Title	Issued / Compiled	Applicable ⁽¹⁾	Impact
<p>(iii) AASB 2011 - 7 Amendments to Australian Accounting Standards arising from the Consolidation and Joint Arrangement Standards [Not-For-Profit entities]</p> <p>[AASB 1, 3, 5, 7, 9, 2009-11, 101, 107, 112, 118, 121, 124, 131, 132, 133, 138, 139, 1023 & 1038 and Interpretations 5, 9, 16 & 17]</p>	December 2012	1 January 2014	<p>Consequential changes to various standards arising from the issuance of AASB 10, 11, 12, 127 and 128.</p> <p>It is not expected to have a significant impact on Council.</p>
<p>(iv) AASB 2012-3: Amendments to Australian Accounting Standards - Offsetting Financial Assets and Financial Liabilities</p> <p>[AASB 132]</p>	June 2012	1 January 2014	<p>This Standard adds application guidance to AASB 132: Financial Instruments: Presentation to address potential inconsistencies identified in applying some of the offsetting criteria of AASB 132, including clarifying the meaning of "currently has a legally enforceable right of set-off" and that some gross settlement systems may be considered equivalent to net settlement.</p> <p>This Standard is not expected to significantly impact the Council's financial statements.</p>

GNIFICANT ACCOUNTING POLICIES (Continued)**3w Accounting Standards and Interpretations for Application in Future Periods (Continued)**

Title	Issued / Compiled	Applicable ⁽¹⁾	Impact
v) AASB 2013 - 3: Amendments to AASB 136 - Recoverable Amount Disclosures for Non-Financial Assets	June 2013	1 January 2014	This standard makes amendments to AASB 136 and includes requirements to disclose additional information when present value techniques are used to measure the recoverable amount of impaired assets. It is not expected to have a significant impact on Council.
v) AASB 2013-8: Amendments to Australian Accounting Standards – Australian Implementation Guidance for Not-for-Profit Entities – Control and Structured Entities [AASB 10, 12 & 1049]	October 2013	1 January 2014	This standard adds Appendix E to AASB 10 to provide implementation guidance for Not-for-Profit entities regarding control criteria from the perspective of not-for-profit entities. It is not expected to have a significant impact on Council.
ii) AASB 2013-9: Amendments to Australian Accounting Standards – Conceptual Framework, Materiality and Financial Instruments [Operative dates: Part A Conceptual Framework – 20 December 2013; Part B Materiality – 1 January 2014; Part C Financial Instruments – 1 January 2015]	December 2013	Refer Title column	Part A of this standard makes various editorial corrections to Australian Accounting Standards. Part B of this standard deletes references to AASB 1031 in various Australian Accounting Standards in advance of the withdrawal of AASB 1031. Part C of this standard makes consequential amendments to AASB 9 and numerous other standards and amends the permissions around certain applications relating to financial liabilities reissued at fair value. As the bulk of changes related either to editorial or reference changes it is not expected to have a significant impact on Council.

Notes:

⁽¹⁾ Applicable to reporting periods commencing on or after the given date.

Notes continued...

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)
(x) Adoption of New and Revised Accounting Standards

During the current year, the Council adopted all of the new and revised Australian Accounting Standards and Interpretations which were compiled, became mandatory and which were applicable to its operations.

These new and revised standards were:

AASB 10	AASB 128	AASB 2012 - 2
AASB 11	AASB 2011 - 7	AASB 2012 - 3
AASB 12	AASB 2011 - 9	AASB 2012 - 5
AASB 119	AASB 2011 - 10	AASB 2012 - 10
AASB 127		

Most of the standards adopted had a minimal effect on the accounting and reporting practices of the Council as they did not have a significant impact on the accounting or reporting practices or were either not applicable, largely editorial in nature, were revisions to help ensure consistency with presentation, recognition and measurement criteria of IFRSs or related to topics not relevant to operations.

(b) Statement of Objective

In order to discharge its responsibilities to the community, Council has developed a set of operational and financial objectives. These objectives have been established both on an overall basis, reflected by the City's Community Vision, and for each of its broad activities/programs.

COMMUNITY VISION

The City of Karratha is dedicated to providing high quality services to the community through the various service orientated programs which it has established.

Council operations as disclosed in these financial statements encompass the following service orientated activities/programs.

GOVERNANCE

Functions relating to the Councillors and the running of Council.
Expenditure includes the running of elections, payments of expenses to Councillors and non-statutory donations.

Notes continued...

2. REVENUE AND EXPENSES (Continued)

(b) Statement of Objective (Continued)

GENERAL PURPOSE FUNDING

Rating and Government Grant Functions.

Includes the financial assistance grant received from the Local Government Grants Commission and all rate income.

LAW, ORDER, PUBLIC SAFETY

Supervision of various by-laws, fire and emergency services, and animal control.

Includes expenditure for the Ranger Services, state Emergency Service and also cyclone preparation expenses.

HEALTH

Food control, immunisation services, mosquito control and maintenance of child health centres.

Expenditure includes the maintenance of the child health clinic buildings, various health promotions and pest control expenses mainly relating to mosquito control.

EDUCATION AND WELFARE

Maintain preschool facilities and day care centres.

It includes expenditure in maintaining the day care centre buildings and also donations to schools for awards etc.

HOUSING

Maintain staff housing.

COMMUNITY AMENITIES

Rubbish collection services, operation of tip, administration of town planning schemes and operation of cemeteries.

Also included are the costs associated with the maintaining and cleaning of public toilets.

RECREATION AND CULTURE

Maintenance of halls, swimming pool, recreation centres, various reserves and operation of libraries. Expenditure includes the cost of the Karratha Leisureplex and other pavilions, ovals and parks maintenance, Roebourne Swimming Pool, coastal rehabilitation, and the four libraries.

Expenses relating to the historical town of Cossack, the Walkington Theatre and SBS Television and JJJ radio re-broadcasting are also included in this function.

TRANSPORT

Construction and maintenance of roads, drainage, footpaths, parking facilities, traffic signs and the aerodrome. It includes expenditure for the construction and maintenance of the roads, footpaths and also the expenditure relating to parking control and the operation of the Karratha Airport.

ECONOMIC SERVICES

Tourism and administration of building controls.

Expenditure includes Councils contributions to the Karratha and Roebourne Tourist Bureau and the Pilbara Tourism Association, and the costs associated with building control.

OTHER PROPERTY AND SERVICES

Private works and other unclassified works.

It also includes expenditure relating to plant operations and the Technical Services Division however these costs are then reallocated to other functions.

The costs associated with financing and administration are allocated direct to the relevant functions.

2. REVENUE AND EXPENSES (Continued)

(c) Conditions Over Grants/Contributions

(1) During the reporting period the City Of Karratha completed construction of its Leisureplex facility, subsequent to the independent valuation being undertaken. It is carried at cost and will be revalued in line with the accounting policy. As construction was finalised during the year, cost is deemed to approximate its fair value.

Land and Buildings:

The City's land and buildings were revalued at 1 July 2013 by independent valuers.

In relation to land and non-specialised buildings, valuations were made on the basis of observable open market values of similar assets, adjusted for condition and comparability, at their highest and best use (Level 2 inputs in the fair value hierarchy).

With regard to specialised buildings, these were valued having regard for their current replacement cost utilising both observable and unobservable inputs being constructions costs base on recent contract prices, current condition (Level 2), residual values and remaining useful life assessments (Level 3 inputs).

Given the significance of the Level 3 inputs into the overall fair value measurement, these specialised building assets are deemed to have been valued using level 3 inputs.

These Level 3 inputs are based on assumptions with regards to future values and patterns of consumption utilising current information. If the basis of these assumptions were varied, they have the potential to result in a significantly higher or lower fair value measurement.

The revaluation of these assets resulted in an overall increase of \$33,017,788 in the net value of the City's land and buildings. All of this increase was credited to the revaluation surplus in the City's equity (refer Note 12 (a) for further details) and was recognised as Changes on Revaluation of non-current Assets in the Statement of Comprehensive Income.

With regard to land vested in and under the control of Council, these assets were originally recognised as at 30 June 2013 at deemed cost where cost was effectively the fair value at the date of recognition.

As land vested in and under the control of Council is Crown Land restricted as to usage, it is not possible for an alternative usage to be considered when arriving at the fair value. In addition, due to its nature, any significant value attributable directly to the land would likely be offset by the need to return value to the Crown before any restriction is lifted, thus reducing the fair value to nil.

Consequently, the original value of deemed cost was obtained having regard for the current replacement cost of the improvements on the land to allow for its current restricted usage.

These included both observable and unobservable inputs being construction costs based on recent contract prices, current condition (Level 2 inputs), residual values and remaining useful life assessments (Level 3 inputs).

Notes continued...

6. PROPERTY, PLANT AND EQUIPMENT (CONTINUED)

Land and Buildings (Continued):

Given the significance of the Level 3 inputs into the overall fair value measurement, this land vested in and under the control of Council is deemed to have been valued using Level 3 inputs.

These Level 3 inputs are based on assumptions with regards to future values and patterns of consumption utilising current information. If the basis of these assumptions were varied, they have the potential to result in a significantly higher or lower fair value measurement.

Due to the mandatory fair value measurement framework as detailed in Note 1(f), Land Vested in and under the control of Council required a fair value assessment to occur in the current year.

This was performed by independent valuers at 1 July 2013 on the same basis as the prior year cost valuation was arrived at.

The revaluation of land vested in and under the control of Council resulted in an overall increase of \$564,454 in the net value of the Land vested in and under the control of the Council. All of this increase was credited to the revaluation surplus in the City's equity (refer Note 12 (a) for further details) and was recognised as Changes on Revaluation of Non-Current Assets in the Statement of Comprehensive Income.

Furniture and Equipment

Plant and Equipment:

Both furniture and equipment and plant and equipment were revalued in 2013 as part of the mandatory requirements embodied in Local Government (Financial Management) Regulation 17A.

Whilst the additions since that time are shown at costs, given they were acquired at arms length and any accumulated depreciation reflects the usage of service potential, it is considered the recorded written down value approximates fair value. Thus, the value is considered in accordance with Local Government (Financial Management) regulation 17A (2) which requires these assets to be shown at fair value.

They will be revalued during the year ended 30 June 2016 in accordance with the mandatory asset measurement framework detailed at Note 1(f).

All of the reserve accounts are supported by money held in financial institutions and match the amount shown as restricted cash in Note 3 to this financial report.

Notes continued...

11. RESERVES - CASH BACKED (continued)

In accordance with council resolutions in relation to each reserve account, the purpose for which the funds are set aside are as follows:

(a) Employee Entitlement Reserve

To fund employee leave entitlements when on extended leave, including long service leave as well as periods of Annual Leave for periods greater than 4 weeks duration thereby retaining salary and wages budgets for the funding of replacement staffing during extended periods of leave.

(b) Aerodrome Reserve

The purpose of this reserve is to fund the development, operation and maintenance of the Karratha Airport, inclusive of any repayments of borrowings and the funding of employee entitlements.

(c) Dampier Drainage Reserve

This reserve is maintained as part of an agreement between the Council and Hamersley Iron. The purpose of the reserve is to ensure funds are available for the maintenance of drainage in Dampier. Hamersley Iron pay to the Council each year a \$10,000 contribution towards this maintenance with any additional works required being drawn from this reserve and similarly, any funds remaining unspent being transferred to this reserve.

(d) Walkington Theatre Reserve

The purpose of this reserve is to fund the operation and capital works of the Walkington Theatre.

(e) Plant Replacement Reserve

The purposes of this reserve is to fund the capital purchase of plant and equipment.

(f) Workers Compensation Reserve

The purpose of this reserve is to provide Council with sufficient funds to cover its potential liability in regard to the performance based workers compensation scheme of Local Government Insurance Services of which the City of Karratha is a member. Funds within the Reserve that become surplus to requirements will be transferred to Council's Employee Entitlements Reserve via way of Council's Annual Budget.

(g) Waste Management Reserve

The purpose of this reserve is to fund development, operation and maintenance of the Council's Waste Management facilities inclusive of repayments of borrowings and the funding of employee entitlements.

(h) Infrastructure Reserve

The purpose of this reserve is to allow for the use of these reserve funds for the enhancement, replacement, refurbishment and purchase of infrastructure assets or project works of the City of Karratha inclusive of the associated repayment of borrowings on infrastructure. Project works funded from this Reserve may not necessarily belong to the City of Karratha but must be carried out for the benefit of the City of Karratha.

(i) Housing Reserve

The purpose of this reserve is to fund the maintenance, refurbishment, replacement and construction of staff housing inclusive of the purchase. This reserve is funded by annual allocations from the Municipal Fund and from sale of Staff Housing.

(j) Aged Persons Unit Reserve

The purposes of this reserve is to assist in the transfer of Seniors from the current senior's village on Welcome Road to the new village provisioned by the State Government.

(k) Junior Sport Reserve

The purpose of this Reserve is to fund the development of junior sport within the City of Karratha including infrastructure.

11. RESERVES - CASH BACKED (continued)

(l) Public Open Space Reserve

The purpose of this Reserve is to fund future developments of public open spaces funded by proceeds from the undertaking of Land Transactions and Community Contributions received for the purpose of Public Open Space.

(m) History & Cultural Publications Reserve

The purpose of this Reserve is to fund future history and cultural publications. The income is generated from the sale of these publications.

(n) Mosquito Control Reserve

The purpose of this Reserve is to fund mosquito control programmes inclusive of the purchase of replacement equipment as required.

(o) Medical Services Assistance Package Reserve

The purpose of this Reserve is to fund future assistance to Medical Services in accordance with Council's participation in the Medical Services Incentive Scheme. This is inclusive of retention payments to General Practitioner's in accordance with the Medical Services Incentive Scheme.

(p) Royalties for Regions Reserve

The purpose of this reserve is to hold unexpended grant revenues, and associated interest, from the State Government's Royalties for Regions programme.

(q) Community Development Reserve

The purpose of this Reserve is to hold Annual Community Association Development Scheme unspent payments each year and to fund future projects initiated by Community Associations from time to time via the Annual Community Association Development Scheme.

(r) Carry Forward Budget Reserve

This reserve is for the purpose of preserving projects funds carried over.

(s) Restricted Funds Reserve

This reserve is for the purpose of holding Unexpended or prepaid Grants (other than Royalties for Regions) and Capital Contributions provided for specific purposes.

(s) Heavy Haulage Reserve

This reserve is for the purpose of funding the maintenance of Heavy Haulage Roads

(t) Partnership Reserve

This reserve is maintained as part of the Community Infrastructure and Services Partnership (the Partnership) and the related funding agreements between the Council and Rio Tinto Iron Ore. The purpose of the reserve is to preserve funds received under each funding agreement under the Partnership and restrict the funds for the purpose of each funding agreement.

The Leave and Plant Reserves are not expected to be used within a set period as further transfers to the reserve accounts are expected as funds are utilised.

Notes continued...

12. REVALUATION SURPLUS

Revaluation surpluses have arisen on revaluation of the following classes of non-current assets:

(a) Land & Buildings

	2014 \$	2013 \$
Opening Balance	15,910,120	17,469,096
Revaluation Increment	34,843,598	(0)
Disposal Of Revalued Assets	(1,825,810)	0
Revaluation Decrement	0	(1,558,976)
	<u>48,927,908</u>	<u>15,910,120</u>

(b) Infrastructure

Opening Balance	0	0
Revaluation Increment	136,395	0

Net Cash Flows	<u>(2,785,816)</u>	<u>8,034,918</u>	<u>0</u>	<u>0</u>	<u>5,249,102</u>

Projected revenues of \$8,118,418 are anticipated to be received in the 2015/16 financial year along with further Development Costs incurred of \$83,500. Infrastructure Reserve funds utilised (\$199,287 13/14 and \$2,785,816 14/15) will be returned to Reserve from sale proceeds. Any profit derived from the sale of land is required to be placed in Trust for the purpose of capital improvements to other Recreation Reserves in the locality.

Notes continued...

32. TRADING UNDERTAKINGS AND MAJOR TRADING UNDERTAKINGS

The Tien Tsin Inne operated inside the Karratha Airport Terminal Building until 30 June 2014, when it ceased operations. This was a self-funded trading undertaking, with any surplus transferred as a rate of return to the Airport Reserve.

33. FINANCIAL RISK MANAGEMENT

Council's activities expose it to a variety of financial risks including price risk, credit risk, liquidity risk and interest rate risk. The Council's overall risk management focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the Council.

Council does not engage in transactions expressed in foreign currencies and is therefore not subject to foreign currency risk.

Financial risk management is carried out by the finance area under policies approved by the Council.

The Council held the following financial instruments at balance date:

	Carrying Value		Fair Value	
	2014	2013	2014	2013
	\$	\$	\$	\$
Financial Assets				
Cash and cash equivalents	62,930,475	43,648,411	62,930,475	43,648,411
Receivables	11,995,083	10,309,752	12,860,367	10,309,752
	<u>74,925,558</u>	<u>53,958,163</u>	<u>75,790,842</u>	<u>53,958,163</u>
Financial Liabilities				
Payables	10,690,587	9,550,845	10,595,445	9,550,845
Borrowings	0	56,334	0	57,717
	<u>10,690,587</u>	<u>9,607,179</u>	<u>10,595,445</u>	<u>9,608,562</u>

Fair value is determined as follows:

- Cash and Cash Equivalents, Receivables, Payables - estimated to the carrying value which approximates net market value.
- Borrowings, Held to Maturity Investments, estimated future cash flows discounted by the current market interest rates applicable to assets and liabilities with similar risk profiles.
- Financial Assets at Fair Value through profit and loss, Available for Sale Financial Assets - based on quoted market prices at the reporting date or independent valuation.

33. FINANCIAL RISK MANAGEMENT (Continued)

(a) Cash and Cash Equivalents

Council's objective is to maximise its return on cash and investments whilst maintaining an adequate level of liquidity and preserving capital. The finance area manages the cash and investments portfolio with the assistance of independent advisers (where applicable). Council has an investment policy and the policy is subject to review by Council. An Investment Report is provided to Council on a monthly basis setting out the make-up and performance of the portfolio.

The major risk associated with investments is price risk - the risk that the capital value of investments may fluctuate due to changes in market prices, whether these changes are caused by factors specific to individual financial instruments of their issuers or factors affecting similar instruments traded in a market.

Cash and investments are also subject to interest rate risk - the risk that movements in interest rates could affect returns.

Another risk associated with cash is credit risk – the risk that a contracting entity will not complete its obligations under a financial instrument resulting in a financial loss to Council.

Council manages these risks by diversifying its portfolio and only investing in registered commercial banks. Council also seeks advice from independent advisers (where applicable) before placing any cash and investments.

	2014 \$	2013 \$
Impact of a 1% ⁽¹⁾ movement in interest rates on cash		
- Equity	664,692	696,122
- Statement of Comprehensive Income	664,692 ⁽²⁾	696,122 ^(*)

Notes:

⁽¹⁾ Sensitivity percentages based on management's expectation of future possible market movements.

⁽²⁾ Maximum impact.

Notes continued...

33. FINANCIAL RISK MANAGEMENT (Continued)

(b) Receivables

Council's major receivables comprise rates and annual charges and user charges and fees. The major risk associated with these receivables is credit risk – the risk that the debts may not be repaid. Council manages this risk by monitoring outstanding debt and employing debt recovery policies. It also encourages ratepayers to pay rates by the due date through incentives.

Credit risk on rates and annual charges is minimised by the ability of Council to recover these debts as a secured charge over the land – that is, the land can be sold to recover the debt. Council is also able to charge interest on overdue rates and annual charges at higher than market rates, which further encourages payment.

The level of outstanding receivables is reported to Council monthly and benchmarks are set and monitored for acceptable collection performance.

Council makes suitable provision for doubtful receivables as required and carries out credit checks on most non-rate debtors.

There are no material receivables that have been subject to a re-negotiation of repayment terms.

The profile of the Council's credit risk at balance date was:

	2014	2013
Percentage of Rates and Annual Charges		
- Current	16%	64%
- Overdue	84%	36%
Percentage of Other Receivables		
- Current	90%	98%
- Overdue	10%	2%

33. FINANCIAL RISK MANAGEMENT (Continued)

(c) Payables

Borrowings

Payables and borrowings are both subject to liquidity risk – that is the risk that insufficient funds may be on hand to meet payment obligations as and when they fall due. Council manages this risk by monitoring its cash flow requirements and liquidity levels and maintaining an adequate cash buffer. Payment terms can be extended and overdraft facilities drawn upon if required.

The contractual undiscounted cash flows of Council's Payables and Borrowings are set out in the Liquidity Sensitivity Table below:

2014

Payables	10,690,587	0	0	0	10,690,587	10,690,587
Borrowings	0	0	0	0	0	0
	<u>10,690,587</u>	<u>0</u>	<u>0</u>	<u>0</u>	<u>10,690,587</u>	<u>10,690,587</u>

2013

Payables	9,550,845	0	0	0	9,550,845	9,550,845
Borrowings	6,858	27,433	51,438	51,438	85,729	56,334
	<u>9,557,703</u>	<u>27,433</u>	<u>51,438</u>	<u>51,438</u>	<u>9,636,574</u>	<u>9,607,179</u>

(c) Payables

Borrowings (Continued)

Borrowings are also subject to interest rate risk - the risk that movements in interest rates could adversely affect funding costs. Council manages this risk by borrowing long term and fixing the interest rate to the situation considered the most advantageous at the time of negotiation.

The following tables set out the carrying amount, by maturity, of the financial instruments exposed to interest rate risk:

	<1 year \$	>1<2 years \$	>2<3 years \$	>3<4 years \$	>4<5 years \$	>5 years \$	Total \$	Weighted Average Effective Interest Rate %
Year Ended 30 June 2014

Weighted Average Effective Interest Rate	0.00%	0.00%	0.00%	0.00%	0.00%	7.06%		

34. PRIOR PERIOD CORRECTIONS

Balances relating to the 2013 comparative year have been amended due to the correction of prior period errors. These errors have been adjusted as shown below and, in accordance with the requirements of AASB101, a statement of financial position as at the beginning of the earliest comparative period has been included.

Following the production of the 2013 Annual Financial Statements, it was discovered that Artworks believed to have remained under the control of Main Roads had passed into Council's possession. Consequently, Artworks valued at \$508,248 were expensed during the financial year ended June 2013 rather than capitalised.

The following demonstrates all statements and notes effected by this prior period correction.

Effect of the above:	Original Balance \$	Amount of Adjustment \$	Adjusted Balance \$
Statement of Comprehensive Income			
- by Nature or Type			
Expenses			
- Materials and Contracts	(20,879,527)	511,984	(20,367,543)

	<u>335,716</u>	<u>508,248</u>	<u>843,964</u>

Notes continued...

34. PRIOR PERIOD CORRECTIONS (Continued)

Correspondence from the Department of Local Government and Communities following its review of Council's 2012/13 Annual Financial Report highlighted errors in the presentation of fair value decremental adjustment of \$435,479 as a positive figure rather than in brackets. It also highlighted the presentation of change in revaluation, being a decrement, of \$1,558,976 as a positive figure rather than in brackets. Following consultation with Council's appointed auditors, these figures have been amended in the prior year comparatives contained within the 2014 Annual Financial Statements.

The following demonstrates all statements and notes effected by this prior period correction.

Effect of the above:	Original Balance \$	Amount of Adjustment \$	Adjusted Balance \$
Statement of Comprehensive Income			
- by Nature or Type			
Fair Value Adjustments to Non-Current Assets at Fair Value through Profit or Loss	435,479	(870,958)	(435,479)
NET RESULT (incl. previous)	32,526,088	(870,958)	31,655,130
Changes on revaluation of non-current assets	1,558,976	(3,117,951)	(1,558,976)
TOTAL COMPREHENSIVE INCOME	34,085,063	(3,988,909)	30,096,154
- by Program			
Fair Value Adjustments to Non-Current Assets at Fair Value through Profit or Loss			
- General Purpose Funding	435,479	(870,958)	(435,479)
NET RESULT (incl. previous)	32,526,088	(870,958)	31,655,130
Changes on revaluation of non-current assets	1,558,976	(3,117,951)	(1,558,976)
TOTAL COMPREHENSIVE INCOME	34,085,063	(3,988,909)	30,096,154

For the year ended 30 June 2014, Council recognised a Contingent Asset of \$862,735 in relation to a property rated as Transient Workforce Accommodation. Potential rates income for the 2013/14 financial year for this property has not been recognised as it is contingent upon current legal action.

For the year ended 30 June 2014, Council recognised a Contingent Liability of \$275,284 in relation to an advance payment of rates related to a property rated as Transient Workforce Accommodation which is contingent upon current legal action.

Independent Auditor's Report To the Ratepayers of City of Karratha

We have audited the accompanying financial report of the City of Karratha (the "City"), which comprises the statement of financial position as at 30 June 2014, the statement of comprehensive income by nature or type, statement of comprehensive income by program, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information to the financial report and the statement by the Chief Executive Officer.

Responsibility of the Council for the financial report

The Council of the City of Karratha is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Local Government Act 1995 Part 6. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Council, as well as evaluating the overall presentation of the financial report.

Grant Thornton Audit Pty Ltd ACN 130 913 594
a subsidiary or related entity of Grant Thornton Australia Ltd ABN 41 127 556 389

'Grant Thornton' refers to the brand under which the Grant Thornton member firms provide assurance, tax and advisory services to their clients and/or refers to one or more member firms, as the context requires. Grant Thornton Australia Ltd is a member firm of Grant Thornton International Ltd (GTIL). GTIL and the member firms are not a worldwide partnership. GTIL and each member firm is a separate legal entity. Services are delivered by the member firms. GTIL does not provide services to clients. GTIL and its member firms are not agents of, and do not obligate one another and are not liable for one another's acts or omissions. In the Australian context only, the use of the term 'Grant Thornton' may refer to Grant Thornton Australia Limited ABN 41 127 556 389 and its Australian subsidiaries and related entities. GTIL is not an Australian related entity to Grant Thornton Australia Limited.

Liability limited by a scheme approved under Professional Standards Legislation. Liability is limited in those States where a current scheme applies.

Independent Auditor's report continued...

Grant Thornton

We performed the procedures to assess whether in all material respects the financial report presents fairly, in accordance with the Local Government Act 1995 Part 6 and Australian Accounting Standards (including the Australian Accounting Interpretations), a view which is consistent with our understanding of the City's financial position and of its performance.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the applicable independence requirements of the Accounting Professional and Ethical Standards Board.

Auditor's opinion

In our opinion, the financial report of the City of Karratha:

- (i) gives a true and fair view of the City of Karratha's financial position as at 30 June 2014 and of its performance for the financial year ended 30 June 2014;
- (ii) complies with Australian Accounting Standards (including the Australian Accounting Interpretations); and
- (iii) is prepared in accordance with the requirements of the Local Government Act 1995 Part 6 (as amended) and Regulations under that Act.

Statutory Compliance

I did not, during the course of my audit, become aware of any instance where the Council did not comply with the requirements of the Local Government Act 1995 and Local Government (Financial Management) Regulations 1996 as they relate to financial statements.

4.3 AUDIT REPORT 2013/14

File No:	FM.1
Responsible Executive Officer:	Director Corporate Services
Reporting Author:	Manager Governance and Organisational Strategy
Date of Report:	27 November 2014
Applicant/Proponent:	Grant Thornton Audit
Disclosure of Interest:	Nil
Attachment:	Independent Auditor's Report

PURPOSE

To receive the 2013/14 Audit Report provided by the City's Auditors, Grant Thornton Audit Pty Ltd, regarding the City's financial affairs for the 2013/14 financial year.

BACKGROUND

Council is legislatively obliged to have its financial affairs verified to ensure accuracy and appropriateness and to also ensure that the reporting is compliant with the Australian Accounting Standards.

Grant Thornton has been appointed by Council as external auditors to examine the City's financial affairs for three years (2012/13 – 2014/15). Audit preparation commenced in late August 2014 and Grant Thornton examined the financial statements of the City for 2013/14 comprising of the statement of financial position as at 30 June 2014, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended 30 June 2014 inclusive of accounting policies and other explanatory notes and statements.

Grant Thornton has provided an unqualified Audit Opinion (attached) indicating that there were no non-compliance issues and that the accounts are a true and fair representation of the City's financial performance for the 2013/14 financial year.

Grant Thornton has also provided observations regarding Council's internal control, highlighting no Material Weakness (critical areas that represent high risk); no Significant Deficiencies (important matters that represent medium risk); and only two Deficiencies (housekeeping or administrative matters that represent low risk) relating to the treatment of expenditure on public art assets and ownership of three buildings and two parcels of land. These issues were identified as part of ongoing management reviews and adjustments have been made in the current year.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy *CE-8 Significant Decision Making Policy*, this matter is considered to be of high significance in terms of compliance and Council's ability to perform its role.

COUNCILLOR/OFFICER CONSULTATION

Finance staff had regular dialogue with the Auditors throughout the engagement process. The Audit and Organisational Risk Committee had a teleconference with Grant Thornton on 3 November 2014 to discuss the outcomes of the audit process and the resulting opinion.

Council received the Audit Report at its Ordinary Council Meeting held 17 November 2014.

COMMUNITY CONSULTATION

No community consultation is required, however the community has been invited to attend the Annual Electors' Meeting to discuss the 2013/14 Annual Report including the Audit Report.

STATUTORY IMPLICATIONS

Section 7.2 of the *Local Government Act 1995* requires that the accounts and annual financial report of a local government for each financial year be audited by an auditor appointed by the local government.

Section 7.9 of the Act requires that an auditor examine the accounts and annual financial report of the year in review and shall then prepare a report and forward a copy of the report to the Mayor, CEO and Minister prior to 31 December. The auditor is required to report any errors, deficiencies or misapplications identified.

Section 5.53(2)(h) of the Act requires that the annual report of the local government is to include the auditor's report for the financial year under review.

Section 5.54(1) of the Act requires that the annual report for a financial year is to be accepted (by Absolute Majority) by the local government no later than 31 December after that financial year.

POLICY IMPLICATIONS

There are no policy implications.

FINANCIAL IMPLICATIONS

The Audit Report Audit confirmed that there were no non-compliance issues and that the accounts are a true and fair representation of the Shire's financial performance for the 2013/14 financial year.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2012-2022 and Corporate Business Plan 2012-2016. In particular the Operational Plan 2014-2015 provides for this activity:

Our Program:	4.d.1.3	Provide transparent and accountable financial information required by the Local Government Act, Code of Accounting Practice, Australian Accounting Standards and Local Government Regulations.
Our Services:	4.d.1.3.1	Prepare Financial Statements and reports to Council.

RISK MANAGEMENT CONSIDERATIONS

An unqualified report provided by the Auditor indicates that they have no material concerns in respect to their assessment of the City's financial position.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

There are no relevant precedents related to this matter.

VOTING REQUIREMENTS

Absolute Majority

OPTIONS:Option 1

As per Officer's Recommendation.

Option 2

That Council by SIMPLE Majority pursuant to section 5.54(1) of the *Local Government Act 1995* RESOLVES to DEFER consideration of the Audit Report provided by Grant Thornton Audit Pty Ltd for the year ended 30 June 2014 to a meeting to be set prior to 31 December 2014

CONCLUSION

The Audit Report has been provided by an independent auditor engaged to examine the financial affairs of the City of Karratha for the 2013/14 financial year. The Auditor has provided an unqualified opinion indicating no errors, misappropriations or deficiencies in reporting.

OFFICER'S RECOMMENDATION

That Council by ABSOLUTE Majority pursuant to Section 5.54(1) of the *Local Government Act 1995* RESOLVES to ACCEPT the Audit Report provided by Grant Thornton Audit Pty Ltd for the year ended 30 June 2014.

Independent Auditor's Report To the Ratepayers of City of Karratha

We have audited the accompanying financial report of the City of Karratha (the "City"), which comprises the statement of financial position as at 30 June 2014, the statement of comprehensive income by nature or type, statement of comprehensive income by program, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information to the financial report and the statement by the Chief Executive Officer.

Responsibility of the Council for the financial report

The Council of the City of Karratha is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Local Government Act 1995 Part 6. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Council, as well as evaluating the overall presentation of the financial report.

Grant Thornton Audit Pty Ltd ACN 130 913 594
a subsidiary or related entity of Grant Thornton Australia Ltd ABN 41 127 556 389

'Grant Thornton' refers to the brand under which the Grant Thornton member firms provide assurance, tax and advisory services to their clients and/or refers to one or more member firms, as the context requires. Grant Thornton Australia Ltd is a member firm of Grant Thornton International Ltd (GTIL). GTIL and the member firms are not a worldwide partnership. GTIL and each member firm is a separate legal entity. Services are delivered by the member firms. GTIL does not provide services to clients. GTIL and its member firms are not agents of, and do not obligate one another and are not liable for one another's acts or omissions. In the Australian context only, the use of the term 'Grant Thornton' may refer to Grant Thornton Australia Limited ABN 41 127 556 389 and its Australian subsidiaries and related entities. GTIL is not an Australian related entity to Grant Thornton Australia Limited.

Liability limited by a scheme approved under Professional Standards Legislation. Liability is limited in those States where a current scheme applies.

We performed the procedures to assess whether in all material respects the financial report presents fairly, in accordance with the Local Government Act 1995 Part 6 and Australian Accounting Standards (including the Australian Accounting Interpretations), a view which is consistent with our understanding of the City's financial position and of its performance.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the applicable independence requirements of the Accounting Professional and Ethical Standards Board.

Auditor's opinion

In our opinion, the financial report of the City of Karratha:

- (i) gives a true and fair view of the City of Karratha's financial position as at 30 June 2014 and of its performance for the financial year ended 30 June 2014;
- (ii) complies with Australian Accounting Standards (including the Australian Accounting Interpretations); and
- (iii) is prepared in accordance with the requirements of the Local Government Act 1995 Part 6 (as amended) and Regulations under that Act.

Statutory Compliance

I did not, during the course of my audit, become aware of any instance where the Council did not comply with the requirements of the Local Government Act 1995 and Local Government (Financial Management) Regulations 1996 as they relate to financial statements.
