2016 North Pilbara Football League Sponsorship Opportunities

The North Pilbara Football League has been an established league for over 40 years and strives to provide quality playing, volunteering and officiating opportunities for men and women in the City of Karratha and the Town of Port Hedland. Hosting 6 clubs and 12 teams across 5 Pilbara towns including Dampier, Port and South Hedland, Wickham and Karratha the League connects residents, FIFO and transient workers to the community through football.

The NPFL has opportunities to sponsor the NPFL community providing access to a wide and varied audience including both genders, all ages and cultural back grounds through print and audio media. Any partnership established with your company will greatly benefit over 500 young men aged between 15 & 45 from a wide variety of ethnic and cultural back grounds, across the six West Pilbara towns. The NPFL committee and each of the Clubs strive to provide opportunities to young men to connect to their local community, to interact socially with their peers and to develop fitness and skills that will benefit their lifelong health and wellbeing.
