~~Where material has been, or will be acquired into the collection with specific restrictions on access, these will be met where they comply with the relevant procedures.~~

~~Public Access: For materials previously acquired without signed Oral History Consent forms, access will be determined after a process of consultation with the interviewee and the interviewer, where~~

~~possible. If either of these parties cannot be contacted, access will be at the discretion of the City of Karratha.~~

~~Commercial Access: Access to the Oral History Collection for the purposes of publication, broadcast or web-based use requires consultation with the relevant Indigenous or non-Indigenous community member or community whose oral history is the subject of the request. These requests are to be directed to the relevant contacts, and where agreement with the individual/community concerned cannot be demonstrated, access will be at the discretion of the City of Karratha.~~
