

Silver LEGACY BALL

Proudly Supporting WA Police Legacy

To Whom it may concern,

This year marks the 25th anniversary of the Karratha to Broome Bike Ride and to celebrate this huge milestone we are holding the Silver Legacy Ball on 11 August 2018.

I have the privilege of assisting in coordinating the Silver Legacy Ball with all funds raised going toward WA Police Legacy. The WA Police Legacy is a charitable, non-profit organisation that provides personal and financial support to the surviving partners and dependent children of deceased and totally incapacitated police officers.

Currently there are 398 widows, 4 widowers and 51 children under 21 years of age being supported by WA Police Legacy. The assistance provided by WA Police Legacy is dependent upon kind donations from sponsors, and fund raising activities conducted throughout Western Australia.

The premier fundraising event for Legacy is the Karratha to Broome Bike Marathon, and this year it commences on 15 August 2018. The Marathon consists of an 843km bike ride undertaken by up to 45 riders and support crew. Last year we managed to raise over \$82,000.

The Silver Legacy Ball is in celebration and support of the Bike Ride. It is set to be a fantastic night, being the first ever formal event showcasing the brand new Red Earth Arts Precinct.

I would like to take this opportunity to invite the City of Karratha to assist our cause by providing sponsorship by means of using the Red Earth Arts Precinct as a venue for the ball. The ball will be a sit down 3 course meal with drinks and entertainment. I have been made aware the liquor license will be held by the City of Karratha and as such could I please ask that staffing for the venue and an approved manager be inclusive in the sponsorship. You will receive great exposure on our social media page @karrathabroomelegacyride as well as advertising throughout the event.

I look forward to hearing from you soon at matt.tidman@police.wa.gov.au or on 9143 7224, to discuss your support of this charitable event.

Kind Regards,

Matt TIDMAN
