To Ray McDermott,

I'm writing to you about the stupidly high rates going up. Rents have come down to the lowest in history and you want to raise the rates. If say the only Boom up their is the Councils ☐.
Everything with housing in Karratha is so expensive including insurance, repairs etc.
So many people are loosing their homes due to lack of money up their.
Our rental runs at a massive loss each year (\$10000 alone this year due to aircon breaking down). People have rentals can't afford to keep them going as it is and only my wife works due to me having a back injury. She is on Perth wages and may have to sell if they go up any more.

Don't put them up. Should come down.

Regards
Brett Roswall
