Subject: Enquiries for City of Karratha

hello i received my council rates estimation. I believe you have it incorrect.
i have a 1 bedroom, 1 bathroom apartment and you have estimated \$2200.
i looked on your website and used your calculation based on the rent (\$425 wk) I recieve and my calculation ended up being just over \$1400.

i live in Perth in a 4x2 house and my council rates cost me \$1400 per year. \$2200 is incredibly steep for a 1 bedroom apartment, with strata its very unaffordable.

thanks

Lia williams
