Dear Mr Adams,

I am writing in response to the rubbish
charges of the kamatha tp.

I work for the Murujuga Ranger Program and we
are based at Dampier in a residential
property - our headquarters.

Approximately once a week we would
travel to the tp and unload ^{rubbish} ~~that~~ - normally
free of charge. Until today.

As a non profit / Aboriginal Corporation, to
incur a \$ 50 minimal charge every tp run
is a fee that I deem unacceptable, given
the service we are providing to the

Esperance Peninsula in conjunction with DPAN
and at times the Shire of Roeborne.

I am writing in request that we have
a ^{waiving} Fee Waiving "entitlement" apply to
our RANGER cars.

Please find my card attached

Regards

Ben Breheny
