SHIRE OF ROEBOURNE

FINANCIAL REPORT

FOR THE YEAR ENDED 30TH JUNE 2010

LOCAL GOVERNMENT ACT 1995 LOCAL GOVERNMENT (FINANCIAL MANAGEMENT) REGULATIONS 1996

STATEMENT BY CHIEF EXECUTIVE OFFICER

The attached financial report of the Shire of Roebourne being the annual financial report and other information for the financial year ended 30th June 2010 are in my opinion properly drawn up to present fairly the financial position of the Shire of Roebourne at 30th June 2010 and the results of the operations for the financial year then ended in accordance with the Australian Accounting Standards and comply with the provisions of the Local Government Act 1995 and the regulations under that Act.

Signed on the

150

day of December

C Longmore

Chief Executive Officer

1. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies which have been adopted in the preparation of this financial report are:

(a) Basis of Preparation

The financial report is a general purpose financial report which has been prepared in accordance with Australian Accounting Standards (as they apply to local governments and not-for-profit entities), other mandatory professional reporting requirements and the Local Government Act 1995 (as amended) and accompanying regulations (as amended).

The report has also been prepared on the accrual basis under the convention of historical cost accounting as modified by the accounting treatment relating to the revaluation of financial assets and liabilities at fair value through profit and loss and certain classes of non-current assets.

Critical Accounting Estimates

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that effect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. The results of this experience and other factors combine to form the basis of making judgements about carrying values of assets and liabilities not readily apparent from other sources. Actual results may differ from these estimates.

(b) The Local Government Reporting Entity

All Funds through which the Council controls resources to carry on its functions have been included in the financial statements forming part of this financial report.

In the process of reporting on the local government as a single unit, all transactions and balances between those funds (for example, loans and transfers between Funds) have been eliminated.

All monies held in the Trust Fund are excluded from the financial statements, but a separate statement of those monies appears at Note 20 to this financial report.

(c) Goods and Services Tax

In accordance with recommended practice, revenues, expenses and assets capitalised are stated net of any GST recoverable. Receivables and payables in the statement of financial position are stated inclusive of applicable GST.

(d) Cash and Cash Equivalents

Cash and cash equivalents in the statement of financial position comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purposes of the Statement of Cash Flows, cash and cash equivalents consist of cash and cash equivalents as defined above, net of outstanding bank overdrafts. Bank overdrafts are included as short-term borrowings in current liabilities on the statement of financial position.

(e) Trade and Other Receivables

Trade receivables, which generally have 30 - 90 day terms, are recognised initially at fair value and subsequently measured at amortised cost using the effective interest rate method, less any allowance for uncollectible amounts.

Collectibility of trade receivables is reviewed on an ongoing basis. Debts that are known to be uncollectible are written off when identified. An allowance for doubtful debts is raised when there is objective evidence that they will not be collectible.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(f) Inventories

General

Inventories are valued at the lower of cost and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months.

Land Held for Resale

Land purchased for development and/or resale is valued at the lower of cost and net realisable value. Cost includes the cost of acquisition, development and interest incurred on the financing of that land during its development. Interest and holding charges incurred after development is complete are recognised as expenses.

Revenue arising from the sale of property is recognised in the statement of comprehensive income as at the time of signing a binding contract of sale.

Land held for resale is classified as current except where it is held as non-current based on Council's intention to release for sale.

(g) Fixed Assets

Initial Recognition

All assets are initially recognised at cost. Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition. For assets acquired at no cost or for nominal consideration, cost is determined as fair value at the date of acquisition. The cost of non-current assets constructed includes the cost of all materials, direct labour and variable and fixed overheads.

Revaluation

Certain asset classes may be revalued on a regular basis such that the carrying values are not materially different from fair value. For infrastructure and other asset classes where no active market exists, fair value is determined to be the current replacement cost of an asset less, where applicable, accumulated depreciation calculated on a basis to reflect the already consumed or expired future economic benefits.

Those assets carried at a revalued amount, being their fair value at the date of revaluation less any subsequent accumulated depreciation and accumulated impairment losses, are to be revalued with sufficient regularity to ensure the carrying amount does not differ significantly from that determined using fair value at balance date.

Land under Roads

In Western Australia, all land under roads is Crown Land, the responsibility for managing which, is vested in the local government.

Effective as at 1 July 2008, Council elected not to recognise any value for land under roads acquired on or before 30 June 2008. This accords with the treatment available in Australian Accounting Standard AASB1051 - Land Under Roads and the fact Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

In respect of land under roads acquired on or after 1 July 2008, as detailed above, Local Government (Financial Management) Regulation 16(a)(i) prohibits local governments from recognising such land as an asset.

Whilst such treatment is inconsistent with the requirements of AASB 1051, Local Government (Financial Management) Regulation 4(2) provides, in the event of such an inconsistency, the Local Government (Financial Management) Regulations prevail.

Consequently, any land under roads acquired on or after 1 July 2008 is not included as an asset of the Council.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(h) Depreciation of Non-Current Assets

All non-current assets having a limited useful life are separately and systematically depreciated over their useful lives in a manner which reflects the consumption of the future economic benefits embodied in those assets.

parks maintenance, Karratha and Roebourne Swimming Pools, coastal rehabilitation, and the Depreciation is recognised on a straight-line basis, using rates which are reviewed each reporting period. Major depreciation rates are:

Artwork/sculptures	2.00%
Buildings	1.80%
Furniture and (Internal) Equipment	22.000/
- Computers and peripherals	32.00%
Other Electronic Equipment Furniture	18.00%
Plant	9.00%
	0.000/
- construction plant (includes prime movers and trailers)	9.00% 15.00%
- construction vehicles (eg trucks)	15.00%
- light commercial vehicles	15.00%
- passenger vehicles Equipment	12.00%
- light plant and (external) equipment	
- , , , , , , , , , , , , , , , , , , ,	42.00%
heavy usage light usage	21.00%
Infrastructure	21.0076
- roads	3.60%
- paths and cycleways	4.80%
- aerodromes	3.60%
- parks and gardens	1.00%
- hardcourt facilities - bitumen surface	3.60%
- concrete base	2.40%
- bridges and culverts	4.80%
- drainage	1.80%
- miscellaneous structures	4.80%
- boat ramps/jetties	6.67%
boat ramporjottios	0.07 /0

Depreciation on each asset is charged to the programme to which the asset principally relates or, where possible, to the activity in which the asset is used.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(h) Depreciation of Non-Current Assets (continued)

For reasons of practicality, the following thresholds have been applied, below which any expenditure on assets is not capitalised:

- Land All purchases are capitalised at cost.
- Artwork/Sculptures All purchases are capitalised at cost.
- Buildings Expenses totalling less than \$1,000 on any building in any one year are not capitalised.
- Furniture and (Internal) Equipment Expenses totalling less than \$1,000 on any one item in any one year are not capitalised.
- Plant and (External) Equipment and Tools Expenses totalling less than \$1,000 on any one item one year are not capitalised.
- Infrastructure Assets Roads Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets Footpaths and Cycleways Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets Aerodrome Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets Parks and Reserves Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets Hardcourt Facilities Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets Bridges and Culverts Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets Drainage Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets Miscellaneous Structures Expenses totalling less than \$2,000 on any one item in any year are not capitalised.
- Infrastructure Assets Boat Ramps/Jetties Expenses totalling less than \$2,000 on any one item in any year are not capitalised.

For assets which, at the time of acquisition, there is a reasonable expectation that they may last for more than one accounting period, but their cost is below the declared thresholds for capitalisation, they are recorded in quantitative terms to ensure a record of ownership and location exists.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(i) Investments and Other Financial Assets

Classification

Council classifies its investments in the following categories: financial assets at fair value through profit or loss, loans and receivables, held-to-maturity investments and available-for-sale financial assets. The classification depends on the purpose for which the investments were acquired. Management determines the classification of its investments at initial recognition and, in the case of assets classified as held-to-maturity, re-evaluates this designation at each balance date.

(i) Financial assets at fair value through profit and loss

Financial assets at fair value through profit or loss are financial assets held for trading. A financial asset is classified in this category if acquired principally for the purpose of selling in the short term. Derivatives are classified as held for trading unless they are designated as hedges. Assets in this category are classified as current assets.

(ii) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are included in current assets, except for those with maturities greater than 12 months after the balance sheet date which are classified as non-current assets. Loans and receivables are included in trade and other receivables in the statement of financial position.

(iii) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed or determinable payments and fixed maturities that the Council's management has the positive intention and ability to hold to maturity. If Council were to sell other than an insignificant amount of held-to-maturity financial assets, the whole category would be tainted and reclassified as available-for-sale. Held-to-maturity financial assets are included in non-current assets, except for those with maturities less than 12 months from the balance date, which are classified as current assets.

(iv) Available-for-sale financial assets

Available-for-sale financial assets, comprising principally marketable equity securities, are non-derivatives that are either designated in this category or not classified in any of the other categories. They are included in non-current assets unless management intends to dispose of the investment within 12 months of the balance sheet date. Investments are designated as available-for-sale if they do not have fixed maturities and fixed or determinable payments and management intends to hold them for the medium to long term.

Recognition and derecognition

Regular purchases and sales of financial assets are recognised on trade-date – the date on which Council commits to purchase or sell the asset. Investments are initially recognised at fair value plus transaction costs for all financial assets not carried at fair value through profit or loss. Financial assets carried at fair value through profit or loss are initially recognised at fair value and transaction costs are expensed in the statement of comprehensive income. Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and Council has transferred substantially all the risks and rewards of ownership.

When securities classified as available-for-sale are sold, the accumulated fair value adjustments recognised in equity are included in the statement of comprehensive income as gains and losses from investment securities.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(i) Investments and Other Financial Assets (Continued)

Subsequent measurement

Loans and receivables and held-to-maturity investments are carried at amortised cost using the effective interest method.

Available-for-sale financial assets and financial assets at fair value through profit and loss are subsequently carried at fair value. Gains or losses arising from changes in the fair value of the financial assets at fair value through profit or loss category are presented in the statement of comprehensive income within other income or other expenses in the period in which they arise. Dividend income from financial assets at fair value through profit and loss is recognised in the statement of comprehensive income as part of revenue from continuing operations when Council's right to receive payments is established. Changes in the fair value of other monetary and non-monetary securities classified as available-for-sale are recognised in equity.

Impairment

Council assesses at each balance date whether there is objective evidence that a financial asset or group of financial assets is impaired. In the case of equity securities classified as available-for-sale, a significant or prolonged decline in the fair value of a security below its cost is considered as an indicator that the securities are impaired. If any such evidence exists for available-for-sale financial assets, the cumulative loss- measured as the difference between the acquisition cost and the current fair value, less any impairment loss on that financial asset previously recognised in profit or loss – is removed from equity and recognised in the statement of comprehensive income on equity instruments classified as available-for-sale are not reversed through the statement of comprehensive income.

(i) Estimation of Fair Value

The fair value of financial assets and financial liabilities must be estimated for recognition and measurement or for disclosure purposes.

The fair value of financial instruments traded in active markets is based on quoted market prices at balance date.

The fair value of financial instruments that are not traded in an active market is determined using valuation techniques. Council uses a variety of methods and makes assumptions that are based on market conditions existing at each balance date. These include the use of recent arm's length transactions, reference to other instruments that are substantially the same, discounted cash flow analysis, and option pricing models making maximum use of market inputs and relying as little as possible on entity-specific inputs.

Quoted market prices or dealer quotes for similar instruments are used for long-term debt instruments held. Other techniques, such as estimated discounted cash flows, are used to determine fair value for the remaining financial instruments.

The nominal value less estimated credit adjustments of trade receivables and payables are assumed to approximate their fair values. The fair value of financial liabilities for disclosure purposes is estimated by discounting the future contractual cash flows at the current market interest rate that is available to the Council for similar financial instruments.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(k) Impairment

In accordance with Australian Accounting Standards the Council's assets, other than inventories, are assessed at each balance date to determine whether there is any indication they may be impaired.

Where such an indication exists, an estimate of the recoverable amount of the asset is made in accordance with AASB 136 'Impairment of Assets' and appropriate adjustments made.

An impairment loss is recognised whenever the carrying amount of an asset or its cash-generating unit exceeds its recoverable amount. Impairment losses are recognised in the statement of comprehensive income.

For non-cash generating assets such as roads, drains, public buildings and the like, value in use is represented by the depreciated replacement cost of the asset.

(I) Trade and Other Payables

Trade and other payables are carried at amortised cost. They represent liabilities for goods and services provided to the Municipality prior to the end of the financial year that are unpaid and arise when the Municipality becomes obliged to make future payments in respect of the purchase of these goods and services. The amounts are unsecured and are usually paid within 30 days of recognition.

(m) Employee Benefits

The provisions for employee benefits relates to amounts expected to be paid for long service leave, annual leave, wages and salaries and are calculated as follows:

(i) Wages, Salaries, Annual Leave and Long Service Leave (Short-term Benefits) The provision for employees' benefits to wages, salaries, annual leave and long service leave expected to be settled within 12 months represents the amount the municipality has a present obligation to pay resulting from employees services provided to balance date. The provision has been calculated at nominal amounts based on remuneration rates the Council expects to pay and includes related on-costs.

(ii) Long Service Leave (Long-term Benefits)

The liability for long service leave is recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match as closely as possible, the estimated future cash outflows. Where Council does not have the unconditional right to defer settlement beyond 12 months, the liability is recognised as a current liability.

Employee benefits are accrued on the basis of numbers of years employed (continuously) in Local Government as follows:

0-1	years	10% of normal accrual
1-2	years	15% of normal accrual
2-3	years	25% of normal accrual
3-4	years	40% of normal accrual
4-5	years	60% of normal accrual
5-6	years	80% of normal accrual
6-7	years	90% of normal accrual
7-10	vears	100% of normal accrual

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(n) Interest-bearing Loans and Borrowings

All loans and borrowings are initially recognised at the fair value of the consideration received less directly attributable transaction costs.

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the effective interest method. Fees paid on the establishment of loan facilities that are yield related are included as part of the carrying amount of the loans and borrowings.

Borrowings are classified as current liabilities unless the Council has an unconditional right to defer settlement of the liability for at least 12 months after balance date.

Borrowing Costs

Borrowing costs are recognised as an expense when incurred except where they are directly attributable to the acquisition, construction or production of a qualifying asset. Where this is the case, they are capitalised as part of the cost of the particular asset.

(o) Provisions

Provisions are recognised when: The council has a present legal or constructive obligation as a result of past events; it is more likely than not that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

(p) Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not legal ownership, are transferred to the company, are classified as finance leases. Finance leases are capitalised recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual value. Leased assets are amortised over their estimated useful lives. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Lease payments under operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

(q) Joint Venture

The municipality's interest in a joint venture has been recognised in the financial statements by including its share of any assets, liabilities, revenues and expenses of the joint venture within the relevant items reported in the statement of financial position and statement of comprehensive income. Information about the joint venture is set out in Note 17.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(r) Rates, Grants, Donations and Other Contributions

Rates, grants, donations and other contributions are recognised as revenues when the local government obtains control over the assets comprising the contributions. Control over assets acquired from rates is obtained at the commencement of the rating period or, where earlier, upon receipt of the rates.

Where contributions recognised as revenues during the reporting period were obtained on the condition that they be expended in a particular manner or used over a particular period, and those conditions were undischarged as at the reporting date, the nature of and amounts pertaining to those undischarged conditions are disclosed in Note 2(c). That note also discloses the amount of contributions recognised as revenues in a previous reporting period which were obtained in respect of the local government's operation for the current reporting period.

(s) Superannuation

The Council contributes to the Local Government Superannuation Scheme and the Occupational Superannuation Fund. Both funds are defined contribution schemes.

Contributions to defined contribution plans are recognised as an expense as they become payable. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

(t) Current and Non-Current Classification

In the determination of whether an asset or liability is current or non-current, consideration is given to the time when each asset or liability is expected to be settled. The asset or liability is classified as current if it is expected to be settled within the next 12 months, being the Council's operational cycle. In the case of liabilities where Council does not have the unconditional right to defer settlement beyond 12 months, such as vested long service leave, the liability is classified as current even if not expected to be settled within the next 12 months. Inventories held for trading are classified as current even if not expected to be realised in the next 12 months except for land held for resale where it is held as non-current based on Council's intentions to release for sale.

(u) Rounding Off Figures

All figures shown in this annual financial report, other than a rate in the dollar, are rounded to the nearest dollar.

(v) Comparative Figures

Where required, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

(w) Budget Comparative Figures

Unless otherwise stated, the budget comparative figures shown in this annual financial report relate to the original budget estimate for the relevant item of disclosure.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(x) New Accounting Standards and Interpretations for Application in Future Periods

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet effective have not been adopted by the Council for the annual reporting period ending 30 June 2010.

Council's assessment of these new standards and interpretations is set out below:

	Title and Topic	Issued	Applicable (*)	Impact
(i)	AASB 9– Financial Instruments	December 2009	01 January 2013	Nil – The objective of this Standard is to improve and simplify the approach for classification and measurement of financial assets compared with the requirements of AASB 139. Given the nature of the financial assets of the Council, it is not anticipated the standard will have any material effect.
(ii)	AASB 124– Related Party Disclosures	December 2009	01 January 2011	Nil – It is not anticipated the Council will have any related parties as defined by the Standard.
(iii)	AASB 2009-5 - Further Amendments to Australian Accounting Standards arising from the Annual Improvements Project [AASB 5, 8, 101, 107, 117, 118, 136 & 139]	May 2009	01 January 2010	Nil – The revisions are part of the AASB's annual improvement project to help ensure consistency with presentation, recognition and measurement criteria of IFRSs. It is not anticipated these will have any effect on the Council.
(iv)	AASB 2009-8 - Amendments to Australian Accounting Standards – Group Cash – Settled Share-based Payment Transactions [AASB 2]	July 2009	01 January 2010	Nil - The Council will not have applicable transactions.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(x) New Accounting Standards and Interpretations for Application in Future Periods (Continued)

	Title and Topic	Issued	Applicable (*)	Impact
(v)	AASB 2009-12 Amendments to Australian Accounting Standards [AASB 5, 8, 108, 110, 112, 119, 133, 137, 139, 1023 & 1031 and Interpretations 2, 4, 16, 1039 & 1052]	December 2009	01 January 2011	Nil – The revisions embodied in this standard relate to standards which do not apply to local government (ie AASB8) or are largely editorial in nature and will have minimal effect (if any) on the accounting practices of the Council.
(vi)	AASB 2009– 11 Amendments to Australian Accounting Standards arising from AASB 9 [AASB 1, 3, 4, 5, 7, 101, 102, 108, 112, 118, 121, 127, 128, 131, 132, 136, 139, 1023 & 1038 and Interpretations 10 & 12)	December 2009	01 January 2013	Nil – The revisions embodied in this standard give effect to the consequential changes arising from the issuance of AASB 9 which is not anticipated to have any material effect on the Council (refer (ii) above).
(vii)	AASB 2009-13 Amendments to Australian Accounting Standards arising from Interpretation 19 [AASB 1]	December 2009	01 July 2010	Nil – None of these amendments will have any effect on the financial report as none of the topics are relevant to the operations of the Council.
	AASB 2010- 1 Amendment to Australian Accounting Standards – Limited Exemption from Comparative AASB 7 Disclosure for First-time Adopters [AASB 1 & AASB 7]	February 2010	01 July 2010	

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(x) New Accounting Standards and Interpretations for Application in Future Periods (Continued)

(vi)	Title and Topic (Continued)	Issued	Applicable (*)	Impact
(,	AASB 2009- 10 Amendments to Australian Accounting Standards – Classification of Rights Issues [AASB132]	October 2009	01 February 2010	Nil – None of these amendments will have any effect on the financial report as none of the topics are relevant to the operations of the Council.
	Interpretation 19– Extinguishing Financial Liabilities with Equity Instruments	December 2009	01 July 2010	
	AASB 2009–14 Amendments to Australian Interpretations – Prepayments of a minimum Funding Requirement [AASB Interpretation 14]	December 2009	01 January 2011	

Notes:

^(*) Applicable to reporting periods commencing on or after the given date.

1. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(y) Adoption of New and Revised Accounting Standards

During the current year, the Council adopted all of the new and revised Australian Accounting Standards and Interpretations which became mandatory and which were applicable to its operations.

The following is an explanation of the impact the adoption of these standards and interpretations has had on the financial statements of the Council.

AASB 101: Presentation of Financial Statements

In September 2007, the Australian Accounting Standards Board revised AASB 101 and as a result, there have been changes to the presentation and disclosure of certain information within the financial statements. Below is an overview of the key changes and the impact on the Council's financial statements.

Disclosure Impact

Terminology changes – The revised version of AASB 101 contains a number of terminology changes, including the amendment of the names of the primary financial statements.

Reporting changes in equity – The revised AASB 101 requires all changes in equity arising from transactions with owners, in their capacity as owners, to be presented separately from non-owner changes in equity. Owner changes in equity are to be presented in the statement of changes in equity, with non-owner changes in equity presented in the statement of comprehensive income. The previous version of AASB 101 required owner changes in equity and other comprehensive income to be presented in the statement of changes in equity.

Statement of comprehensive income – The revised AASB 101 requires all income and expenses to be presented in either a single statement, the statement of comprehensive income, or two statements, a separate income statement and a statement of comprehensive income. The previous version of AASB 101 required only the presentation of a single income statement.

The Council has adopted the single statement approach and the financial statements now contain a statement of comprehensive income.

Other Comprehensive Income – The revised version of AASB 101 introduces the concept of 'other comprehensive income' which comprises income and expenses not recognised in profit or loss as required by other Australian Accounting Standards. Items of other comprehensive income are to be disclosed in the statement of comprehensive income. The previous version of AASB 101 did not contain an equivalent concept.

2. REVENUE AND EXPENSES (Continued)

(b) Statement of Objective

The Shire of Roebourne is dedicated to providing high quality services to the community through the various service orientated programs which it has established.

GOVERNANCE

Functions relating to the Councillors and the running of Council.

Expenditure includes the running of elections, payments of expenses to Councillors and non-statutory donations.

GENERAL PURPOSE FUNDING

Rating and Government Grant Functions.

Includes the financial assistance grant received from the Local Government Grants Commission and all rate income.

LAW, ORDER, PUBLIC SAFETY

Supervision of various by-laws, fire and emergency services, and animal control. Includes expenditure for the Ranger Services, state Emergency Service and also cyclone preparation expenses.

HEALTH

Food control, immunisation services, mosquito control and maintenance of child health centres. Expenditure includes the maintenance of the child health clinic buildings, various health promotions and pest control expenses mainly relating to mosquito control.

EDUCATION AND WELFARE

Maintain preschool facilities and day care centres.

It includes expenditure in maintaining the day care centre buildings and also donations to schools for awards etc.

HOUSING

Maintain staff housing.

COMMUNITY AMENITIES

Rubbish collection services, operation of tip, administration of town planning schemes and operation of cemeteries.

Also included are the costs associated with the maintaining and cleaning of public toilets.

RECREATION AND CULTURE

Maintenance of halls, swimming pool, recreation centres, various reserves and operation of libraries. Expenditure includes the cost of the Karratha Entertainment Centre and other pavilions, ovals and parks maintenance, Karratha and Roebourne Swimming Pools, coastal rehabilitation, and the four libraries.

Expenses relating to the historical town of Cossack, the Walkington Theatre and SBS Television and JJJ radio re-broadcasting are also included in this function.

2. REVENUE AND EXPENSES (Continued)

(b) Statement of Objective

TRANSPORT

Construction and maintenance of roads, drainage, footpaths, parking facilitites, traffic signs and the aerodrome. It includes expenditure for the construction and maintenance of the roads, footpaths and also the expenditure relating to parking control and the operation of the Karratha Airport.

ECONOMIC SERVICES

Tourism and administration of building controls.

Expenditure includes Councils contributions to the Karratha and Roebourne Tourist Bureaux and the Pilbara tourism Association, and the costs associated with building control.

OTHER PROPERTY AND SERVICES

Private works and other unclassified works.

It also includes expenditure relating to plant operations and the Technical Services Division however these costs are then relocated to other functions.

The costs associated with financing and administration are allocated direct to the relevant functions.

All of the cash backed reserve accounts are supported by money held in financial institutions and match the amounts shown as restricted cash in Note 3.

In accordance with council resolutions in relation to each reserve account, the purpose for which the reserves are set aside are as follows:

Aerodrome Reserve

The purpose of this reserve is to fund future developments and maintenance of the airport. Any surplus funds generated by the airport are transferred to this reserve.

Walkington Theatre Operating Reserve

The purpose of this reserve is to fund future capital works at the Walkington Theatre. It is anticipated that these funds will be utilised over the next four years.

Air-Conditioning Reserve

The Council maintains this reserve so that funds are available on an as needs basis for the replacement of major air-conditioning plant.

The funds in this reserve will be utilised by council over an expected period of 10 years.

12. RESERVES - CASH BACKED (Continued)

Plant Replacement Reserve

This reserve is operated in line with a Plant Replacement Schedule and Council Policy to enable the cost of replacing plant to be funded over the course of its useful life.

This reserve is funded by annual allocations from the Municipal Fund.

Dampier Drainage Reserve

This reserve is maintained as a result of an agreement between the Council and Hamersley Iron. The purpose of the reserve is to ensure funds are available for the maintenance of drainage in Dampier. Hamersley Iron pay to the Council each year a \$10,000 contribution towards this maintenance with any additional works required being drawn from this reserve and similarly, any funds remaining unspent being transferred to this reserve.

Infrastructure Reserve

The purpose of this reserve is to fund the replacement of major infrastructure items which includes large buildings and facilities.

It is anticipated that these monies will be utilised in the next two years.

Workers Compensation Reserve

The purpose of this reserve is to provide Council with sufficient funds to cover its potential liability in regard to the performance based workers compensation scheme to which it is a member. This reserve will continue to build up until council is satisfied that sufficient liability is covered. It is likely that the benefits of this reserve will be evident after year 5 of participating in the scheme. This reserve is funded by annual allocations form the Municipal Fund.

Waste Management Reserve

The purpose of this reserve is to fund the replacement and rehabilitation of Waste Management Facilities.

Housing Reserve

The purpose of this reserve is to fund the replacement of staff housing.

This reserve is funded by annual allocations form the Municipal Fund and from sale of Staff Housing.

Parks, Ovals and Recreation Facilities Reserve

The purpose of this reserve is to fund the development/replacement of Parks, Ovals and Recreation Facilities.

It is anticipated that these monies will be utilised in the next year.

Information Technology Reserve

The purpose of this reserve is to fund future major upgrades to Corporate Software and Hardware. As equipment reaches the end of its useful life this Reserve will have sufficient funds to replace it if and when required.

Aged Persons Unit Reserve

This Reserve is in accordance with the joint venture agreement with the Department of Housing and Works for future major maintenance/upgrading of the Aged Persons Units.

Public Open Space Reserve

The purpose of this Reserve is to fund future developments of public open spaces with contributions coming from developers of new subdivisions. The money is to be spent in the locality of the new subdivision.

12. RESERVES - CASH BACKED (Continued)

History & Cultural Publications Reserve

The purpose of this Reserve is to fund future history and cultural publications. The income is generated form the sale of these publications.

Junior Sport Reserve

The purpose of this Reserve is to fund the development of junior sport within the Shire of Roebourne including infrastructure.

Mosquito Control Reserve

The purpose of this Reserve is to fund any future major mosquito control programme.

Medical Services Assistance Package Reserve

The purpose of this Reserve is to fund assistance to Medical Services.

Royalties for Regions Reserve

Unexpended grant revenues from the State Government Royalties for Regions programme.

15. CONTINGENT LIABILITIES

During the financial year, the Shire provided the following Bank Guarantee with the Challenge Bank for the Nor West Jockey Club for their overdraft facility.

	2010	2009
Nor West Jockey Club	Ą	Ð
Amount of original guarantee	65,000	65,000
Amount required as at 30 June 2010	65,000	65,000

15. CAPITAL AND LEASING COMMITMENTS

(a) Operating Lease Commitments

At the reporting date, the local government had the following obligations under non cancellable operating leases (those obligations)	ons are not	
recognised as liabilities):	2010 \$	2009 \$
Payable:	·	
- not later than one year		
Staff Housing Leases	1,093,289	1,028,274
- later than one year but not later than two years		
Staff Housing Leases	312,505	325,430
- later than two years but not later than five years		
Staff Housing Leases	239,514	417,145
- later than five years	0	0
Total Lease Liability	1,645,309	1,770,849

16. CAPITAL AND LEASING COMMITMENTS (Continued)

(c) Capital Expenditure Commitments

At the reporting date the Shire had entered into contracts for the following:

	2010	2009
	\$	\$
Not later than one year		
Information System Upgrade	0	75,000
Staff Housing-Infill Subdivision Works	0	9,200,000

Baynton West Family Centre	9,310,664	730,000
Bulgarra Community Facility	3,400,000	0
	12,710,664	730,000
Later than two years and not later than five years	·	
Leisure and Learning Precinct	0	20,300,000
	0	20,300,000

17. JOINT VENTURE

Council has entered into a joint venture agreement with the State Housing Commission to construct 6 Aged Persons Units. Council will receive rent charged and be responsible for the maintenance and management of the units. An amount equivalent to 1% of the current replacement cost of the properties shall be set aside from the annual rental income, per annum, for the long term maintenance needs of the joint venture properties.

32. MAJOR LAND TRANSACTIONS

Residential Development

(a) Details

Council endorsed the Business Plan for Major Land Transactions titled :

" Purchase, Develop and dispose of Land - Part of Lot 4933, Karratha Reserve 32335 and Lot 837 Clarkson Way Karratha and Part of Lot 4655 Karratha Reserve 40041" and authorised proceedings with the purchase, development and sale of said land at the Ordinary Council Meeting of 16 June 2009 resolution number 14389.

The plan provided for the development of 21 freehold lots to be utilised for staff housing, 2 lots for GPs under the Medical Services Package and the remaining 9 lots to be disposed of in accordance with s3.58(2) of the Local Government Act 1995.

Development of the lots was completed in 2009/10.

2010/11 Transactions

The Council had 9 lots available for sale in accordance with the 2009/10 business plan. Two of the lots are subject to Native Land Title and will not be transferred to the Council if clearance cannot be secured. Four lots were sold in the 2009/10 year. There are three lots remaining for sale in the 2010/11 budget as described below. The net proceeds from sale of these lots are being utilised for POS developement, specifically the redevelopment of Cattrall Park.

(b) Current year transactions	2010 \$	2010 Budget \$	2009 \$
Operating Revenue - Profit on sale	1,521,713	1,172,800	0
Capital Revenue - Sale Proceeds - 4 Lots Teesdale - Sale Proceeds - 3 Lots Clarkson	1,847,273	960,000	0
	0	720,000	0
Capital Expenditure - Purchase of Land - Development Costs	0	0	37,370
	49,308	507,200	456,507
	49,308	507,200	493,877

The above capital expenditure is included as land held for resale (refer Note 5).

There are no liabilities in relation to this land transaction as at 30 June 2010.

Equity	(32,178)	14,212

34. FINANCIAL RISK MANAGEMENT

Council's activities expose it to a variety of financial risks including price risk, credit risk, liquidity risk and interest rate risk. The Council's overall risk management focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the Council.

Council does not engage in transactions expressed in foreign currencies and is therefore not subject to foreign currency risk.

Financial risk management is carried out by the finance area under policies approved by the Council.

The Council held the following financial instruments at balance date:

	Carrying Value		Fair V	/alue
	2010	2009	2010	2009
	\$	\$	\$	\$
Financial Assets				
Cash and cash equivalents	63,861,968	60,057,558	63,861,968	60,057,558
Receivables	9,489,409	7,168,478	9,489,409	7,168,478
	73,351,377	67,226,036	73,351,377	67,226,036
Financial Liabilities				
Payables	5,385,142	5,536,730	5,385,142	5,536,730
Borrowings - Short Term	18,188,611	19,916,648	18,188,611	19,916,648
Borrowings - Long Term	2,546,614	0	2,546,614	0
	23,573,753	25,453,378	23,573,753	25,453,378

Fair value is determined as follows:

- Cash and Cash Equivalents, Receivables, Payables estimated to the carrying value which approximates net market value.
- Borrowings estimated future cash flows discounted by the current market interest rates applicable to assets and liabilities with similar risk profiles.

34. FINANCIAL RISK MANAGEMENT (Continued)

(a) Cash and Cash Equivalents

Council's objective is to maximise its return on cash and investments whilst maintaining an adequate level of liquidity and preserving capital. The finance area manages the cash portfolio.

Council has an investment policy and the policy is subject to review by Council. A Cash Report is provided to Council on a monthly basis setting out the make-up and performance of the portfolio.

Cash is also subject to interest rate risk – the risk that movements in interest rates could affect returns.

Another risk associated with cash credit risk – the risk that a contracting entity will not complete its obligations under a financial instrument resulting in a financial loss to Council.

Council manages these risks by depositing funds with major banking institutions.

	30-Jun-10 \$	30-Jun-09 \$
Impact of a 1% (*) movement in interest rates on cash and investments:		
- Equity - Income Statement	631,032 631,032	600,000 600,000

Notes:

(*) Sensitivity percentages based on management's expectation of future possible market movements.

Recent market volatility has seen large market movements for certain types of investments.

34. FINANCIAL RISK MANAGEMENT (Continued)

(b) Receivables

Council's major receivables comprise rates and annual charges and user charges and fees. The major risk associated with these receivables is credit risk – the risk that the debts may not be repaid. Council manages this risk by monitoring outstanding debt and employing debt recovery policies. It also encourages ratepayers to pay rates by the due date through incentives.

Credit risk on rates and annual charges is minimised by the ability of Council to recover these debts as a secured charge over the land – that is, the land can be sold to recover the debt. Council is also able to charge interest on overdue rates and annual charges at higher than market rates, which further encourages payment.

The level of outstanding receivables is reported to Council monthly and benchmarks are set and monitored for acceptable collection performance.

Council makes suitable provision for doubtful receivables as required and carries out credit checks on most non-rate debtors.

There are no material receivables that have been subject to a re-negotiation of repayment terms.

The profile of the Council's credit risk at balance date was:

	30-Jun-10	30-Jun-09
Percentage of Rates and Annual Charges		
- Current - Overdue	0% 100%	43% 57%
Percentage of Other Receivables		
- Current - Overdue	82% 18%	79% 21%

34. FINANCIAL RISK MANAGEMENT (Continued)

(c) Payables

Borrowings

Payables and borrowings are both subject to liquidity risk – that is the risk that insufficient funds may be on hand to meet payment obligations as and when they fall due. Council manages this risk by monitoring its cash flow requirements and liquidity levels and maintaining an adequate cash buffer. Payment terms can be extended and overdraft facilities drawn upon if required.

The contractual undiscounted cash flows of Council's Payables and Borrowings are set out in the Liquidity Sensitivity Table below:

	Due Due within betwee 1 year 1 & 5 yea		Due after 5 years	Total contractual cash flows	Carrying values	
2012	\$	\$	\$	\$	\$	
<u>2010</u>						
Payables	5,385,142	0	0	5,385,142	5,385,142	
Borrowings - Short Term	2,546,614	0	0	0	0	
Borrowings - Long Term	235,871	10,725,670	10,649,339	21,610,880	18,188,611

	8,337,360	11,055,013	12,664,459	32,056,832	25,453,378	

34. FINANCIAL RISK MANAGEMENT (Continued)

(c) Borrowings (Continued)

Borrowings are also subject to interest rate risk – the risk that movements in interest rates could adversely affect funding costs. Council manages this risk by borrowing long term and fixing the interest rate to the situation considered the most advantageous at the time of negotiation.

The following tables set out the	the carrying amount, by maturity, of the financial instruments exposed to interest rate risk:						Weighted Average Effective	
	<1 year \$	>1<2 years \$	>2<3 years \$	>3<4 years \$	>4<5 years \$	>5 years \$	Total \$	Interest Rate

INDEPENDENT AUDIT REPORT TO THE ELECTORS OF THE SHIRE OF ROEBOURNE

Report on the Financial Report

We have audited the accompanying financial report of the Shire of Roebourne, which comprises the Statement of Financial Position as at 30 June 2010 and the Statement of Comprehensive Income by nature or type, Statement of Comprehensive Income by program, Statement of Changes in Equity, Statement of Cash flows, Rate Setting Statement for the year ended on that date and a summary of significant accounting policies and other explanatory notes.

Council's Responsibility for the Financial Report

Council is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations), the Local Government Act 1995 (as amended) and the Local Government (Financial Management) Regulations 1996 (as amended). This responsibility includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Council, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.

Auditor's Opinion

In our opinion, the financial report of the Shire of Roebourne is in accordance with the Local Government Act 1995 (as amended) and the Local Government (Financial Management) Regulations 1996 (as amended), including:

- a giving a true and fair view of the Shire's financial position as at 30 June 2010 and of its performance for the year ended on that date; and
- complying with Australian Accounting Standards (including the Australian Accounting Interpretations),
 the Local Government Act 1995 (as amended) and the Local Government (Financial Management)
 Regulations 1996 (as amended).

INDEPENDENT AUDIT REPORT TO THE ELECTORS OF THE SHIRE OF ROEBOURNE (continued)

Other Matters

In accordance with the Local Government (Audit) Regulations 1996, we also report that:

- a) There are no matters that in our opinion indicate significant adverse trends in the financial position or the financial management practices of the Shire.
- b) No matters indicating non-compliance with Part 6 of the Local Government Act 1995 (as amended), the Local Government (Financial Management) Regulations 1996 (as amended) or applicable financial controls of any other written law were noted during the course of our audit.
- c) All necessary information and explanations were obtained by us.
- d) All audit procedures were satisfactorily completed in conducting our audit.
