

ORDINARY COUNCIL MEETING

MINUTES

**The Ordinary Meeting of Council was held
in the Council Chambers, Welcome Road, Karratha,
on Monday, 25 July 2022**

A handwritten signature in black ink, appearing to read "Chris Adams", is positioned above a horizontal line.

**CHRIS ADAMS
CHIEF EXECUTIVE OFFICER**

No responsibility whatsoever is implied or accepted by the City of Karratha for any act, omission or statement or intimation occurring during Council or Committee Meetings. The City of Karratha disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement or intimation occurring during Council or Committee Meetings.

Any person or legal entity who acts or fails to act in reliance upon any statement, act or omission made in a Council or Committee Meeting does so at that persons or legal entity's own risk.

In particular, and without derogating in any way from the broad disclaimer above, in any discussion regarding any planning application or application for a license, any statement or intimation of approval made by any member or Officer of the City of Karratha during the course of any meeting is not intended to be and is not taken as notice of approval from the City of Karratha.

The City of Karratha warns that anyone who has any application lodged with the City of Karratha must obtain and should only rely on

WRITTEN CONFIRMATION

of the outcome of the application, and any conditions attaching to the decision made by the City of Karratha in respect of the application.

Signed: 
Chris Adams - Chief Executive Officer

DECLARATION OF INTERESTS (NOTES FOR YOUR GUIDANCE) (updated 13 March 2000)

A member who has a **Financial Interest** in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest:

- (a) In a written notice given to the Chief Executive Officer before the Meeting or;
- (b) At the Meeting, immediately before the matter is discussed.

A member, who makes a disclosure in respect to an interest, must not:

- (c) Preside at the part of the Meeting, relating to the matter or;
- (d) Participate in, or be present during any discussion or decision-making procedure relative to the matter, unless to the extent that the disclosing member is allowed to do so under Section 5.68 or Section 5.69 of the *Local Government Act 1995*.

NOTES ON FINANCIAL INTEREST (FOR YOUR GUIDANCE)

The following notes are a basic guide for Councillors when they are considering whether they have a **Financial Interest** in a matter. I intend to include these notes in each agenda for the time being so that Councillors may refresh their memory.

1. A Financial Interest requiring disclosure occurs when a Council decision might advantageously or detrimentally affect the Councillor or a person closely associated with the Councillor and is capable of being measure in money terms. There are exceptions in the *Local Government Act 1995* but they should not be relied on without advice, unless the situation is very clear.
2. If a Councillor is a member of an Association (which is a Body Corporate) with not less than 10 members i.e. sporting, social, religious etc), and the Councillor is not a holder of office of profit or a guarantor, and has not leased land to or from the club, i.e., if the Councillor is an ordinary member of the Association, the Councillor has a common and not a financial interest in any matter to that Association.
3. If an interest is shared in common with a significant number of electors or ratepayers, then the obligation to disclose that interest does not arise. Each case needs to be considered.
4. If in doubt declare.
5. As stated in (b) above, if written notice disclosing the interest has not been given to the Chief Executive Officer before the meeting, then it **MUST** be given when the matter arises in the Agenda, and immediately before the matter is discussed.
6. Ordinarily the disclosing Councillor must leave the meeting room before discussion commences. The **only** exceptions are:
 - 6.1 Where the Councillor discloses the **extent** of the interest, and Council carries a motion under s.5.68(1)(b)(ii) or the *Local Government Act*; or
 - 6.2 Where the Minister allows the Councillor to participate under s5.69 (3) of the *Local Government Act*, with or without conditions.

INTERESTS AFFECTING IMPARTIALITY

DEFINITION: *An interest that would give rise to a reasonable belief that the impartiality of the person having the interest would be adversely affected, but does not include an interest as referred to in Section 5.60 of the 'Act'.*

A member who has an **Interest Affecting Impartiality** in any matter to be discussed at a Council or Committee Meeting, which will be attended by the member, must disclose the nature of the interest;

- (a) in a written notice given to the Chief Executive Officer before the Meeting; or
- (b) at the Meeting, immediately before the matter is discussed.

IMPACT OF AN IMPARTIALITY CLOSURE

There are very different outcomes resulting from disclosing an interest affecting impartiality compared to that of a financial interest. With the declaration of a financial interest, an elected member leaves the room and does not vote.

With the declaration of this new type of interest, the elected member stays in the room, participates in the debate and votes. In effect then, following disclosure of an interest affecting impartiality, the member's involvement in the Meeting continues as if no interest existed.

9 EXECUTIVE SERVICES

Cr Long declared an impartiality interest in item 9.1 North West Defence Alliance as Cr Long is the Chair of the North West Defence Alliance. Cr Long did not leave the room as the disclosure did not restrict his ability to vote on this matter.

9.1 NORTH WEST DEFENCE ALLIANCE

File No:	GR.109
Responsible Executive Officer:	Chief Executive Officer
Reporting Author:	EA to CEO & Mayor
Date of Report:	15 July 2022
Applicant/Proponent:	Nil
Disclosure of Interest:	Nil
Attachment(s):	Nil

PURPOSE

For Council to consider a financial contribution for membership to the North West Defence Alliance for the 2022/23 financial year.

BACKGROUND

The North West Defence Alliance (NWDA) is made up of nine (9) local governments in the region being the Shire of Ashburton, Shire of Broome, Shire of Derby-West Kimberley, Shire of East Pilbara, Shire of Exmouth, Shire of Halls Creek, City of Karratha, Town of Port Hedland and the Shire of Wyndam-East Kimberley.

The purpose of the Alliance is to lobby State and Federal Government to work towards a bigger military presence to deter potential threats from directing aggression at local gas and mining assets.

The Mayor is currently chair of the NWDA and the City has been holding membership funds in trust on behalf of the Alliance for the 2021/22 financial year and will continue to do so until such time as the Alliance become an incorporated association with its own bank account.

All nine (9) member local governments have been requested to contribute \$5,000 towards membership for the 2022/23 financial year.

LEVEL OF SIGNIFICANCE

In accordance with Council policy CG-8 Significant Decision Making policy, this matter is considered to be of low significance in terms of Council's ability to perform its role.

STATUTORY IMPLICATIONS

Section 6.8(1)(b) of the *Local Government Act 1995* provides that a local government is not to incur expenditure from its municipal fund for an additional purpose except where the expenditure is authorised in advance by resolution (by absolute majority).

COUNCILLOR/OFFICER CONSULTATION

No Councillor or Officer consultation is required.

COMMUNITY CONSULTATION

No community consultation is required.

POLICY IMPLICATIONS

There are no policy implications.

FINANCIAL IMPLICATIONS

If Council resolves to contribute \$5,000 for membership for the 2022/23 Financial year, while the amount is not currently budgeted for the amount is immaterial to the overall 2022/23 budget.

STRATEGIC IMPLICATIONS

There are no strategic implications.

RISK MANAGEMENT CONSIDERATIONS

There are no risk management considerations applicable.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

The Pilbara Regional Council contributed on behalf of the four Pilbara local governments in 2021/22.

VOTING REQUIREMENTS

Absolute Majority.

OPTIONS:

Option 1

As per Officer's recommendation.

Option 2

That Council by ABSOLUTE Majority pursuant to Section 6.8 of the *Local Government Act 1995* RESOLVES to NOT CONTRIBUTE to the North West Defence Alliance membership contribution of \$5,000.

CONCLUSION

Seeking financial contribution to continue to be a member of the North West Defence Alliance.

OFFICER'S RECOMMENDATION / COUNCIL RESOLUTION

Res No : 155039
MOVED : Cr Gillam
SECONDED : Cr McNaught

That Council by ABSOLUTE Majority pursuant to Section 6.8 of the *Local Government Act 1995* RESOLVES to APPROVE a budget of \$5,000 for membership of the North West Defence Alliance.

10 CORPORATE SERVICES

10.1 FINANCIAL STATEMENT FOR PERIOD ENDED 31 MAY 2022

File No:	FM.19
Responsible Executive Officer:	Director Corporate Services
Reporting Author:	Corporate Accountant
Date of Report:	6 July 2022
Applicant/Proponent:	Nil
Disclosure of Interest:	Nil
Attachment(s):	Nil

PURPOSE

To provide a summary of Council's financial position for the period ending 31 May 2022.

BACKGROUND

The following table is a summary of the Financial Activity Statement Report compared to the Budget as at 31 May 2022:

2021/22	Original Budget	Amended Budget	Year to Date Budget	Year To Date Actual	YTD Variance	Variance %	Impact on Surplus
Operating Revenue (incl. Rates)	117,030,278	118,298,560	104,168,969	106,764,393	2,595,424	2.5%	⬆️
Operating Expense	(102,389,817)	(104,559,397)	(93,352,112)	(89,946,132)	3,405,980	-3.6%	⬆️
Non Operating Revenue	36,511,606	24,263,882	10,496,038	8,030,608	(2,465,430)	-23.5%	⬇️
Non Operating Expense	(72,032,517)	(58,815,473)	(33,165,562)	(24,415,421)	8,750,141	-26.4%	⬆️
Non Cash Items Included	17,082,836	20,285,235	18,525,642	18,532,537	6,895	0.0%	
Restricted Surplus BFWD 20/21	298,260	248,516	248,516	248,516	0	0.00%	
Unrestricted Surplus BFWD 20/21	3,653,875	452,221	452,221	452,221	0	0.00%	
Restricted Surplus CFWD	150,000	124,258	124,258	124,258	0	0.00%	
Surplus/(Deficit) 21/22	4,521	49,286	7,249,454	19,542,464	12,293,010		

This table shows a surplus position of \$19.5m, a positive variance of \$12.2m compared to the budgeted surplus position of \$7.2m, which reflects timing of transactions associated with projects and grant funding.

The restricted balance referred to in the preceding table and throughout this report comprises of Pilbara Underground Power (PUPP) Service Charges levied in 2014/15, which are subject to the 10-year instalment option offered by Council.

At its June meeting, Council resolved to adopt the June 2022 Final Forecast. The amendments to budget adopted as part of this review are not reflected in this report but will be reflected in the financial statements for the period ending 30 June 2022 presented at the August 2022 meeting of Council.

The following variances contribute significantly to the total YTD variance shown in the above table.

Operating Income		
1,946,878	▲	Variance relates to advance payment of 2022/23 Financial Assistance and Local Road Grants - To be transferred to Reserve prior to year end
532,756	▲	Sale of developed lots at Hancock Way - Proceeds received; Realisation to be processed by EOFY
500,000	▲	Grant funding from Department of Communities for refurbishment of Service Worker Accommodations - Received earlier than anticipated
410,055	▲	The Quarter - Additional rent for new leases plus operating income to offset additional operating costs
312,075	▲	Contaminated and liquid waste disposal fees higher than anticipated. Addressed at Final Forecast
291,000	▲	Woodside Community Partnership Agreement Funding - To be reallocated to various Liveability accounts in June
241,914	▲	KLP - Improved income performance in both fitness centre and aquatics - Adjusted at Final Forecast
4,234,679	▲	Positive Variance
750,000	▼	Profit on sale - 3 Residential Houses – 2 properties sold but settlement not finalised.
604,178	▼	KRMO Redevelopment, Change Room LRCIP Phase Two and Club Room LRCIP Phase Three part payment now likely FY 2022/ 23.
302,090	▼	Bayly Avenue Local Roads & Community Infrastructure Program - Grant funding expected to be received in June
265,829	▼	Airport reimbursement recoverable - Majority of variance relates to security charges being reinstated from January as DACS funding was finalised in December 2021
248,882	▼	Ovals - Variance relates to funds received in FY 20/21 in Public Open Space Reserve until required.
2,170,979	▼	Negative Variance
2,063,700	▲	Net Positive Variance
Operating Expenditure		
1,258,616	▲	Cell 0 Capping/Closure - Variance due to material delays. Addressed at final forecast
918,395	▲	Works and Technical Services - Variance relates to overhead recovery allocations, timing variance of underlying costs. Net to nil across organisation
491,908	▲	Fleet - Recovery for plant operational costs higher than anticipated due to reactive repairs on critical heavy plant items
565,906	▲	Town Street, Footpath and Kerb Maintenance - Program have been disrupted due to inclement weather
375,630	▲	ICT Software, Network & Licenses - \$25k cost savings in Intramaps, \$120k savings on NBN installation & \$65k procurement not proceeding this FY
373,818	▲	Workers compensation claims - Timing variance
287,840	▲	GRV Valuation - Contractor's invoice anticipated to be received in July
264,416	▲	ERP Development tracking under budget due to planned award interpreter implementation not proceeding this FY & delay in planned data migration platform & operational support
4,536,529	▲	Positive Variance
362,139	▼	Landfill Operations - Higher salary and overhead than forecast. Increase in plant operating cost addressed in final forecast
351,099	▼	Karratha Golf Course Redevelopment - Grassing of The Greens - Budget funds from golf course account to cover works. Addressed at final forecast
272,294	▼	The Quarter - Additional operating costs offset by operating income recovery
985,532	▼	Negative Variance
3,550,997	▲	Net Positive Variance
Non Operating Revenue		
703,117	▲	Reserve transfer for Dampier Boat Ramp renewal. Transfer in line with actual expenditure.
280,452	▲	Reserve transfer for Bayview Road Stage 6B. Transfer in line with actual expenditure. Budget to be adjusted at final forecast.
100,646	▲	Reserve transfer for Road renewals. Transfer in line with actual expenditure.
1,084,215	▲	Positive Variance
1,500,000	▼	Proceeds on Sale - Staff Housing - Properties are on the market but have not been sold yet
1,090,252	▼	Reserve transfer for Kevin Richards Oval Expenditure. Transfer in line with actual expenditure.
508,657	▼	Proceeds from sale of developed lots at Hancock Way – Sales below forecast.
300,000	▼	Reserve transfer relating to Dampier Shopping Centre Loan to Scope. Timing of reserve transfer to actuals.
100,000	▼	Landfill operations - Proceeds on sale of plant - Received in June
3,498,909	▼	Negative Variance

(2,414,694)	▼	Net Negative Variance
Non Operating Expenditure		
2,602,981	▲	Strategic Land Acquisition - Delayed by State Government - \$1.57m due June 2022
2,471,907	▲	Transfer to Partnership Reserve - Transfer to occur at EOFY
1,404,996	▲	Kevin Richards club room construction started in May 2022. Cashflow timing addressed at final forecast
669,892	▲	KLP Solar installation works progressing however slight delay with delivery and installation of materials on site impacting the timing of the contractor progress claim.
551,299	▲	Plant purchases - Timing difference - Invoices received in June
392,556	▲	IT Services - Furniture & Equipment - Delayed due to hardware availability
212,830	▲	Airport Terminal Air Conditioning delayed due to supply chain issues.
8,306,461	▲	Positive Variance
291,442	▼	City Housing Development Agreement with GBSC Yurra - 4 of 9 dwellings are now complete. Works progressing on site with the 5 dwellings at Mayo Court currently at the "lock-up" stage and expected to be completed in July 2022
291,442	▼	Negative Variance
8,015,019	▲	Net Positive Variance

FINANCIAL MANAGEMENT SUMMARY

Local Government Financial Ratios

Period End 31 May 2022	Target Ratio	Original Annual Budget Ratio	YTD Actual Ratio
Current Ratio Current Assets less Restricted Assets ÷ Current Liabilities less liabilities associated with Restricted assets	1 or above	N/A	5.1
Asset Sustainability Ratio Capital Renewal and Replacement Expenditure ÷ Depreciation	≥ 0.90	0.88	0.51
Operating Surplus Ratio Operating Surplus (excl. capital grants & contributions) ÷ Own Source Revenue	0 – 15%	6.5%	16.5%
Own Source Revenue Ratio Own Source Operating Revenue ÷ Operating Expenses	0.40 or above	0.89	0.98
Debt Service Cover Ratio Operating surplus before interest expense and depreciation ÷ Principal and interest Expense	> 2	68.7	727.0

Statement of Financial Position

	2022 May	2022 April	% change
Current			
Assets	103,171,353	105,335,281	-2.05%
Liabilities	11,509,394	11,093,989	3.74%
Non Current			
Assets	712,231,149	712,290,301	-0.01%
Liabilities	15,665,705	15,678,637	-0.08%
Net Assets	788,227,403	790,852,956	

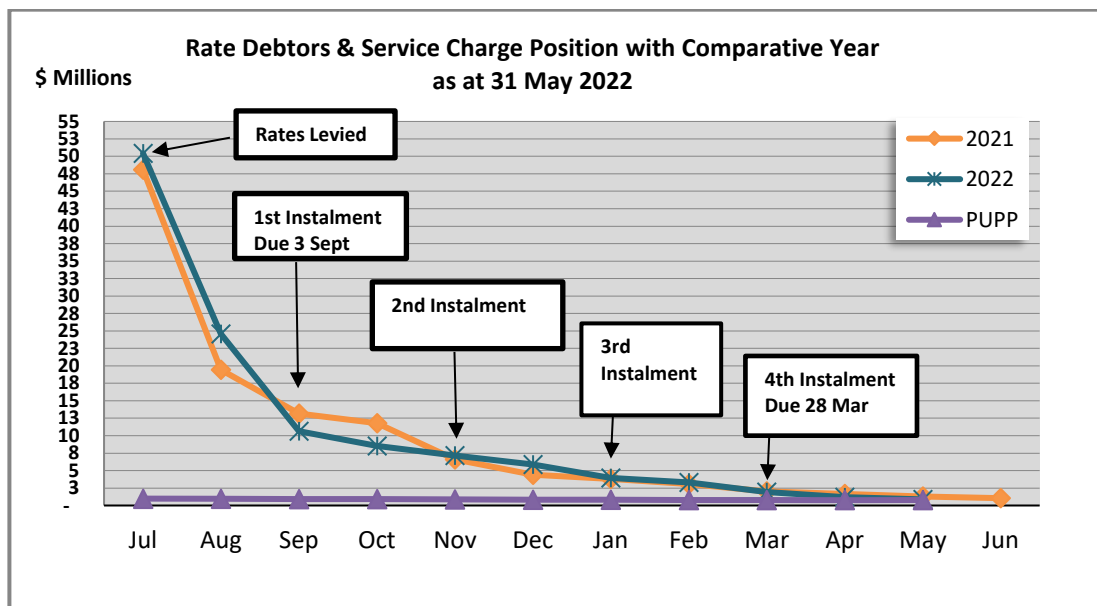

Current Assets decreased by 2.05% from April to May due to collection of rates and other receivables. Current Liabilities increased by 3.74% due to increase of trade and other payables. Non-Current Assets decreased by 0.01% which was attributable to accumulated depreciation. Non-Current Liabilities decreased by 0.08% due to decrease of non current lease liability.

Debtors Schedule

The following table shows Trade Debtors that have been outstanding over 40, 60 and 90 days at the end of May. The table also includes total Rates and PUPP Service Charges outstanding.

Debtors Schedule				
	2022 May	2022 April	Change %	Current Total
Sundry Debtors				
Current	4,153,370	5,813,919	-29%	70.9%
> 40 Days	394,614	490,766	-20%	6.7%
> 60 Days	45,922	217,767	-79%	0.8%
> 90 Days	1,266,068	1,248,207	1%	21.6%
Total	5,859,974	7,770,658	-25%	100%
Rates Debtors				
Total	876,590	1,201,874	-27%	100%
PUPP Debtors				
Total	763,727	762,569	0.2%	100%

A total of \$51.1m of Rates (including ESL and waste charges) have been paid to end of May, representing a collection rate of 98.3% to date.

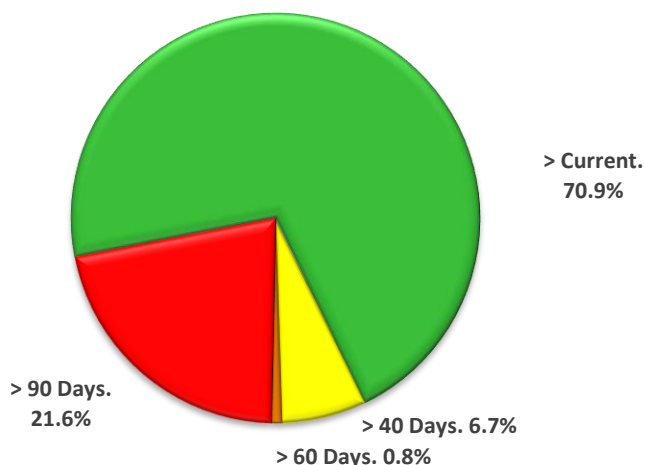

There was a decrease of 0.2% from April in the PUPP Debtors balance. PUPP payments have now been received on 99.85% of properties and of those paid, 98.27% have paid in full with 1.57% paying by instalments.

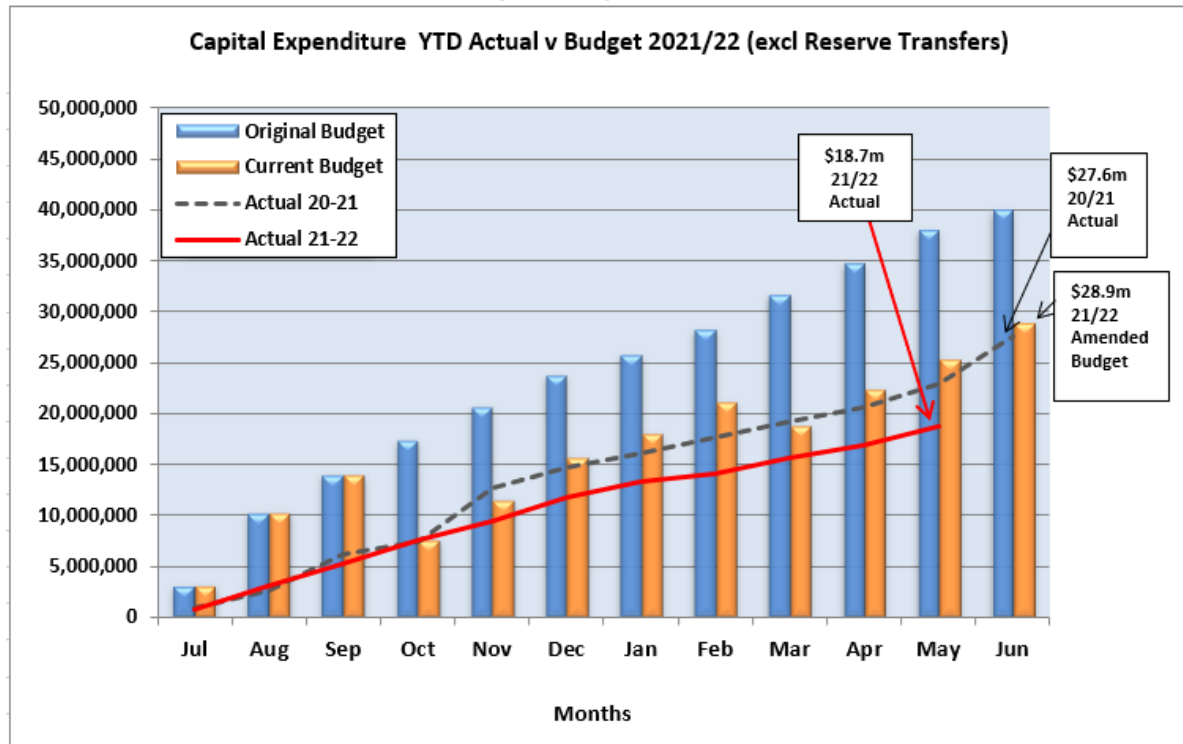

Collection of outstanding debts greater than 40 days is continuing in line with Council policy. The following table highlights outstanding balances for each ageing period for Trade Debtor balances in excess of \$5,000.

Code	Name	40 Days	60 Days	Over 90 Days	Commentary
S336	City Of Wanneroo	7,097.37	0.00	0.00	Relates to reimbursement of Long Service Leave. Reminder phone call made 23/06/22.
F138	Frank Smith	0.00	0.00	41,593.20	Demolition costs due to uninhabitable dwelling. At the Feb 2019 OCM Council resolved to take possession and sell the property. Defendant denied liability. Summary Judgement awarded 11/03/22. Next steps for recovery are currently being assessed.
F174	Flex Cafe	0.00	3,219.40	23,281.61	Relates to monthly rent at KLP Café for Sep 2021 - May 2022 and utility fees for Jul 2021 - Feb 2022, grease trap removals and annual food inspection fees. Payment arrangement is currently in default and a Breach Notice was issued in early Aug 2021. Communication is ongoing to reach an agreed payment plan.
J101	Karratha Skip Bin Hire Pty Ltd	0.00	35.22	6,667.13	Waste disposal fees for Oct - Dec 2020 plus interest charges. Account is currently cash only. Most recent payment received in Apr 2021. Referred to Debt Collection and Letter of Demand issued in May 2021. Communication with the debtor indicated balance to be paid by Dec 2021 over multiple instalments, however no payments received. Further legal action being considered.
K078	Karratha Sporting & Recreation Club Inc	4,715.94	4,582.09	10,454.35	Relates to Jan - Mar 22 electricity invoices and penalty interest. Ongoing discussions with club in regard to a suitable payment arrangement.
K363	Karratha Women's Place Inc	10,135.41	0.00	0.00	Relates to rent for lease at Lot 3897 Teesdale Place, Millars Well. Reminder email sent 23/06/22, followed by phone call 04/07/22.
M379	Move Your Body Studio	0.00	4,786.08	10,339.29	Relates to rent and utility charges for lease at Pam Buchanan Family Centre for Dec 2021 - May 2022, electricity Dec 2021 - Mar 2022. City has received advice from MYB that they will be entering into voluntary administration. No further updates from Move Your Body and email has been disconnected.
B424	Noel Bartholomew	0.00	339.74	61,483.34	Relates to remedial works carried out at residential address and related admin fees. Next steps for recovery are currently being assessed.

May 2022 - Outstanding Sundry Debtors

Capital Expenditure

Council's 2021/22 current Capital Expenditure amended budget is \$28.9m which includes significant projects such as: housing and land development, Leisureplex solar initiative, Murujuga National Park access road, Kevin Richards Memorial Oval redevelopment and the Dampier Boat Ramp redevelopment. The following table shows capital expenditure is 25.8% below budget for the year to date.

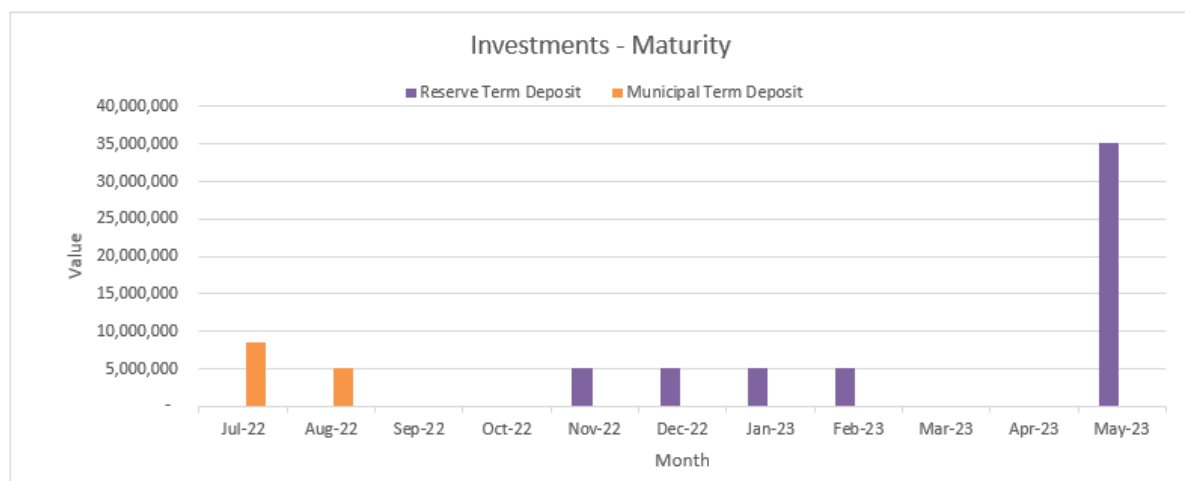

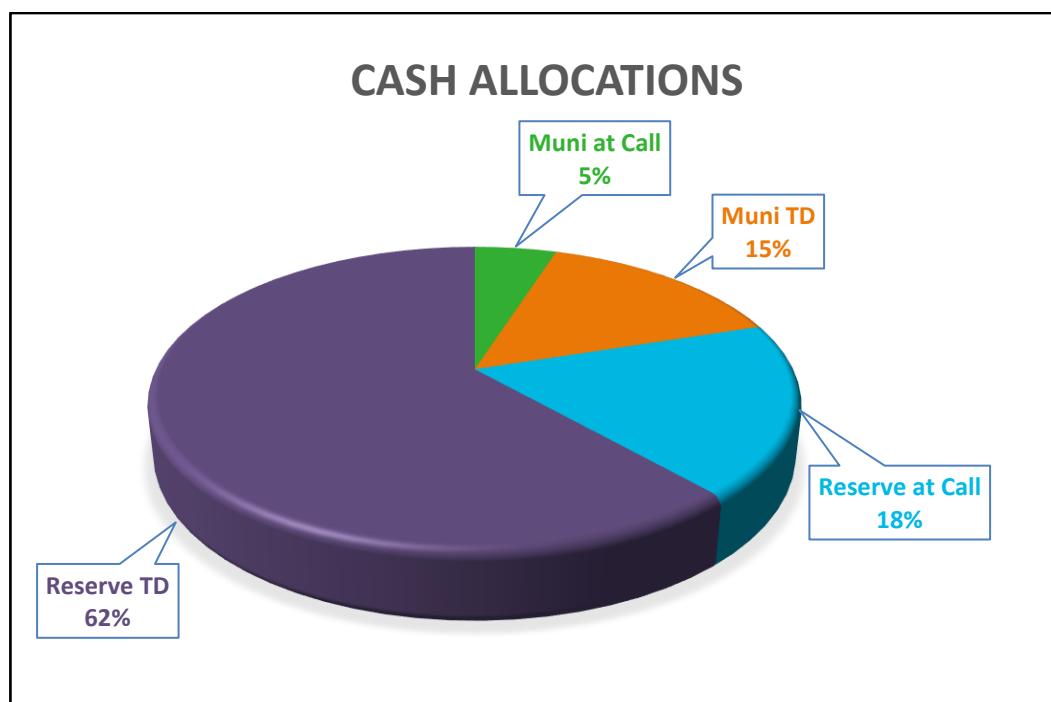

CAPITAL EXPENDITURE						
Asset Class	YTD			ANNUAL		
	YTD Budget	YTD Actual	Variance %	Annual Original Budget	Annual Amend Budget	% of Annual Budget
	31-May-22			30-Jun-22		
Land	4,658,385	2,044,497	-56.11%	4,555,996	4,658,385	-56%
Artwork	205,000	38,164	-81.38%	208,333	205,000	19%
Buildings	9,190,352	7,101,917	-22.72%	11,688,008	11,758,726	60%
Equipment	997,251	1,021,540	2.44%	1,122,907	1,347,251	76%
Furn & Equip	1,212,723	706,379	-41.75%	730,317	1,299,723	54%
Plant	1,766,834	1,222,659	-30.80%	1,892,460	1,806,834	68%
Infrastructure	7,290,214	6,648,304	-8.81%	19,830,274	7,902,340	84%
Totals	25,320,759	18,783,460	-25.8%	40,028,295	28,978,259	65%

Further detail on these variances is included later in this report in the variance commentary by Program in the Statement of Financial Activity.

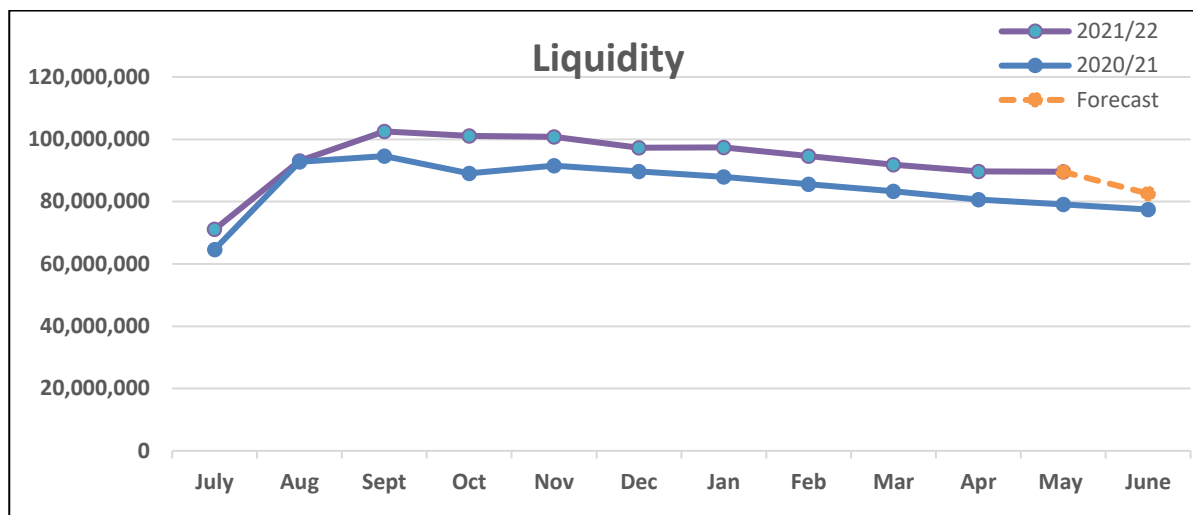

Cash and Financial Investments

The following table indicates the financial institutions where the City has investments as of 31 May 2022.

Institution	Accounts	Principal Investment \$	Balance 31 May 2022 \$	Interest %	Investment Term	Maturity
RESERVE FUNDS						
WBC	Business Premium Cash Reserve		16,573,098	0.81	At Call	
CBA	Reserve Term Deposit	5,000,000	5,007,729	2.17	6 months	Nov-22
CBA	Reserve Term Deposit	5,000,000	5,008,334	2.34	7 months	Dec-22
CBA	Reserve Term Deposit	5,000,000	5,008,940	2.51	8 months	Jan-23
CBA	Reserve Term Deposit	5,000,000	5,009,545	2.68	9 months	Feb-23
CBA	Reserve Term Deposit	35,000,000	35,076,789	3.08	12 months	May-23
MUNICIPAL FUNDS						
BOQ	Municipal Term Deposit	3,500,000	3,507,537	0.60	6 months	Jul-22
NAB	Municipal Term Deposit	5,000,000	5,004,932	0.75	3 months	Jul-22
NAB	Municipal Term Deposit	5,000,000	5,005,786	0.88	4 months	Aug-22
WBC	Municipal (Transactional)		4,379,991	0.00	At Call	
N/A	Cash on Hand		13,282			
TOTAL		68,500,000	89,595,963			

The RBA official cash rate (overnight money market interest rate) increased by 25 basis points to 35 basis points during the month of May. As a result, Municipal Funds held in the Westpac Bank transaction account earned 0.20% interest. Reserve funds held in the Westpac Business Premium Cash Reserve account are earning 0.90% in interest over balances of \$1m.

The liquidity graph for 2021/22 demonstrates a decrease in liquidity from April. This decrease in liquidity is primarily due to payment of trade and other payables.

Other Investments

As part of Council's investment strategy, reserve funds were used to purchase a commercial property 'The Quarter HQ' in June 2017. The following table provides a summary of all income and expenditure for The Quarter for the current financial year:

	Month 31 May 2022 \$	Year to Date 31 May 2022 \$	Life to Date 31 May 2022 \$
Total Income Received	325,134	3,715,670	10,911,821
Total Expenditure Paid	(135,532)	(1,958,617)	(5,690,130)
Net Income	189,602	1,757,053	5,221,692
Annualised ROI	11.4%	9.6%	5.3%

Also, as part of Council's investment strategy, Council resolved at its May 2020 meeting to execute a loan agreement with Scope Property Group Pty Ltd for the acquisition and redevelopment of the Dampier Shopping Centre. This loan is to be funded utilising Reserve funds and borrowings from WATC (if required) and is to be for a maximum initial term of ten years. To date, no borrowings from WATC have been required. The following table provides a summary of this funding arrangement for the current financial year with a further \$1.3m drawdown due prior to the EOFY:

	Month 31 May 2022 \$	Year to Date 31 May 2022 \$	Life to Date 31 May 2022 \$
Funded Amount	-	950,000	1,600,000
Interest Charges	-	38,600	49,253
Remaining Loan Amount	(2,500,000)	(2,500,000)	(2,500,000)

The financial statements for the reporting period are provided as an attachment in the form of:

- Statement of Comprehensive Income by Nature or Type;
- Statement of Comprehensive Variance Commentary by Nature or Type;
- Statement of Financial Activity;
- Operating and Capital Variance Commentary by Program Area;
- Net Current Funding Position;
- Statement of Financial Position (Balance Sheet);
- Cash and Cash Equivalents and
- Statement of Financial Activity by Divisions.

LEVEL OF SIGNIFICANCE

Financial integrity is essential to the operational viability of the City but also as the custodian of community assets and service provision. An ability to monitor and report on financial operations, activities and capital projects is imperative to ensure that financial risk is managed at acceptable levels of comfort.

The ability for the City to remain financially sustainable is a significant strategy for a region that is continually under pressure from the resources industry, private enterprise and State Government obligations for the ongoing development of infrastructure and services.

STATUTORY IMPLICATIONS

In accordance with the *Local Government Act 1995* and *Local Government (Financial Management) Regulations 1996*, a Statement of Financial Activity is required to be presented to Council as a minimum requirement.

Section 6.4 of the *Local Government Act 1995* provides for the preparation of financial reports.

In accordance with Regulation 34 (5) of the *Local Government (Financial Management) Regulations 1996*, a report must be compiled on variances greater than the materiality threshold adopted by Council of \$50,000 or 10% whichever is the greater. As this report is composed at a program level, variance commentary considers the most significant items that comprise the variance.

COUNCILLOR/OFFICER CONSULTATION

Executives and Management have been involved in monthly reviews of their operational and departmental budgets and notifying the Financial Services team of trends and variances arising from their operational areas.

COMMUNITY CONSULTATION

No community consultation is required.

POLICY IMPLICATIONS

The Council's financial reporting is prepared in accordance with Accounting Policy CF1. This is reviewed periodically to ensure compliance with legislative and statutory obligations.

FINANCIAL IMPLICATIONS

The report represents the financial position of the Council at the end of May 2022 with a year to date budget surplus position of \$7,249,454 (comprising \$7,125,196 unrestricted surplus and \$124,258 restricted surplus) and a current surplus position of \$19,542,464 (comprising \$19,418,206 unrestricted surplus and \$124,258 restricted surplus). The restricted balance comprises PUPP service charges levied in 2014/15.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2020-2030 and the Corporate Business Plan 2020-2025. In particular, the Operational Plan 2021-2022 provided for this activity:

Our Programs/Services:	4.c.1.1	Management Accounting Services
Our Projects/Actions:	4.c.1.1.19.1	Conduct monthly and annual financial reviews and reporting

RISK MANAGEMENT CONSIDERATIONS

Astute financial management backed by strong internal controls, policies and monitoring will ensure risks are assessed regularly and managed appropriately. Expenditure and revenue streams are monitored against approved budgets by management and the financial team with material variances being reported. It is incumbent on all managers that any perceived extraordinary variances that have, or likely to have, occurred are escalated immediately for consideration by Executive and/or Council.

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	N/A	Nil
Financial	Low	The completion of the Monthly Financial Activity Statement report is a control that monitors this risk
Service Interruption	N/A	Nil
Environment	N/A	Nil
Reputation	Low	There are no identified risks of a greater level associated with the Officer's recommendation
Compliance	Low	There are no identified risks of a greater level associated with the Officer's recommendation

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

This is a monthly process advising Council of the current financial position of the City.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:Option 1

As per the Officer's recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Section 6.4 of the *Local Government Act 1995* and Regulation 34 of the *Local Government (Financial Administration) Regulations 1996* RESOLVES to:

1. RECEIVE the Financial Reports for the financial period ending 31 May 2022; and
2. APPROVE the following actions:
 - a) _____
 - b) _____

Option 3

That Council by SIMPLE Majority pursuant to Section 6.4 of the *Local Government Act 1995* and Regulation 34 of the *Local Government (Financial Administration) Regulations 1996* RESOLVES to NOT RECEIVE the Financial Report for the financial period ending a 31 May 2022.

CONCLUSION

Council is obliged to receive the monthly financial reports as per statutory requirements. Details in regard to the variances and the commentary provided are to be noted as part of the report.

OFFICER'S RECOMMENDATION / COUNCIL RESOLUTION

Res No : 155040
MOVED : Cr Harris
SECONDED : Cr Furlong

That Council by SIMPLE Majority pursuant to Section 6.4 of the *Local Government Act 1995* and Regulation 34 of the *Local Government (Financial Administration) Regulations 1996* RESOLVES to RECEIVE the Financial Reports for the financial period ending 31 May 2022.

In accordance with the materiality threshold adopted by Council for the reporting of variances in Operating Revenue and Expenses classified according to nature and type, the following comments provide an explanation of these variances. Further details are provided later in this report in the variance commentary by Program in the Statement of Financial Activity.

Variance Commentary by Nature & Type

Operating Revenues	Material Variance		Significant Items		
Fees and Charges	1.28%	515,186	312,075	▲	Contaminated and liquid waste disposal fees higher than anticipated. Addressed at Final Forecast
			241,914	▲	KLP - Improved income performance in both fitness centre and aquatics - Adjusted at Final Forecast
			89,744	▲	REAP Program income higher than anticipated. Addressed at Final Forecast
			63,533	▲	WRP - Increased power and lease charges paid by Rambla
			55,675	▲	Airport - Aviation revenue higher than anticipated due to increased landings and car park revenue to date
			50,759	▲	The Quarter - Rental income higher than anticipated due to new leases
			813,701	▲	Positive Variance
			(265,829)	▼	Airport reimbursement recoverable - Majority of variance relates to security charges being reinstated from January as DACS funding was finalised in December 2021
			(79,941)	▼	Development application fees received lesser than anticipated. Addressed at final forecast
			(345,770)	▼	Negative Variance
			467,931	▲	Net Positive Variance
Operating Grants, Subsidies & Contributions	31.25%	3,348,993	1,946,878	▲	Variance relates to advance payment of 2022/23 Financial Assistance and Local Road Grants - To be transferred to Reserve prior to year end
			500,000	▲	Grant funding from Department of Communities for refurbishment of Service Worker Accommodations - Received earlier than anticipated
			359,296	▲	The Quarter - Additional rent for new leases plus operating income to offset additional operating costs
			291,000	▲	Woodside Community Partnership Agreement Funding - To be reallocated to various Liveability accounts in June
			131,341	▲	TC Damien - LGIS insurance payment received earlier than anticipated
			109,500	▲	2022 Cossack Art Award sponsorship funding received in advance from Rio Tinto
			95,064	▲	DFES Contribution for Karratha SES received earlier than anticipated
			55,575	▲	REAF - Additional funding received
			3,488,654	▲	Positive Variance
			(99,875)	▼	Fire Breaks funded by DFES - The works have not been completed as yet.
			(98,910)	▼	Airport RASI grant funding to be claimed for March and April 2022
			(56,923)	▼	DFES Contribution - Wickham/Roebourne SES - \$63k income from the additional capital works done at ROE SES will be received once funding is acquitted in July. As this funding is aligned with this FY the income will be accrued in June
			(255,708)	▼	Negative Variance
			3,232,946	▲	Net Positive Variance
Interest Earned	7.90%	74,214	79,063	▲	Majority of variance relates to interest earned on Reserve accounts
Proceeds/ Realisation	100.00%	535,484	535,484	▲	Sale of developed lots at Hancock Way - Proceeds received; Realisation expected to be processed by EOFY

Non Operating Revenue	Material Variance		Significant Items		
Non Operating Grants, Subsidies & Contributions	-31.19%	(1,037,173)	130,000	▲	Cash in lieu of Public Open Space Hancock Way funds - Adjusted at final forecast
			130,000	▲	Positive Variance
			(604,178)	▼	KRMO Redevelopment, Change Room LRCIP Phase Two and Club Room LRCIP Phase Three part payment now likely FY 2022/ 23.
			(302,090)	▼	Bayly Avenue Local Roads & Community Infrastructure Program - Grant funding expected to be received in June
			(282,000)	▼	Ovals - Variance relates to funds received in FY 20/21 in Public Open Space Reserve until required
			(1,188,268)	▼	Negative Variance
			(1,058,268)	▼	Net Negative Variance
Profit on Asset Disposal	-53.51%	(789,346)	750,000	▼	Profit on sale - 3 Residential Houses - Properties on the market but have not been sold yet.
Loss on Asset Disposal	52.97%	(79,497)	(93,261)	▼	Loss on Sale - Landfill - Truck deemed total loss in 20/21. Disposal processed in January 2022 - Addressed at final forecast

Operating Expenses	Material Variance		Significant Items		
Employee Costs	-0.29%	95,640	373,818	▲	Workers compensation claims - Timing variance
			373,818	▲	Positive Variance
			(160,956)	▼	REAP - Increase in employment costs due to greater than expected number of programs which have resulted in increased income
			(35,094)	▼	Employment costs - Ranger Services - Higher than anticipated due to ABC allocations. Timing of underlying costs. Net to nil across organisation
			(196,050)	▼	Negative Variance
			177,768	▲	Net Positive Variance
Materials & Contracts	-12.20%	3,554,533	1,258,616	▲	Cell 0 Capping/Closure - Variance due to material delays. Addressed at final forecast
			565,906	▲	Town Street, Footpath and Kerb Maintenance - Program have been disrupted due to inclement weather
			375,630	▲	ICT Software, Network & Licenses - \$25k cost savings in Intramaps, \$120k savings on NBN installation & \$65k procurement not proceeding this FY
			287,840	▲	GRV Valuation - Contractor's invoice anticipated to be received in July
			264,416	▲	ERP Development tracking under budget due to planned award interpreter implementation not proceeding this FY & delay in planned data migration platform & operational support
			222,775	▲	Asset Revaluation Project ongoing - Timing of receipt of contractor invoice
			171,560	▲	Roundabout maintenance - Contract has been awarded; Works to commence in June
			169,662	▲	Open Spaces & Reserves - Works completed, awaiting staged invoicing for slashing
			148,134	▲	City Branding - Campaign activity on hold while services being rescoped.
			130,311	▲	Waste Collection - Timing of receiving contractor invoice for payment
			112,254	▲	Dampier drainage scheme - Program was disrupted due to inclement weather
			107,071	▲	Beach maintenance - Partial works have since been carried out, program has been disrupted due to inclement weather.

Operating Expenses	Material Variance		Significant Items	
Materials & Contracts (continuation)			86,491 ▲	The Quarter Hotel - Timing difference for payment of strata levies - Invoice not received yet
			81,410 ▲	Airport Sanitation - May contractor invoice is currently being reviewed
			74,820 ▲	Airport - Screening and security charges are based on flight schedules/delays
			71,417 ▲	WRP - Outdoor courts to be resurfaced in May/June. \$50k carried forward to FY 22/23 for Wickham Hub fencing not completed
			67,847 ▲	Housing Initiative - Project ongoing
			53,211 ▲	Shoulder Grading Various Roads - Program has been disrupted due to inclement weather, minor works will resume in June
			51,764 ▲	Main Roads WA - MOU Verge maintenance - Works still to be completed; Program disrupted due to inclement weather
			50,000 ▲	Control of Environmental Weeds - Contractor works in progress.
			4,351,135 ▲	Positive Variance
			(263,265) ▼	Karratha Golf Course Redevelopment - Grassing of The Greens - Budget funds from golf course account to cover works. Addressed at final forecast
			(96,256) ▼	Unsealed Rural Road - Over spent due to requirement to repair after inclement weather.
			(94,428) ▼	Footpath Lighting - Overspend as requirement to maintain was increased due to faults
			(82,269) ▼	Fenacng - Deposits paid relating to the 22/23 FY event.
			(80,700) ▼	Mosquito Management - More time spent than budgeted which will be addressed at Final budget forecast
			(63,950) ▼	Tambrey Park - Overspend on materials for project. Costs offset against Retic upgrades works.
			(59,521) ▼	Bulgarra Oval - Reactive contractor costs due to excessive grass clippings, tree purchases and cricket wicket mat replacement unbudgeted but required for sports season
			(54,260) ▼	Baynton West Oval - Reactive contractor and material costs due to vandalism and urgent repairs of park furniture reticulation and water fountains.
			(52,648) ▼	Nickol West Park - Additional potable water requirements due to a lack of ERS water supplied from Water Corporation
			(52,798) ▼	7 Honeyeater - Outstanding cyclone repairs and reactive repairs to wet areas due to property access. Outstanding works now completed
			(900,094) ▼	Negative Variance
			3,451,041 ▲	Net Positive Variance
Utilities	2.95%	(174,838)	128,262 ▲	Airport Power - Expenditure occurred later than anticipated
			128,262 ▲	Positive Variance
			(145,371) ▼	Karratha Golf Course/Bowling Green Facility – Timing variance on cash flow - Utility charges occurred later than anticipated
			(89,802) ▼	The Quarter - Additional operating costs (power) offset by operating income recovery
			(54,011) ▼	Nickol West Park - Additional potable water requirements due to a lack of ERS water supplied from Water Corporation
			(289,184) ▼	Negative Variance
			(160,922) ▼	Net Negative Variance
Depreciation	-0.65%	130,222	99,370 ▲	Depreciation - Airport - Awaiting completion of works to be capitalised

Operating Expenses	Material Variance		Significant Items		
Other Expenses	6.51%	(168,351)	(101,016)	▼	Community Engagement - Large Grants - Expenditure occurred earlier than anticipated
			(60,000)	▼	City Growth - NEDC Conference - Invoice for hosting NEDC 2023 paid. To be accrued to FY 22/23
			(161,016)	▼	Negative Variance

Variance Commentary by Program

In accordance with the materiality threshold adopted by Council for the reporting of variances by program in the Statement of Financial Activity, the following comments provide an explanation of these variances.

Operating Revenues	Material Variance		Significant Items		
General Purpose Funding	4.73%	2,434,568	1,946,878	▲	Variance relates to advance payment of 2022/23 Financial Assistance and Local Road Grants - To be transferred to Reserve prior to year end
			410,055	▲	The Quarter - Additional rent for new leases plus operating income to offset additional operating costs
			2,356,933	▲	Positive Variance
Governance	84.69%	654,356	532,756	▲	Sale of developed lots at Hancock Way - Proceeds received; Realisation expected to be processed by EOFY
			130,000	▲	Cash in lieu of Public Open Space Hancock Way funds - Adjusted at final forecast
			662,756	▲	Positive Variance
Law, Order and Public Safety	30.75%	191,199	291,000	▲	Woodside Community Partnership Agreement - Funding to be reallocated to various Liveability accounts in June
			95,064	▲	DFES Contribution for Karratha SES received earlier than anticipated
			386,064	▲	Positive Variance
			(99,875)	▼	Fire Breaks funded by DFES - The works have not been completed as yet.
			(56,923)	▼	DFES Contribution for additional capital works at Wickham/Roebourne SES will be received once funding is acquitted in July. As this funding is aligned with this FY the income will be accrued in June
			(156,798)	▼	Negative Variance
			229,266	▲	Net Positive Variance
Housing	-10.90%	(177,583)	500,000	▲	Grant funding from Department of Communities for refurbishment of Service Worker Accommodations - Received earlier than anticipated
			500,000	▲	Positive Variance
			(750,000)	▼	Profit on sale - 3 Residential Houses - Properties on the market but have not been sold yet.
			(750,000)	▼	Negative Variance
			(250,000)	▼	Net Negative Variance
Community Amenities	1.31%	179,681	312,075	▲	Contaminated and liquid waste disposal fees higher than anticipated. Addressed at Final Forecast
			312,075	▲	Positive Variance
Community Amenities (continuation)			(79,941)	▼	Development application fees received lesser than anticipated. Addressed at final forecast
			(79,941)	▼	Negative Variance
			232,134	▲	Net Positive Variance
Recreation & Culture	-1.18%	(140,500)	241,914	▲	KLP - Improved income performance in both fitness centre and aquatics - Adjusted at Final Forecast
			182,000	▲	Income received in advance for 2022 Cossack Art Awards and Fenacing Festival
			89,744	▲	REAP Program income higher than anticipated. Addressed at Final Forecast
			63,533	▲	WRP - Increased power and lease charges paid by Rambla
			577,191	▲	Positive Variance
			(604,178)	▼	KRMO Redevelopment, Change Room LRCIP Phase Two and Club Room LRCIP Phase Three part payment now likely FY 2022/ 23.
			(248,882)	▼	Ovals - Variance relates to funds received in FY 20/21 in Public Open Space Reserve until required.
			(853,060)	▼	Negative Variance
			(275,869)	▼	Net Negative Variance

Transport	-2.68%	(604,761)	131,341	▲	TC Damien - LGIS insurance payment received earlier than anticipated
			131,341	▲	Positive Variance
			(302,090)	▼	Bayly Avenue Local Roads & Community Infrastructure Program - Grant funding expected to be received in June
			(265,829)	▼	Airport reimbursement recoverable - Majority of variance relates to security charges being reinstated from January as DACS funding was finalised in December 2021
			(98,920)	▼	Airport RASI grant funding to be claimed for March and April 2022
			(55,675)	▼	Airport - Aviation revenue higher than anticipated due to increased landings and car park revenue to date
			(722,514)	▼	Negative Variance
			(591,173)	▼	Net Negative Variance

Non Operating Revenue	Material Variance		Significant Items		
Proceeds from Disposal of Assets	-54.84%	(2,133,650)	1,500,000	▼	Proceeds on Sale - Staff Housing - Properties are on the market but have not been sold yet
			508,657	▼	Proceeds from sale of developed lots at Hancock Way - No further sales have eventuated on the development site. Ray White is currently marketing the development on behalf of the City on real estate portals
			2,008,657	▼	Negative Variance
Trf from Infrastructure Reserve	-3.93%	(256,037)	703,117	▲	Reserve transfer for Dampier Boat Ramp renewal. Transfer in line with actual expenditure.
			280,452	▲	Reserve transfer for Bayview Road Stage 6B. Transfer in line with actual expenditure. Budget to be adjusted at final forecast.
			100,646	▲	Reserve transfer for Road renewals. Transfer in line with actual expenditure.
			50,000	▼	Reserve transfer for Leisureplex oval spectator shade structure and solar initiatives. Transfer in line with actual expenditure.
			1,134,215	▲	Positive Variance
			(1,090,252)	▼	Reserve transfer for Kevin Richards Oval Expenditure. Transfer in line with actual expenditure.
			(300,000)	▼	Reserve transfer relating to Dampier Shopping Centre Loan to Scope. Timing of reserve transfer to actuals.
			(1,390,252)	▼	Negative Variance
			(256,037)	▼	Net Negative Variance
Operating Expenses	Material Variance		Significant Items		
General Purpose Funding	-2.85%	60,713	287,840	▲	GRV Valuation - Contractor's invoice anticipated to be received in July
			86,491	▲	The Quarter Hotel - Timing difference for payment of strata levies - Invoice not received yet
			374,331	▲	Positive Variance
			(272,294)	▼	The Quarter - Additional operating costs offset by operating income recovery
			(272,294)	▼	Negative Variance
			102,037	▲	Net Positive Variance
Governance	-25.77%	872,905	375,630	▲	ICT Software, Network & Licenses - \$25k cost savings in Intramaps, \$120k savings on NBN installation & \$65k procurement not proceeding this FY
			264,416	▲	ERP Development tracking under budget due to planned award interpreter implementation not proceeding this FY & delay in planned data migration platform & operational support

			222,775	▲	Asset Revaluation Project ongoing - Timing of receipt of contractor invoice
			862,822	▲	Positive Variance
Law, Order and Public Safety	3.66%	(58,782)	35,094	▼	Employment costs - Ranger Services - Higher than anticipated due to ABC allocations. Timing of underlying costs. Net to nil across organisation
			17,391	▼	Plant operating costs - Ranger Services - Higher than anticipated due to increased utilisation
			52,485	▼	Negative Variance
Health	11.93%	(117,667)	(80,700)	▼	Mosquito Management - More time spent than budgeted which will be addressed at Final budget forecast
Housing	1219.00%	(110,274)	(52,798)	▼	7 Honeyeater - Outstanding cyclone repairs and reactive repairs to wet areas due to property access. Outstanding works now completed
Community Amenities	-7.01%	1,219,312	1,258,616	▲	Cell 0 Capping/Closure - Variance due to material delays. Addressed at final forecast
			148,134	▲	City Branding - Campaign activity on hold while services being rescope. Addressed at final forecast
			130,311	▲	Waste Collection - Timing of receiving contractor invoice for payment
			112,254	▲	Dampier drainage scheme - Program was disrupted due to inclement weather
			1,649,315	▲	Positive Variance
			(362,139)	▼	Landfill Operations - Higher salary and overhead than forecast. Increase in plant operating cost addressed in final forecast
			(60,000)	▼	City Growth - NEDC Conference - Invoice for hosting NEDC 2023 paid. To be accrued to FY 22/23
			(56,866)	▼	Drainage maintenance - Overspent on plant operating costs due to requirement of reactive works
			(479,005)	▼	Negative Variance
			1,170,310	▲	Net Positive Variance
Recreation and Culture	2.73%	(1,005,099)	169,662	▲	Open Spaces & Reserves - Works completed, awaiting staged invoicing for slashing
			107,071	▲	Beach maintenance - Partial works have since been carried out, program has been disrupted due to inclement weather.
			71,417	▲	WRP - Outdoor courts to be resurfaced in May/June. \$50k carried forward to FY 22/23 for Wickham Hub fencing not completed
			54,419	▲	Community Services - Corporatized advertising expenditure lesser than anticipated
			50,000	▲	Control of Environmental Weeds - Contractor works in progress.
			452,569	▲	Positive Variance
			(351,099)	▼	Karratha Golf Course Redevelopment - Grassing of The Greens - Budget funds from golf course account to cover works. Addressed at final forecast
Recreation and Culture (continuation)			(160,956)	▼	REAP - Increase in employment costs due to greater than expected number of programs which have resulted in increased income
			(159,636)	▼	Administration - Libraries, Youth Shed, KLP and WRP - Variance relates to ABC allocations, timing variance of underlying costs. Net to nil across organisation
			(101,016)	▼	Community Engagement - Large Grants - Expenditure occurred earlier than anticipated
			(82,269)	▼	Fenaclog - Deposits paid relating to the 22/23 FY event. Costs will be accrued to the correct FY
			(63,950)	▼	Tambrey Park - Overspend on materials for project. Costs offset against Retic upgrades works.
			(62,087)	▼	Hampton Oval - Increase in wages budgeted due to additional resourcing required to maintain area. Contractors required for works with budget removed in March
			(59,521)	▼	Bulgarra Oval - Reactive contractor costs due to excessive grass clippings, tree purchases and cricket wicket mat replacement unbudgeted but required for sports season

			(57,537)	▼	Karratha Golf Course/Bowling Green Facility – Timing variance on cash flow for maintenance works and CPI increase of 3.5% affected overall maintenance expenditure as well as maintenance of grass greens now being accounted for
			(54,260)	▼	Baynton West Oval - Reactive contractor and material costs due to vandalism and urgent repairs of park furniture reticulation and water fountains.
			(52,648)	▼	Nickol West Park - Additional potable water requirements due to a lack of ERS water supplied from Water Corporation
			(1,204,978)	▼	Negative Variance
			(752,409)	▼	Net Negative Variance
Transport	-2.69%	649,313	565,906	▲	Town Street, Footpath and Kerb Maintenance - Program have been disrupted due to inclement weather
			171,425	▲	Airport Airside maintenance - Under allocation of overheads and plant operating costs
			128,262	▲	Airport Power - Timing variance
			99,370	▲	Depreciation - Airport - Awaiting completion of works to be capitalised
			81,410	▲	Airport Sanitation - May contractor invoice is currently being reviewed
			74,820	▲	Airport - Screening and security charges are based on flight schedules/delays
			53,211	▲	Shoulder Grading Various Roads - Program has been disrupted due to inclement weather, minor works will resume in June
			1,174,404	▲	Positive Variance
			(96,256)	▼	Unsealed Rural Road - Over spent due to requirement to repair after inclement weather.
			(94,428)	▼	Footpath Lighting - Overspend as requirement to maintain was increased due to faults
			(86,538)	▼	Airport Landside Maintenance - Higher overhead allocation and plant operating costs
			(277,222)	▼	Negative Variance
			897,182	▲	Net Positive Variance
Economic Services	-10.61%	249,701	171,560	▲	Roundabout maintenance - Contract has been awarded; Works to commence in June
Other Property & Services	-47.18%	1,647,055	918,395	▲	Works and Technical Services - Variance relates to overhead recovery allocations, timing variance of underlying costs. Net to nil across organisation
			491,908	▲	Fleet - Recovery for plant operational costs higher than anticipated due to reactive repairs on critical heavy plant items
			373,818	▲	Workers compensation claims - Timing variance
Other Property & Services (continuation)			51,764	▲	Main Roads WA - MOU Verge maintenance - Works still to be completed; Program disrupted due to inclement weather
			1,835,885	▲	Positive Variance
			(114,581)	▼	Parks & Gardens - Plant operating costs higher than anticipated due to additional vehicles required for services brought in house and trucks have replaced some light vehicles. To be addressed at final forecast
			(75,583)	▼	Technical Services - Admin costs higher than anticipated due to overhead allocated, Timing variance of underlying costs. Net to nil across organisation
			(61,457)	▼	Plant repairs higher than anticipated due to overhead allocations
			(251,621)	▼	Negative Variance
			1,584,264	▲	Net Positive Variance

10.2 LIST OF ACCOUNTS – 01 JUNE 2022 TO 30 JUNE 2022

File No:	FM.19
Responsible Executive Officer:	Director Corporate Services
Reporting Author:	Senior Creditors Officer
Date of Report:	26 July 2022
Applicant/Proponent:	Nil
Disclosure of Interest:	Nil
Attachment(s):	Nil

PURPOSE

To advise Council of payments made for the period from 1 June 2022 to 30 June 2022.

BACKGROUND

Council has delegated authority to exercise its power to make payments from the City's Municipal and Trust funds.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CG-8 Significant Decision Making Policy, this matter is considered to be of high significance in terms of Council's ability to perform its role.

COUNCILLOR/OFFICER CONSULTATION

Officers have been involved in the approvals of any requisitions, purchase orders, invoicing and reconciliation matters.

COMMUNITY CONSULTATION

No community consultation is required.

STATUTORY IMPLICATIONS

Payments are to be made in accordance with Part 6, Division 4 of the *Local Government Act 1995* and as per the *Local Government (Financial Management) Regulations 1996*. Payments are to be made through the municipal fund, trust fund or reserve funds. Payments are to be in accordance with approved systems as authorised by the CEO.

POLICY IMPLICATIONS

Staff are required to ensure that they comply under Council Policy CG12 – Purchasing Policy and CG11 - Regional Price Preference Policy (where applicable) and that budget provision is available for any expenditure commitments.

FINANCIAL IMPLICATIONS

Payments are made under delegated authority and are within defined and approved budgets. Payment is made within agreed trade terms and in a timely manner.

Payments for the period 1 June 2022 to 30 June 2022 totalled \$13,029,585.57, which included the following payments:

- Dept of Planning & Lands – Land Acquisition - \$1,729,631

- Scope Property Group – Dampier Shopping Centre Loan Drawdown #6 - \$1,300,000
- Focus Enviro – Equipment Purchase Track Mounted Trommel Screen - \$495,102
- Trasan Contracting – Shakespeare St Units Refurb Progress Claim #2 - \$467,497
- Raubex Construction – Cell 0 Capping Construction Progress Claim - \$429,758

Consistent with CG-11 Regional Price Preference Policy, 54% of the value of external payments reported for the period were made locally.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2020-2030 and the Corporate Business Plan 2020-2025. In particular, the Operational Plan 2021-2022 provided for this activity:

Our Program: 4.c.1.4 Process Accounts Receivable and Accounts Payable

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	N/A	Nil
Financial	Low	Failure to make payments within terms may render Council liable to interest and penalties
Service Interruption	Moderate	Failure to pay suppliers may lead to delays in the future provision of goods and services from those suppliers
Environment	N/A	Nil
Reputation	Moderate	Failure to pay for goods and services in a prompt and professional manner, in particular to local suppliers, may cause dissatisfaction amongst the community
Compliance	N/A	Nil

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

There are no relevant precedents related to this matter.

VOTING REQUIREMENTS

Simple Majority

OPTIONS:

Option 1

As per Officer's recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Sections 6.7 and 6.9 of the *Local Government Act 1995* RESOLVES to ACCEPT payments totalling \$13,029,585.57 submitted and checked with vouchers, being made up of:

1. Trust Vouchers: nil;
2. EFT91583 to EFT92369 (Inclusive);
3. Cheque Voucher: 78721 to 78723;
4. Cancelled Payments: EFT91583, EFT91628, EFT91689, EFT91713, EFT91792, EFT91815, EFT91850, EFT91859, EFT91925, EFT91941, EFT92079, EFT92277, EFT92296, EFT92348, EFT92366, 78721, 78722;
5. Direct Debits: DD43343.1 to DD43561.1;
6. Credit Card Payments: \$39,898.26;
7. Payroll Cheques \$1,738,084.91;
8. with the EXCEPTION OF (as listed)

CONCLUSION

Payments for the period 1 June 2022 to 30 June 2022 totalled \$13,029,585.57. Payments have been approved by authorised officers in accordance with agreed delegations and policy frameworks.

OFFICER'S RECOMMENDATION / COUNCIL RESOLUTION

Res No : 155041
MOVED : Cr Furlong

10.3 REQUEST TO CALL TENDERS FOR SUPPLY OF CONTESTABLE ENERGY

File No:	EN.9
Responsible Executive Officer:	Director Corporate Services
Reporting Author:	Manager Financial Services
Date of Report:	11 July 2022
Applicant/Proponent:	Nil
Disclosure of Interest:	Nil
Attachment(s):	Nil

PURPOSE

For Council to consider calling tenders for the supply of contestable energy for the City's qualifying sites in line with the recent soft deregulation of the North West Interconnected System (NWIS).

BACKGROUND

The Pilbara Electricity Reform (also known as the NWIS Reform) is intended to open the energy market for large customers in the NWIS. This means that customers in the Pilbara region with sites where energy consumption exceeded 1.2 Giga Watt (GWh) per annum as at 1 July 2021 (Contestable Customers) will have the option to choose their energy retailer.

Effective 1 July 2021 the State Government's soft deregulation of the Pilbara electricity network commenced. Transitional access arrangements for the NWIS were finalised in January 2022.

Pilbara ISOC is the independent System Operator of the NWIS whose founding members Horizon Power, Alinta Energy and Rio Tinto are the three main electricity network operators in the region. At this time Horizon Power and Alinta Energy are the only electricity providers able to supply contestable energy as part of the NWIS.

The City has three sites that meet the minimum qualifying requirement for 'contestability'. The following table shows the annual consumption of NWIS power at the three qualifying sites:

Contestable Site	2019/20	2020/21	2021/22
Karratha Airport	3.20GWh	2.80GWh	3.11GWh
Karratha Leisureplex	2.14GWh	2.08GWh	2.26 GWh
REAP	1.53GWh	1.55GWh	1.47 GWh

The solar installation currently occurring at the Karratha Leisureplex will reduce the electricity supply requirements to the site from the NWIS by approximately 50%.

The three sites are currently billed based on the Horizon Power L4 Medium/Large Business tariff. The current L4 tariff comprises a daily charge of \$1.8488 plus 37.552 cents/kWh (0-1,650kWh/day) and 31.8648 cents/kWh (>1,650kWh/day).

Given the City is a Contestable Customer, it is proposed to call tenders for the supply of contestable energy which will enable the City to choose its own electricity provider to achieve savings through reduced electricity tariffs.

If supported by Council, it is proposed to invite tenders from Horizon Power and Alinta Energy to supply electricity to the Karratha Airport, Karratha Leisureplex and the Red Earth Arts Precinct.

It is proposed that the contract with the preferred provider be for a term of two (2) years with two (2) x one (1) year extension options exercisable at the sole discretion of the City.

LEVEL OF SIGNIFICANCE

In accordance with Council policy CG-8 Significant Decision Making policy, this matter is considered to be of moderate significance in terms of economic issues together with the Council's ability to perform its role.

STATUTORY IMPLICATIONS

Tenders are proposed to be called in accordance with Section 3.57 of the *Local Government Act 1995* and associated Regulations.

COUNCILLOR/OFFICER CONSULTATION

No Councillor or Officer consultation is required.

COMMUNITY CONSULTATION

No community consultation is required.

POLICY IMPLICATIONS

Council Policy CG-12 – Purchasing is applicable.

Consistent with the policy, the following weighting criteria based on Evaluation Criteria Model 2 (Services/Construction Purchases) is proposed:

Criteria	Weighting
Price	80%
Relevant Experience	5%
Methodology	5%
Capacity to Deliver	5%
Sustainability	5%

FINANCIAL IMPLICATIONS

The combined spend for electricity supplied from the NWIS at the three contestable properties was \$2.20m in 2019/20, \$2.16m in 2020/21 and \$2.13m in 2021/22. The total spend across all City electricity accounts was \$4.7m in 2021/22.

The experience of South West local governments from the deregulation of the SWIS indicates potential savings through reduced tariffs, based on current consumption patterns, in the order of \$500k to \$750k per annum in total.

STRATEGIC IMPLICATIONS

There are no strategic implications.

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	N/A	Nil
Financial	Moderate	The City's current spend at the three contestable sites is \$2.13m with projected tariff reductions of circa 25-35% based on the implementation of contestability in the South West Interconnected System (SWIS).
Service Interruption	N/A	Nil
Environment	N/A	Nil
Reputation	N/A	Nil
Compliance	Low	Tenders are required to comply with legislative requirements for procurement.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

There are no relevant precedents related to this matter.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:Option 1

As per Officer's recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Section 3.57 of the *Local Government Act 1995* RESOLVES to:

1. INVITE tenders for the supply of contestable energy for the Karratha Airport, Karratha Leisureplex and the Red Earth Arts Precinct; and
2. ENDORSE the following tender selection criteria;

Criteria	Weighting
Price	%
Relevant Experience	%
Methodology	%
Capacity to Deliver	%
Sustainability	%

Option 3

That Council by SIMPLE Majority pursuant to Section 3.57 of the *Local Government Act 1995* RESOLVES to NOT INVITE tenders for the supply of contestable energy at this time.

CONCLUSION

Contestability in the procuring of electricity provides the opportunity to decrease the cost of operating the City's largest community facilities through reduced electricity tariffs.

OFFICER'S RECOMMENDATION / COUNCIL RESOLUTION

Res No : 155042
MOVED : Cr Scott
SECONDED : Cr McNaught

That Council by SIMPLE Majority pursuant to Section 3.57 of the *Local Government Act 1995* RESOLVES to:

1. INVITE tenders for the supply of contestable energy for the Karratha Airport, Karratha Leisureplex and the Red Earth Arts Precinct for a term of two (2) years with two (2) x one (1) year extension options exercisable at the sole discretion of the City; and
2. ENDORSE the following tender selection criteria;

Criteria	Weighting
Price	80%
Relevant Experience	5%
Methodology	5%
Capacity to Deliver	5%
Sustainability	5%

10.4 POLICY REVIEW – CG-16 PROFESSIONAL DEVELOPMENT FOR COUNCIL MEMBERS

File No:	CM.124
Responsible Executive Officer:	Director Corporate Services
Reporting Author:	Manager Governance & Organisational Strategy
Date of Report:	11 July 2022
Applicant/Proponent:	Nil
Disclosure of Interest:	Nil
Attachment(s):	CG-16 Professional Development for Council Members

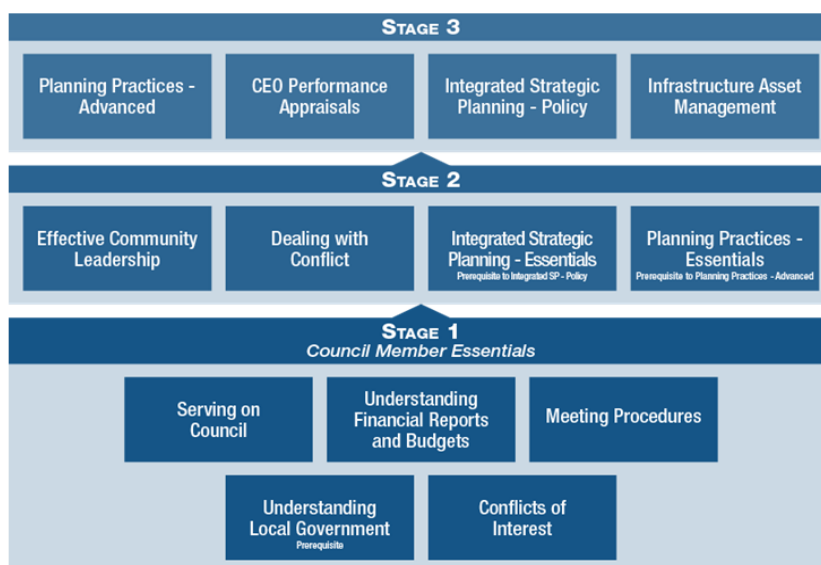

PURPOSE

For Council to consider the review of Council policy *CG-16 Professional Development for Council Members*.

BACKGROUND

In August 2019 the *Local Government Act 1995 (the Act)* was amended to incorporate a need for training of elected members who are appointed to Council to build their confidence, leadership and technical skills not only for themselves but for the local community. The amendments also required a policy to be prepared for continued professional development of elected members. Additionally, the policy is to be available on the local government's website and is to be reviewed after each ordinary election (i.e. every two years).

Regulation 35 of the *Local Government (Administration) Regulations 1996 (the Regulations)* requires that elected members must as a minimum complete Stage One of the Diploma of Local Government (Elected Member) run through WALGA, North Metropolitan TAFE or South Metropolitan TAFE. The Diploma of Local Government comprises three stages as follows:

On completion of the training and assessments for Stage One (Council Member Essentials) elected members will gain the LGAS00002 Elected Member Skill Set qualification.

The training is valid for only 5 years and every second election an elected member will be required to undertake re-training. Elected members who fail to complete the mandatory training within the initial 12 months after being elected breach s.5.126 of the Act that can attract a \$5,000 fine.

Councillors have regularly engaged in professional development activities, including attending conferences, strategic planning workshops and the Australian Institute of Company Directors (AICD) course.

The policy review identified the following proposed amendments:

Policy Section/Subsection	Proposed Amendment	Rationale
2.1 Training	Delete sentence referring to transitional provisions.	Transitional provisions are no longer relevant.

LEVEL OF SIGNIFICANCE

In accordance with Council policy CG-8 Significant Decision Making policy, this matter is considered to be of moderate significance in terms of Council's ability to perform its role.

STATUTORY IMPLICATIONS

Section 5.128 of the *Local Government Act 1995* was introduced on 9 August 2019 to mandate training requirements for elected members. Regulations 35-36 of the *Local Government (Administration) Regulations 1996* were introduced at the same time to clarify the type of training that was to be mandatory.

COUNCILLOR/OFFICER CONSULTATION

No Councillor or Officer consultation is required.

COMMUNITY CONSULTATION

Councillors are regularly consulted about professional development obligations and opportunities.

The annual report is required to indicate which elected members have completed their mandatory training and other continuing professional development. This information is also to be published on the local government's website.

POLICY IMPLICATIONS

This policy is required to be reviewed at least every two years after each ordinary election.

FINANCIAL IMPLICATIONS

The 2022/23 Budget includes a Training Expenses allocation of \$5,000 per Councillor. The required training can be met from this allocation.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2020-2030 and Corporate Business Plan 2020-2025. In particular, the Operational Plan 2022-2023 provided for this activity:

Programs/Services:	4.a.2.2	Council Support
Projects/Actions:	4.a.2.2.19.1	Undertake an Elected Members training and professional development program

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	N/A	Nil
Financial	Low	The cost of mandatory professional development is relatively low and is allocated within Budget.
Service Interruption	N/A	Nil
Environment	N/A	Nil
Reputation	Moderate	Professional development of elected members will assist in providing members with the necessary tools and resources to perform the role of Councillor.
Compliance	Low	Adoption of the policy and completion of the mandatory training will ensure compliance with statutory requirements.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

This policy was adopted in July 2020 and is required to be reviewed every 2 years.

VOTING REQUIREMENTS

Absolute Majority.

OPTIONS:Option 1

As per Officer's recommendation.

Option 2

That Council by ABSOLUTE Majority pursuant to Section 5.128 of the *Local Government Act 1995* RESOLVES to ADOPT policy CG16 "Professional Development for Council Members", as reviewed, with the following amendments:

- a) _____
- b) _____

Option 3

That Council by SIMPLE Majority pursuant to Section 5.128 of the *Local Government Act 1995* RESOLVES to DEFER consideration of the review of policy CG16 "Professional Development for Council Members" pending further information.

CONCLUSION

One amendment is proposed following the review of Council Policy CG16 "Professional Development for Council Members". The policy will continue to address legislative requirements that mandates elected members to undertake a minimum level of training to perform their role on Council.

OFFICER'S RECOMMENDATION / COUNCIL RESOLUTION

Res No : **155043**

MOVED : **Cr Gillam**

SECONDED : **Cr Nunn**

That Council by ABSOLUTE Majority pursuant to Section 5.128 of the *Local Government Act 1995* RESOLVES to ADOPT the amended Policy CG16 “Professional Development for Council Members” as attached.

11 COMMUNITY SERVICES

11.1 DRAFT ROEBOURNE RECREATION PRECINCT MASTERPLAN

File No:	CS.134
Responsible Executive Officer:	Director Community Services
Reporting Author:	Manager Liveability
Date of Report:	8 July 2022
Applicant/Proponent:	Nil
Disclosure of Interest:	Nil
Attachment(s):	1. Draft Roebourne Recreation Precinct Masterplan – available electronically 2. RRP Consultation Register

PURPOSE

For Council to consider advertising the draft Roebourne Recreation Precinct Masterplan (Masterplan) for public comment.

BACKGROUND

Following the 2019 Keogh Bay review on Roebourne Services & Facilities, Council supported progressing the Roebourne Recreation Precinct Masterplanning process as part of a ten-point priority action plan.

In 2021, the City engaged Gresley Abas Architects to deliver a masterplan and concept design. This work was to build on the extensive work already undertaken by a number of consultants and the City since 2004:

- Roebourne Youth Precinct Masterplan, 2004 (Arbor Vitae, CCS)
- Roebourne Community & Education Precinct Engagement Report, 2014 (UDLA)
- Roebourne Town Structure Plan: Community Engagement Report, 2014 (UDLA)
- Roebourne Services & Facilities Strategy Report, 2019 (Keogh Bay)

The Masterplan report (Attachment 1) records the process undertaken to achieve a final draft Masterplan including community consultation and needs analysis, site and context investigations, case study analysis, development of various planning options, and a final concept generated.

The Masterplan report includes the development of a concept design for the community hall, with additional required structures, a cost estimate to deliver the plan and most importantly the foundations of a community co-design process to deliver an appropriately culturally aware project.

The projects high level aims are as follows:

Need	Aspirations & Directions
Integrated and multiuse facilities for all ages	<p>Create an entrance to the Precinct by linking the community hall and aquatic centre entrances, building new office area/foyer, storage for equipment, more flexible spaces than can be used for indoor and outdoor activities.</p> <p>Create an activated multifunctionality of the facilities: the community hall could be used as a community gym when no programs occur, parking to accommodate weekend/market events etc.</p>
More diverse sports and recreation opportunities	<p>Expand the range of outdoor recreational and active programs (trails, climbing features, parkour, skate, adventure and nature play).</p> <p>Recreational walks, cycle paths, fitness trails that link to the Harding River and Andover Park.</p>
Vibrant, inclusive and functional facilities	<p>Placemaking and culture valorisation: yarning space, bush garden, language integration for all signage. Beautification of the precinct through landscaping including carpark, creation of a landscape buffer between facilities and the highway, refurbishment/upgrade of existing facilities. Parking to cope with large events on a low frequency rate.</p>

The focus of the concept plan is on improving the connection between the key facilities on the Roebourne Recreation Precinct site including the aquatic centre, basketball courts, community hall and school.

Key objectives stated in the Keogh Bay review and previous town structure plans for the development and any proposed changes to the site are listed below. These objectives have underpinned the design development:

- Create a 'gathering place' – Community & Education Precinct
- Cater for a wide range of activities and ages
- Capitalise on knowledge and culture of local community
- Improve and enhance facilities
- Create ownership and pride in the precinct

Engagement Process

The City recognises the development of a meaningful engagement process and working method which was truly collaborative and respectful was critical to the project's success. The Masterplan needed to be responsive and unique to its community and context and support the development of positive community relations.

Officers implemented a three-stage engagement process providing multiple opportunities for stakeholder involvement and a focus on community and stakeholder values, ownership and representation. The consultation workshops were frequent, informal in style and supported by printed material. The stages were as follows:

Stage 1 – Visioning and design principles

- Understand community priorities and establish design principles.

Stage 2 – Planning options consultation

- Three planning options presented for discussion, seek broad community feedback, identifying a preferred option to proceed to masterplan.

Stage 3 – Draft Masterplan consultation

- Seek feedback on the draft masterplan concept to ensure it aligns with key outcomes from Stage 1 and agreed design principles.

Following nine-months of extensive engagement with community and service providers, it was determined the Precinct needed to address the following service considerations:

- More diverse sport and recreational facilities
- Be readily accessible
- Be well-maintained and activated
- Add social value

The following design principles were adopted to support the scenarios explored by the project:

- Vibrant culture & identity
- Family & healing
- Healthy active lives
- Learning & sharing
- Safety
- Resilience

Significant work in the above-mentioned engagement led to the formulation of a functional brief which formed the basis of three planning options to be tested. The three options were:

OPTION 1A	<ul style="list-style-type: none"> • Refurbishment and extension of community hall to deliver accommodation schedule and to accommodate a large community gathering space on site. • Creation of a new entry building to the precinct between the aquatic centre and the community hall. • Significant upgrades to the existing basketball courts.
OPTION 1B	<ul style="list-style-type: none"> • Demolition of community hall (retaining skeleton as shaded gathering space) and construct a new fit-for-purpose building to deliver the accommodation schedule. • Creation of a new entry building to the precinct between the aquatic centre and the community hall. • The eastern basketball court is enclosed to create a fit for purpose building to house a range of community activities.
OPTION 2	<ul style="list-style-type: none"> • Demolition of community hall (retaining skeleton as shaded gathering space) and construct a new fit-for-purpose building to deliver the accommodation schedule. • No large indoor gathering space on site. • Creation of a new entry building to the precinct between the aquatic centre and the community hall. • Significant upgrades to the existing basketball courts.
<p>Other Key Design Elements consistent across all three options:</p> <ul style="list-style-type: none"> • Upgrade to existing aquatic centre (additional shade, accessibility, fencing, entry point) • Upgrades to existing basketball courts • Upgrade to skate park • Additional shade, seating, amenities, pathways, landscaping, and planting • Cultural zones • Nature-play and additional shade structures • New public art and memorial opportunities 	

- Rationalisation of existing parking
- Formalisation of overflow parking
- Publicly accessible toilets and external store

Following consultation on these options through Stage 2 of the engagement process, Option 1A was found to be the preferred option and was refined and advanced to a fully developed Masterplan.

Key Features of the Masterplan

- Community Hall to be retained and refurbished to accommodate 150 people for large indoor gatherings and a range of other services outlined in the attached report (pg78).
- A new precinct administration building to be a flexible administration space with permanent office presence, plus multi-functional meetings area and main entry point to the precinct and aquatic centre.
- A range of precinct enhancements which are detailed on page 78 of the attached Masterplan report (Attachment 1).

Cultural Design Strategy

Vital to the success of this redevelopment is the cultural exchange within the design process and the development of a working method that will be truly collaborative and respectful. The resulting landscape and built forms should be one that is uniquely designed with and for the end-user's health and wellbeing in mind.

Council is asked to consider not only the functional design as presented in this Masterplan report but consider a commitment to a cultural design strategy. Broadly the cultural design strategy seeks to encompass three aims:

1. Re-assert the Roebourne language groups cultural identity and autonomy within their community through embedding a culturally appropriate design within the foundations of the project;
2. Encourage a meaningful co-design process which builds inclusion into decision making and fosters relationships between the City and the community; and
3. Suggest opportunities to initiate a new direction for ongoing community-led activation, management, and partnership models at the Precinct.

A commitment to a cultural design strategy is intended to assist with enhanced community ownership of the space and minimise the impacts and frequency of anti-social behaviours at the Precinct.

The Masterplan report sets out a detailed cultural design strategy on pages 99-105 and has been reviewed and supported by leaders within the Roebourne community.

Staging

Several key considerations will need to be assessed when determining how best to deliver the project and what staging is required. These considerations have been outlined in the Masterplan Report on pages 111–113.

The key influences on staging are:

- Continuous operations
- Construction packaging (value for money)
- Access
- Funding and cashflow

There are several distinct packages that could be staged and are further detailed in the attached Report, however in summary they present as:

Package	Benefits	Constraints
Basketball courts & pavilion	<ul style="list-style-type: none"> • The refurbishment exercise is a single, distinct package of works. • Allows for the community hall and associated facilities to function as normal • Access to the remainder site not inhibited. 	<ul style="list-style-type: none"> • Does not form part of the overall conceptual framework for the Precinct.
Aquatic Centre Enhancements	<ul style="list-style-type: none"> • Minimised potential closure period for Aquatic Centre • Enables continued access to skate landscape 	<ul style="list-style-type: none"> • Access could be difficult from skate landscape and community hall but is considered manageable.
Community Hub	<ul style="list-style-type: none"> • Value for money achieved through the construction and refurbishment of the Hall and Precinct Administration building simultaneously. • Carpark access will be simultaneously developed. • Package includes the refurbishment of the mechanical compound. 	<ul style="list-style-type: none"> • Operations of youth services would need temporary relocation. • Construction of temporary fencing is required to maintain access to aquatic centre, could become a safety hazard. • Crime Prevention Through Environmental Design (CPTED) issues between school and Precinct would require management.
Skate Landscape	<ul style="list-style-type: none"> • Simple, distinct package of works. • Predominately landscape design with no building construction required. • More readily constructed as a distinct stage. 	<ul style="list-style-type: none"> • During construction, access between the oval and Skate area will be diminished. • Impact of access between school site and the aquatic centre.
Fraser Street Area upgrades	<ul style="list-style-type: none"> • Lower-level landscape project, no building construction required. • Separate, distinct package allows for access to the site through other construction stages. 	<ul style="list-style-type: none"> • Creates temporary access issues through to the skate landscape and other areas.
Oval Upgrades	<ul style="list-style-type: none"> • Simple distinct package of works. Predominately landscape design with no building construction required. • Access to the remainder of the site will not be inhibited. 	<ul style="list-style-type: none"> • Does not form part of the overall conceptual framework for the Precinct. • Impacts of school construction program unknown.

LEVEL OF SIGNIFICANCE

In accordance with Council policy CG-8 Significant Decision-Making Policy, this matter is considered to be of moderate significance in terms of social, economic, environmental,

cultural & wellbeing issues as it relates to the strategic planning of significant community infrastructure.

STATUTORY IMPLICATIONS

There are no statutory implications applicable at the Masterplan stage.

COUNCILOR/OFFICER CONSULTATION

Consultation with Officers and Councillors has been sustained throughout the 16-month project.

Councillors have been briefed regularly on the project progression and community consultation outcomes including the following:

When	What	Outcome
June 2021	Briefing Presentation Project update	Information only
July 2021	Briefing Presentation Project update	Information only
August 2021	Briefing Presentation Department of Education presented school plans, discussed integration of school and use of facilities for community	Information only
November 2021	Briefing Presentation Planning Options Presented	Option for redevelopment and expansion of Community Hall selected
June 2022	Briefing Presentation Overview of community consultation	Information only

COMMUNITY CONSULTATION

The City led the consultation process and conducted the following activities:

- Four (4) community drop-in sessions held at the PCYC. 31 adults and 36 young people participated in these sessions;
- 27 one on one stakeholder meetings with local businesses, user groups and service providers (list provided below); and
- Monthly meetings (April 2021 – September 2021) with the Department of Education project representatives leading the Roebourne District High School Redevelopment project.

Key objectives of the engagement:

- Ensure transparency & inclusiveness;
- Identify & agree on design principles;
- Understand the current & future use of the Precinct; and
- Develop a sense of community ownership of the project

Stakeholders/community groups who have been consulted throughout the project include:

- Roebourne Elders Council
- 6718 Leadership Table
- Ngarluma Aboriginal Corporation
- Yinjibarndi Aboriginal Corporation
- Ngarluma & Yinjibarndi Foundation
- Ngarluma Bindirri Aboriginal Corporation
- Roebourne Active Network
- Roebourne District High School

- PCYC
- Yaandina
- Roebourne Magpies Sporting Club
- Marwarnkarra Health Services
- Empowering People Through Community
- Headspace Pilbara
- Roebourne Community Resource Centre
- Ieramagadu Community Association
- One Tree Community Services
- Northwest Regional TAFE
- Department of Communities
- Department of Education
- Department of Local Government, Sport and Cultural Industries
- Pilbara Development Commission
- Regional Development Australia
- WA Police
- Ngaarda Media
- Rio Tinto
- Woodside

A detailed engagement register is attached to this report capturing all direct and group session feedback received on the project.

POLICY IMPLICATIONS

There are no policy implications.

FINANCIAL IMPLICATIONS

Whilst there are no direct financial implications associated with the Officers' recommendation in this report, a summary of costs has been completed for the project totalling \$15.8M which Council will need to consider at a later date. A breakdown of the project total can be found on page 106 of the Masterplan Report.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2020-2030 and the Corporate Business Plan 2020-2025. In particular, the Operational Plan 2022-2023 provided for this activity:

Programs/Services:	1.a.2.5	Community Facility Planning
Projects/Actions:	1.a.2.5.20.1	Progress Roebourne Facility Planning in line with Roebourne Facilities & Services Action Plan

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	Low	Aligns with the City's commitment to planning appropriate infrastructure and services to support good health and well-being within our communities and to become "Australia's most liveable regional City".
Financial	Low	Implementation of the Masterplan will require a financial commitment from Council in the future

Category	Risk level	Comments
		but there are no direct financial risks with the Masterplan.
Service Interruption	Low	Masterplan to be delivered progressively over several years. The staging plan will be reviewed and further detailed for each project to ensure interruptions are kept to a minimum.
Environment	Low	Opportunities and constraints identified, and environmental management considerations included within the document.
Reputation	Moderate	Masterplan development has been driven by community feedback. Improvements of town facilities is likely to deliver a positive reputational impact for Council.
Compliance	Low	Masterplan developed with regards to the planning context of Roebourne town. Relevant policy requirements to be investigated during the design phase are identified within the Masterplan.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

Council has previously endorsed advertising several draft Masterplans for public comment prior to adopting the plans, including:

- Kevin Richards Memorial Oval Masterplan
- Karratha Leisureplex Improvement Study Masterplan
- Dampier Masterplan

Whilst all of these projects have contained significant community consultation, publicly advertising for two weeks is seen as a good process to ensure broad community awareness.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:

Option 1

As per Officer's recommendation.

Option 2

That Council by SIMPLE Majority under Section 3.18 of the *Local Government Act 1995* RESOLVES to NOT ENDORSE the public advertising of the Draft Roebourne Recreation Precinct Masterplan and request:

CONCLUSION

Officers have undertaken extensive community and stakeholder consultation to inform all aspects of the Roebourne Recreation Precinct Masterplan and are seeking support to release the draft for public comment for a two-week period. Should no material submissions be received during this period it is recommended that Council adopts this Masterplan.

OFFICER'S RECOMMENDATION / COUNCIL RESOLUTION

Res No : 155044
MOVED : Cr Bailey
SECONDED : Cr Nunn

That Council by SIMPLE Majority under Section 3.18 of the *Local Government Act 1995* RESOLVES to:

- 1. ADVERTISE the Draft Roebourne Recreation Precinct Masterplan for public comment for a two-week period; and**
- 2. ADOPT the draft Roebourne Recreation Masterplan, subject to no material submissions being received during the advertising period.**

AGAINST : Nil

12 DEVELOPMENT SERVICES

Cr Nunn declared an indirect financial interest in item 12.1 Scheme Amendment 57 as Cr Nunn is employed by Volunteering WA of which Woodside is a corporate partner.

Cr Bertling declared a financial interest in item 12.1 Scheme Amendment 57 as Cr Bertling is a contractor to Woodside.

At 6.12pm Crs Nunn and Bertling left the room.

12.1 PROPOSED SCHEME AMENDMENT NO. 57 – TO LOCAL PLANNING SCHEME NO. 8 – FINAL APPROVAL CONSIDERATION

File No:	AMD57
Responsible Executive Officer:	A/Director Development Services
Reporting Author:	Senior Planner
Date of Report:	11 July 2022
Applicant/Proponent:	Urbis / Development WA / Woodside Energy Pty Ltd
Disclosure of Interest:	Nil
Attachment(s):	Solar Farm Location Plan

PURPOSE

For Council to consider submissions received, and whether to support proposed Scheme Amendment No. 57 to City of Karratha Local Planning Scheme No. 8 (the Scheme) to enable development of Woodside's Maitland solar farm facility.

BACKGROUND

Woodside Energy Pty Ltd (Woodside) is in the preliminary stages of preparing an application for development approval for a 'solar farm facility' proposed to be located largely within the Maitland Strategic Industrial Area (MSIA) Buffer Special Control Area (SCA), approximately 24km west of the Karratha townsite (refer to Attachment 1).

There is no use class under the Scheme for a solar farm facility. Clause 6.3.1 (b) of the Scheme, states:

No development is permitted which would attract persons, other than those working in the adjacent strategic industrial area.

Woodside's proposed Maitland solar farm facility is proposed to be located in the MSIA Industry Buffer SCA but would attract persons other than those working in the adjacent strategic industrial area. There is concern that existing Scheme Provisions could potentially be interpreted by decision making authorities and developers as restricting the development of a solar farm facility in the MSIA Industry Buffer SCA.

Existing Scheme Amendment No.55

Council initiated Scheme Amendment No.55 at the January 2022 Ordinary Council Meeting (OCM). Scheme Amendment No.55 sought to introduce a new use class of 'Renewable

Energy Facility’ and to make this use a permitted Additional Use over the portion of the MSIA Industry Buffer SCA proposed for Woodside’s Maitland solar farm facility. This is a large area of uncleared land. For that reason, the Environmental Protection Authority (EPA) decided to formally assess Scheme Amendment No. 55.

Rather than being held up awaiting the Minister’s decision on Scheme Amendment No.55, the decision has been made to prepare a new Scheme Amendment that will not invoke formal environmental assessment. Accordingly, Scheme Amendment No.57 has been prepared. The proponent still wants to progress Scheme Amendment No.55 but this is not a priority if Scheme Amendment No.57 addresses the concerns with existing provisions without invoking formal environmental review.

Proposed Scheme Amendment No. 57

Council resolved to initiate proposed Scheme Amendment No. 57 at the March 2022 OCM for the purposes of public advertising. Scheme Amendment No. 57 proposes to replace existing Clause 6.3.1 (b) with the following clause:

- b) with the exception of Maitland Strategic Industrial Area, no development is permitted which would attract persons, other than those working in the adjacent strategic industrial area.*

While Scheme Amendment No.55 sought to make a ‘Renewable Energy Facility’ a permitted Additional Use over the portion of the MSIA Industry Buffer SCA proposed for Woodside’s Maitland solar farm facility, Scheme Amendment No. 57 is only a minor text amendment. Based on that distinction, the EPA decided to not formally assess Scheme Amendment No.57.

Following that EPA decision, Scheme Amendment No.57 was publicly advertised for a period of forty-two (42) days. Further details regarding the advertising undertaken and submissions received are provided in the Community Consultation section below.

Council is now required to consider submissions and determine whether to recommend the Minister for Planning be requested to approve Scheme Amendment No.57.

EPA Decision on Woodside’s proposed Maitland solar farm facility

Separate to the Scheme Amendments, Woodside referred its proposed Maitland solar farm facility to the EPA in December 2021. The EPA decided to formally assess this proposal in February 2022.

The EPA’s decision to assess Woodside’s proposed Maitland solar farm facility means that development approval cannot be granted until the Minister for the Environment has granted environmental approval. Hopefully, the formal environmental assessment process for Woodside’s proposed Maitland solar farm facility does not cause unnecessary delays to commencement of this large-scale renewable energy project.

LEVEL OF SIGNIFICANCE

In accordance with Council policy CG-8 Significant Decision Making policy, this matter is considered to be of low significance in terms of economic issues and environmental issues.

STATUTORY IMPLICATIONS

Clause 75 of the *Planning and Development Act 2005* provides the ability to amend a Local Planning Scheme. The procedures and legislative requirements for preparing a scheme amendment are set out under the *Planning and Development (Local Planning Schemes) Regulations 2015*.

Council has sixty (60) days from the close of the submission period to consider all submissions received, and then make a resolution to either support the Scheme Amendment (with or without modifications) or to not support the Scheme Amendment.

Council's resolution and the Scheme Amendment documentation will be forwarded to the Western Australian Planning Commission (WAPC) for presentation to the Minister for Planning. The Minister for Planning will ultimately determine the Scheme Amendment.

COUNCILLOR/OFFICER CONSULTATION

Consultation has taken place with relevant City Officers and DPLH Officers.

COMMUNITY CONSULTATION

Scheme Amendment No. 57 was publicly advertised from 11 May 2022 until 22 June 2022. Submissions were received from the Department of Mines, Industry Regulation and Safety (DMIRS), and the Department of Primary Industries and Regional Development (DPIRD). Neither submission objects to Scheme Amendment No. 57.

POLICY IMPLICATIONS

There are no policy implications.

FINANCIAL IMPLICATIONS

The City has advised Woodside that the City charges fees for processing Scheme Amendments in accordance with the *Planning and Development Regulations 2009*.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2020-2030 and the Corporate Business Plan 2020-2025. In particular, the Operational Plan 2022-2023 provided for this activity:

Programs/Services:	2.a.2.3	Strategic Planning Services
Projects/Actions:	2.a.2.3.22.1	Assist businesses to work through and interpret regulatory framework to support business development, growth, diversification and innovation

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	N/A	Nil
Financial	N/A	Nil
Service Interruption	N/A	Nil
Environment	Low	The Scheme Amendment seeks to provide for a development that would reduce carbon emissions. The EPA has determined no assessment is required. The EPA has separately determined that formal environmental assessment is required for Woodside's proposed Maitland solar farm facility.
Reputation	Low	It is not possible for development approval to be granted to Woodside's proposed Maitland solar farm facility until the Minister for the Environment has granted environmental approval.

Category	Risk level	Comments
Compliance	Low	An application for development approval would be required for any subsequent development. Any such application would be assessed and determined in accordance with relevant local and state planning framework.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

Council has supported many amendments to the Scheme since it has been in effect.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:Option 1

As per Officer's recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Clause 50 (3) of the *Planning and Development (Local Planning Schemes) 2015* RESOLVES to NOT SUPPORT Standard Amendment No. 57 to Local Planning Scheme No. 8 because Council considers that development within the Maitland Strategic Industrial Area Industry Buffer Special Control Area should only be permitted where it would only attract persons working in the adjacent strategic industrial area.

CONCLUSION

Scheme Amendment No. 57 has been introduced as a quicker way to address immediate concerns with current Scheme provisions in relation to Woodside's proposed Maitland solar farm facility without invoking formal environmental review. The intention is still to progress Scheme Amendment No.55 to specifically provide for the facility.

Scheme Amendment No.57 has been publicly advertised in accordance with the *Planning and Development Act 2005* and *Planning and Development (Local Planning Schemes) Regulations 2015*. Submissions received during the public advertising period have been considered.

The proposed Scheme Amendment would remove the uncertainty of the current Scheme provisions that require workers on Woodside's proposed Maitland solar farm facility to have an association with the adjacent Maitland Strategic Industrial Area. This will give more certainty to the project.

Should Council resolve to adopt Scheme Amendment No. 57 for final approval, the amendment documentation will be forwarded to the Western Australian Planning Commission for consideration.

OFFICER'S RECOMMENDATION / COUNCIL RESOLUTION

Res No : **155045**

MOVED : **Cr Harris**

SECONDED : **Cr Miller**

That Council by SIMPLE Majority pursuant to Clause 50 (3) of the *Planning & Development (Local Planning Schemes) Regulations 2015* RESOLVES to SUPPORT Standard Amendment No. 57 to Local Planning Scheme No. 8 without modification.

At 6.13pm Crs Nunn and Bertling re-entered the room.

12.2 APPLICATION FOR GENERAL PURPOSE LEASE 47/1274

File No:	LM21065
Responsible Executive Officer:	A/Director Development Services
Reporting Author:	Principal Planner
Date of Report:	13 July 2022
Applicant/Proponent:	Daylight (WA) Pty Ltd
Disclosure of Interest:	Nil
Attachment(s):	Application for G47/1274 (including location plan)

PURPOSE

For Council to consider Application for General Purpose Lease G47/1274 and whether the City's current objection to this application should be forwarded to both the Minister for Mines and Petroleum and the Minister for Planning.

BACKGROUND

The City received notice from MKII Consulting Pty Ltd (the Applicant's agents) on behalf of Daylight Pty Ltd (the Applicant) on 22 June 2021 that application for General Purpose Lease G47/1274 had been lodged under the *Mining Act 1978* (Mining Act).

The land area applied for within G47/1274 is 45.21 Hectares of Vacant Crown Land. It is situated generally between the Karratha Airport and the Jingarri Estate, in front of Karratha Environmental Crushing's site, with approximately 2 Kilometres frontage to Dampier Road (see Attachment 1). Under the City's Local Planning Scheme No.8 (the Scheme), the land subject to G47/1274 is zoned 'Rural'.

A General Purpose Lease is a form of mining tenement that can be applied for under the Mining Act. If granted, a General Purpose Lease can remain in place for a period of 21 years, with the option of extending for a further 21 years. The stated purposes listed on the application for G47/1274 are:

- Stockpiles for topsoil storage for future rehabilitation purposes, mine product and borrow material;
- Roads – internal;
- Waste material stockpile;
- Crushing/Screening/Wash plant facility for mine product;
- Transportation and loading facility for mine product;
- Vehicle layover and maintenance area;
- Site Accommodation for administration, services support and mining and process activities; and
- Hardstand area for storage of plant and equipment.

The City lodged an objection to the application with the Mining Warden on 21 July 2021. This matter has been progressing through the Mining Warden Court system. The City recently submitted 'Particulars' as ordered by the Mining Warden. The Applicant has also submitted Particulars and a 'Statement of Evidence'. The City is due to serve its Statement of Evidence and all documents it intends to rely upon in support of its Objections by 29 July 2022.

The reasons for the City objecting to the application, as expressed in the ‘Particulars’ forwarded to the Mining Warden, are:

- Under the Scheme, the purposes listed for G47/1274 equate to the defined uses of either ‘Industry – Noxious’ or ‘Industry – General’ (depending on the volume of material being crushed and/or screened), along with Workforce Accommodation. Under ‘Clause 3.2 – Zoning Table’ of the Scheme, all these uses are not permitted in the Rural zone, and thereby not permitted by the Scheme;
- The City is concerned about the impacts that the proposed uses would have on the amenity of the area and the visual appearance of the land, given that it is near to the entry to the Karratha Airport and on the only road between Karratha and Dampier, the Burrup Peninsula and the Murujuga National Park;
- The suitability of locations for industrial uses and ‘Workforce Accommodation’ should be determined using the planning framework.
- The City considers that application for G47/1274 does not fit with the relevant planning framework that is in place and that G47/1274 is therefore not in the interest of orderly and proper planning. On this basis, the City considers that G47/1274 is not in the public interest;
- Under provisions of the Scheme relating to development in the Rural zone and in an area subject to strategic planning for industrial development (such as the area proposed under G47/1274), the City shall only grant approval where that proposed development or use will not, in the opinion of the City, prejudice the future development of the area;
- The City in its planning for the district has not recognised the land area subject to the G47/1274 as appropriate for the establishment of this industrial use in the absence of the necessary planning being undertaken;
- The establishment of the Applicant’s proposed industrial use, which would be facilitated by the granting of the G47/1274, would amount to unplanned piecemeal industrial development in a strategic location within the Karratha townsite and would alienate the land for a long period from being planned for and used in accordance with an appropriate planning framework;
- The piecemeal use of land under mining tenements in the Karratha townsite can have serious impacts on the amenity of the area, the quality of the visual appearance of the land, and the options for future development of the land into the future. The granting of this application is likely to impede the orderly development of the area;
- The interests of orderly and proper planning are directly related to the public interest, which is a relevant consideration on the granting of the mining tenement, having regard to Section 111A of the Mining Act; and
- It is reasonable for the Warden when dealing with the City’s objection to have regard to the public interest, and in doing so, have regard to the interests of orderly and proper planning. That is consistent with Section 120 of the Mining Act. The interests of orderly and proper planning are protected by the planning framework.

The ‘Particulars’ submitted by the City indicated that the City intends to seek the Minister for Mines and Petroleum consideration under Section 111A of the Mining Act to refuse the application for G47/1274, and for the Minister for Planning to confer with the Minister on this matter in accordance with Section 120 of the Mining Act to seek refusal of the application. It is recommended that Council resolve to undertake these actions to demonstrate the City’s concerns regarding proposals like this.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CG-8 Significant Decision Making policy, this matter is considered to be of moderate significance in terms of social, economic, environmental issues and Council’s ability to perform its role.

STATUTORY IMPLICATIONS

The application for G47/1274 is not considered to meet the Planning Framework in place which includes the Scheme and Local Planning Strategy.

Application for G47/1274 will be determined by the Mining Warden under the Mining Act. However, the Minister for Mines and Petroleum can terminate or refuse the application under Section 111A of the Mining Act based on grounds of 'public interest', irrespective of any recommendation of the Mining Warden.

COUNCILLOR/OFFICER CONSULTATION

Council has previously been notified of this matter via Briefing Sessions.

COMMUNITY CONSULTATION

No community consultation is required.

POLICY IMPLICATIONS

There are no policy implications.

FINANCIAL IMPLICATIONS

There are no financial implications.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2020-2030 and the Corporate Business Plan 2020-2025. In particular, the Operational Plan 2022-2023 provided for this activity:

Programs/Services: 2.c.1.1 Strategic Land Use Planning Services

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	Low	Should G47/1274 be granted and the land uses listed under the application be approved by the Department of Mines Industry Regulation and Safety (DMIRS), the Applicant would be required to comply with conditions of approval under the Mining Act.
Financial	Low	Should G47/1274 be granted, the land can be alienated from being used for up to 42 years in accordance with the Mining Act. This may prevent future planned subdivision/development in the location, which would impact rates that could be generated from future subdivision/development of the land.
Service Interruption	Moderate	The long term alienation of this land could also prevent the City from being able to progress the Planning Framework under the Local Planning Strategy and prevent the release of future industrial land in the locality.
Environment	Low	Should application for G47/1274 be granted and the land uses listed under the application be approved by DMIRS, the Applicant would be required to comply with conditions of approval under the Mining Act.

Category	Risk level	Comments
Reputation	Moderate	Supporting this proposal may be seen as not acting in the public interest and/or not undertaking orderly and proper planning if the Planning Framework and legislated processes in place under the <i>Planning and Development Act, 2005</i> are not adhered to.
Compliance	Moderate	The proposed uses under G47/1274 do not meet the legislated Planning Framework of the City's Scheme, nor the Local Planning Strategy.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

The City objects to a number of proposed mining tenement applications but it is rare for the City to write to Ministers. This is only done when there are serious concerns about the implications of the mining tenement being approved.

The City has previously written to the Minister for Mines and Petroleum seeking refusal of an application for a General Purpose Lease in the Cinders Road area. In that instance, the Minister refused the application, notwithstanding the Mining Warden having recommended grant of the application. The application for G47/1274 is in a different locations and different planning considerations apply but the underlying concerns are the same.

The City has approved the stockpiling, crushing and screening of building materials on adjacent land for Karratha Environmental Crushing. In that case, the Scheme was amended to provide for the that specific use on the site and a 5 year time-limited development approval was granted having regard for the planning framework and the need to avoid the land being alienated. That approval does not create a precedent for this proposal because it was issued in accordance with the planning framework, not separate to it and it does not apply for the timeframe that a General Purpose Mining Lease would.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:

Option 1

As per Officer's recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Section 3.18 of the *Local Government Act 1995* RESOLVES to WITHDRAW the City's current objection to Application for General Purpose Lease G47/1274.

Option 3

That Council by SIMPLE Majority pursuant to Section 3.18 of the *Local Government Act 1995* RESOLVES to PURSUE the City's current objection to Application for General Purpose Lease G47/1274 in the Mining Wardens Court without writing to the Minister for Mines and Petroleum and the Minister for Planning.

CONCLUSION

Application for General Purpose Lease G47/1274 is not considered to be commensurate with the legislated planning framework in place, is not considered to be appropriate for the amenity of the area and if granted, could alienate land for a lengthy period of time and compromise proper future planning. The City's objection to General Purpose Lease G47/1274 has progressed in the Mining Wardens Court to the point where the Applicant has provided a Statement of Evidence and City needs to provide a Statement of Evidence.

Under Section 120 of the *Mining Act 1978*, there is provision for the local government to write to the Minister for Mines and Petroleum and the Minister for Planning to seek refusal of the application. Given the particular concerns with the proposal under G47/1274, it is considered justified in this instance for the City to exercise its rights under the Mining Act and write to the Minister's seeking refusal of the application.

OFFICER'S RECOMMENDATION / COUNCIL RESOLUTION

Res No : 155046
MOVED : Cr McNaught
SECONDED : Cr Scott

That Council by SIMPLE Majority pursuant to Section 111A and Section 120 of the *Mining Act 1978* RESOLVES to:

- 1. INFORM the Minister for Mines and Petroleum and the Minister for Planning of the City's objection to the granting of General Purpose Lease G47/1274;**
- 2. REQUEST that the Minister for Mines and Petroleum consult with and obtain the recommendation of the Minister for Planning in regard to application for General Purpose Lease G47/1274; and**
- 3. REQUEST the Minister for Mines and Petroleum to refuse application for General Purpose Lease G47/1274.**

13 STRATEGIC PROJECTS & INFRASTRUCTURE

13.1 ROEBOURNE STREETSCAPE MASTER PLAN REPORT

File No:	CP.1451
Responsible Executive Officer:	Director Strategic Projects & Infrastructure
Reporting Author:	Project Manager
Date of Report:	30 June 2022
Applicant/Proponent:	Nil
Disclosure of Interest:	Nil
Attachment(s):	<ol style="list-style-type: none">1. Streetscape Masterplan Project Area2. Communications and Stakeholder Engagement Plan and Outcomes – available electronically3. Before and After Streetscape Image4. Roebourne Streetscape Masterplan Concept Design Report – available electronically

PURPOSE

For Council to consider the proposed design and approach to proceed with implementing a Streetscape Masterplan for Roebourne and advertise the draft Masterplan for public comment.

BACKGROUND

In 2014, the Roebourne Structure Plan, was prepared by the City to provide an overarching framework for the revitalisation and future development of the town. This plan guides land use and infrastructure coordination at a townsite-scale.

In February 2019, the City and the Department of Communities engaged Keogh Bay Consulting to review the current level of community service provision and suitability of the existing facilities within the town of Roebourne to support these services. The project also aimed to determine what facilities were required to meet the community future needs.

Following an extensive consultation process, the report presented to Council in January 2020 made several recommendations and these were supported by an implementation plan. Council endorsed several actions associated with the developed Streetscape Masterplan proposal, specifically to “*upgrade/refurbish the town’s facilities and streetscape, and develop linkages to the river*” (e.g. Action 3, Keogh Bay Consulting Report). In April 2021, the City engaged GHD Woodhead, a specialist design consultant to perform the staged delivery of the Streetscape Masterplan including the following key activities:

- Stage One – Investigation, Site Appraisal and Zoning
- Stage Two – Community and Stakeholder Engagement
- Stage Three – Streetscape Options Development
- Stage Four – Development of Detailed Staging
- Stage Five – Documentation for Construction

The extent of the study area agreed for the project was to include:

- the area from the town entry sign in the west on North West Coastal Highway;
- the North West Coastal Highway and Cherratta Road to the south; and
- the roads connecting Sholl Street and North West Coastal Highway.

Refer to Attachment 1 which depicts the overall Streetscape Masterplan Project area.

The Streetscape Masterplan engagement aims to improve:

- the sense of place, character, and an identity that is people-oriented;
- the appearance and function of the road reserve and adjacent areas;
- the integration of the Harding River with Roe Street;
- the aesthetic qualities, amenity and liveability attractiveness of the precinct; and
- to minimise future maintenance needs and costs.

The levels to which the above outcomes would be achieved would be informed by community and stakeholder engagement and presented in the form of a Concept Plan.

Prior to commencing the design consultancy, Officers were advised separately by Main Roads Western Australia (MRWA) of the potential alterations to the State's Restricted Vehicle Access (RAV) network. The extent of the proposed works touched on the potential for removing heavy haulage vehicles and the associated RAV network considerations along parts of Cleaverville Road, Roe Street and Carnarvon Terrace. These proposed works and the transition to a City's gazetted roadway would significantly affect the overall opportunity for the Streetscape Masterplan. To date, MRWA has only commenced the initial investigations of establishing a concept of what RAV movement within the area would look like and are yet to proceed with community consultation to further inform the process. Accordingly, the development of the Masterplan was to proceed in the interim with the intention to allow flexibility in the future design should the proposed changes occur.

Consultancy Stage One

The initial stage of the design consultants engagement concentrated on establishing and presenting known data. In summary, this stage involved the following key activities:

Site Analysis and Conditions:

- Audit of existing assets, amenities and their condition;
- Audit of pedestrian and vehicle activity;
- Site constraints including environmental, social, developmental and infrastructure;
- Research and investigation;
- Current town planning and zoning;
- Roebourne Structure Plan;
- Statutory, authority and City design requirements and standards;
- Gauge community feeling and interest; and
- Comparisons and precedents.

Key outcomes to be addressed were established during this stage which resulted in assisting, directing and producing content for Stage Two.

These outcomes included:

- Traffic, road, and community safety issues;
- Future development and opportunities;
- Establishing and portraying the town's identity;
- Connection to the community and culture within the town;
- Increased streetscape quality;
- Increase in ease of maintenance; and
- Level of amenity.

Consultancy Stage Two

The next stage of the project included engagement with the community that involved:

- Door to door discussions with businesses;
- Focused meetings with key stakeholders;
- Attendance at stakeholder and community group meetings; and
- An open community session at Andover Park, Roebourne.

The community engagement provided stakeholders with information, sought ideas, heard stories, established the opportunity for dialogue, and identified critical issues the community recommended regarding the streetscape. The design consultant led the community discussions and workshops, and this process was used to establish the plan and the critical outcomes of Stage One. A summary of the community engagement process is provided in Attachment 2, Community Engagement Summary Memo and within the community consultation section of this report.

The key feedback at the end of the community engagement process were grouped into four key focus areas as highlighted below:

Area	Example of Inclusions
Traffic and Safety	Extra signage. Increased line marking. Reducing truck numbers through town. Formalise road crossings. Reduce speeding through town. Safe parking areas. Safe access to main amenities.
Streetscape and Treatments	More planting along the streets. Remove vines and making planting more colourful. Provide more natural and built shading. Increased seating. Increased art opportunities.
Community Connection	Recognise and tell good local stories. Recognise local artists. Provide more meet places and places to yarn. Recognise the significance of the river. Better connection between town and river.
Sensitivities and Perception	Explore indigenous names. Recognise, but not celebrate the Old Gaol. Educate on cultural differences and stories of the different language groups within town. Recognition that a decline in water in the river has resulted in a decline in its use.

Consultancy Stage Three

The third stage of the Streetscape Masterplan process was the start of the design which provided a visual interpretation on the feedback provided in stages one and two. The approach taken was to develop three independent long-term options based around focus on a minor, medium and major scope of works. These options would be aimed at achieving a long-term goal but would allow a level of organisation when informing the scope of short-term projects.

In summary, a broad overview of the three options developed is provided as follows:

Stage	Overview
Option One	<p>Localised new soft landscaping to verge and existing islands. Limited built form amenities. New signage utilising local language. New entrance signage and statements. Natural and visual speed reductions. Increase in connectivity links through town and to the river. Incorporation of local art and local language. Maintains current RAV access through town. <i>\$12.1m (excl. GST) Opinion of Probable Cost</i></p>
Option Two	<p>Building on the initial intent of Option One. Increased street parking. Increase the areas and complexity of planting. Increase amenity, footpaths and built shading structures. Alter kerb alignments, maintaining RAV access to the full extent of the northbound lane. Alters the current RAV access through the middle of town. <i>\$16m (excl. GST) Opinion of Probable Cost</i></p>
Option Three	<p>Building on the initial intent of Option Two. Maximising streetscape opportunities within town. Consider changes to speed restrictions. Consider areas of level crossing and regular crossing treatments. Larger scale planting and alterations to the landscape through mounding. Additional height to planting and landscaping within road verge area. Alter kerb alignments to increase verge and island planting/amenities. Increased regular amenities that create opportunity to assist in trail/route travel through town. Designed on the basis that the RAV Heavy Haulage Route has been implemented by MRWA. <i>\$21.1m (excl. GST) Opinion of Probable Cost</i></p>

A copy of the Roebourne Streetscape Masterplan Concept Design Report is provided as Attachment 4 to this report.

During the development of the options, Jubilee Park and access to the Harding River were again identified by community stakeholders as critical areas within the townscape. While not directly part of the Streetscape Masterplan, Jubilee Park's relationship with the Harding River and the combined overall effect on the town's appearance and amenity was noted as particularly influential. The future redevelopment of Jubilee Park and access to the Harding River are identified as future standalone project emanating from Keogh Bay Report and Officers propose to progress planning for these in the coming years.

To address the key objectives for the project, Officers recommend that the Concept Option Three presents the best long-term outcomes for Roebourne as it delivers a significant enhancement to the streetscape and amenity. However, given the scale, cost and ambition of the plan, and that some elements recommended are outside of the City's control, Officers suggest this option be identified as the Roebourne Streetscape Masterplan vision and progressively staged over time (potentially up to fifteen (15) years) and as funds are allocated. This approach would enable immediate works to progress being mindful of the long term aim, whilst being cognisant and flexible that significant developments including the associated RAV network considerations may occur that impact the design.

In support of this approach Officers sought to outline an initial five-year work program that builds on the vision and does not result in any abortive works. This incremental approach would progress the Masterplan as a long term vision for Roebourne, while still looking to deliver and register significant improvements within the streetscape. Officers have outlined several basic assumptions for this process to proceed including:

- alteration to the RAV Heavy Haulage Route would not be achievable within the first three years;
- abortive or redundant works are to be minimised;
- the construction budget needed to be achievable independently of any external funding, but enhanced should external funding be sourced;
- the redevelopment of Jubilee Park is not considered part of the Streetscape Masterplan but would be planned as a separate standalone project; and
- works proceed with the broader community acceptance of the Masterplan findings.

Following further interrogation of Option Three by Officers, it became evident that a flexible approach with a number of regular hold points would provide the best opportunity to deliver the long term plan.

Should Council adopt this approach it is suggested that it will allow for:

- smaller reoccurring annual budget allowances, eliminating the need for large financial commitments or sole reliance on external funding to deliver the long-term plan;
- allow for direction, effectiveness, and community input to be assessed and considered at regular intervals; and
- assessment and reaction as other projects online such as the redevelopment of Jubilee Park, reactivation of the Harding River and removal of heavy vehicle haulage access through town.

These benefits were seen as critical to ensure the implementation of the Streetscape Masterplan has an impact and is both achievable and adaptable to the community requirements and the expected changes within the township. Given the beneficial outcome that this approach creates, Officers have expanded on how the short term five (5) year plan of works could be phased concluding in a stage that would provide results like those illustrated in the Before and After Streetscape Image provided in Attachment 3 of this report.

The proposed initial phasing and inclusions are highlighted in the below table. These areas have been nominated as the proposed best starting point to encourage visitor and community congregation within the main street business areas.

Phase	Description
Phase 1	Proposed to be constructed in Financial Year 2022/23. Activate key intersection along Roe Street including Queen, Withnell and Padbury Streets. Provide new entry signs/statements to the north and south. Begin to introduce new pavement, trees, planting and seating. Begin to improve pedestrian safety. Begin to provide art and community interpretation opportunities.
Phase 2	Proposed to be constructed in Financial Year 2024/25 or as funds are confirmed. Activate the area between Jubilee Park and the Yinjaa Barni Art Centre, Old Shire Office and General Store. Begin providing shade structures to complement existing and future uses. Realise signage opportunities with First Nation and traditional name. Continue with infill areas of pavement, trees, planting and seating.

Phase	Description
Phase 3	<p>Proposed to be constructed in Financial Year 2026/27 or as funds are confirmed.</p> <p>Assuming the RAV Heavy Haulage Route has been implemented.</p> <p>Kerb line realignment.</p> <p>Central island median landscaping infill.</p> <p>New angled parking bays, with long vehicle parking off Roe Street.</p> <p>Additional shade structures to complement existing and future uses.</p> <p>Further infill areas of pavement, trees, planting and seating.</p>

If Council support this approach, design documentation suitable for Phase One would be progressed in order to deliver works as part of the 2022/23 Budget.

LEVEL OF SIGNIFICANCE

In accordance with Council's CG-8 Significant Decision Making Policy, this matter is considered to be of moderate significance in terms of financial issues.

The upgrade of the streetscape and road reserve will significantly improve the aesthetics of the main street of Roebourne and its activation in terms of the social, economic, environmental, cultural and wellbeing concerns.

STATUTORY IMPLICATIONS

There are no statutory implications applicable at the Masterplan Stage and this process will continue to be developed consistently with the Town Planning Scheme B and with key stakeholders such as MRWA.

COUNCILLOR/OFFICER CONSULTATION

Council has been regularly consulted with concepts presented to Council at its September 2021, December 2021, February 2022, and June 2022 briefing sessions.

Officers have undertaken consultation across all departments as part of the development of the concepts and options study.

COMMUNITY CONSULTATION

The design consultant developed a detailed community consultation strategy to ensure all key stakeholders within Roebourne were initially identified and procedures put in place to inform each stakeholder of the works and any impacts on traffic movement.

The community engagement process commenced with an Open Community Session held at Andover Park, Roebourne, in August 2021 with some twenty-two (22) attendees. Following the Open Community Session, several smaller focus group meetings were held between October 2021 and January 2022, mainly around existing schedules to mitigate "consultation fatigue" with the community and stakeholders. In summary, at each workshop stakeholder groups were advised of the project aims and collectively sought to provide local input on emerging issues and concerns and understand those meaningful stories and significant places within the town.

The following focus group workshops occurred during this period:

- Val & Kathy's Crafty Kitchen (8 Attendees) – November 2021
- Yinja-Barni Art Group (3 Attendees) – November 2021
- Ngarluma Yindjibarndi Foundation (2 Attendees) – November 2021
- 6718 Yandi for Change (11 Attendees) – December 2021
- Cheeditha Art Group (4 Attendees) – December 2021
- Ngaliyarndu Bindirri Aboriginal Corporation (2 Attendees) – December 2021

- Yindjibarndi Aboriginal Corporation (Board Briefing) – As required

To be consistent with past Masterplan processes, Officers recommend that the final Masterplan with preferred option be advertised for community comment.

POLICY IMPLICATIONS

There are no policy implications.

FINANCIAL IMPLICATIONS

In its 2022/23 Budget, Council allocated \$1,000,000 (excl GST), to deliver an initial first phase of the associated streetscape works.

Should Council agree with the Officers' recommendation and endorse the Streetscape Masterplan concept, it could result in significant investment (potentially up to \$21m) in the Roebourne streetscape and townscape and provision would be required in the City's Long Term Financial Plan. It is also envisaged that Council will review the ongoing commitment to this project as part of the annual budget review process and pending the tender outcome of the first phase construction works anticipated before the end of the current calendar year.

All costs exclude the public art component of the project that would typically see one per cent allocated to Public Art, in accordance with the Public Art Policy.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2020-2030 and the Corporate Business Plan 2020-2025. In particular, the Operational Plan 2022-2023 provided for this activity:

Programs/Services:	1.a.2.2	Parks and Gardens
Projects/Actions:	1.a.2.2.19.2	Progress Designs for Roebourne Streetscape Masterplan

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	Low	Aligns with the City's commitment to plan appropriate infrastructure and services to support good health and wellbeing.
Financial	Moderate	Implementation of the Roebourne Streetscape Masterplan involves an ongoing financial commitment from Council in response to available funding and suitable progressive staging of the works.
Service Interruption	Low	Any service interruption of existing amenities will be managed with a contractor when they perform the works, while any interruption of the RAV network and road in the first stage of construction will be works performed by MRWA.
Environment	Low	Environmental constraints and opportunities have been identified as part of the consultants' Stage One, while environmental impacts of the construction will be managed by the contractor. Overall, the addition of extra trees and planting should have a positive effect on the environment.

Category	Risk level	Comments
Reputation	Moderate	The Streetscape Masterplan has been developed from a mixture of sourced information, developed and known data and community feedback. While improvements to the streetscape are likely to attract a positive reputational impact for the Council, failure to commit to improvements to a suitable level is likely to attract a negative impact on reputation.
Compliance	Low	Relevant policy requirement will be considered during design development.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

Council has previously endorsed other strategies, Masterplans and streetscape plans through to construction or implementation stage phase including the Karratha Revitalisation Strategy, the Karratha Planning Strategy, and the Roebourne Structure Plan.

Whilst all of these projects including the Roebourne Streetscape Masterplan have contained significant community consultation, publicly advertising for two weeks is seen as a good process to ensure broad community awareness.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:

Option 1

As per Officer's recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Section 3.18 of the *Local Government Act 1995* RESOLVES to NOT ENDORSE the Roebourne Streetscape Masterplan at this time and further review the scope and staging of the project.

CONCLUSION

Officers in conjunction with the design consultant have gathered a substantial collection of information from existing sources, new sources and from the community. This has resulted in the development of multiple long term streetscape development options including Option Three, which maximises the opportunities presented through the streetscape of the town.

By staging the construction of this Masterplan, it enables flexible budget management, regular opportunity for community feedback and consultation. This flexibility allows for the continual delivery of an effective streetscape that achieves the common goal of what Officers believe is the best available outcome for the township.

To be consistent with past masterplan processes, Officers recommend that Council advertise the draft plan seeking public comment and subject to that feedback either modify or adopt the plan for implementation.

OFFICER'S RECOMMENDATION / COUNCIL RESOLUTION

Res No : 155047
MOVED : Cr Bailey
SECONDED : Cr Nunn

That Council by SIMPLE Majority pursuant to Section 3.18 of the *Local Government Act 1995* RESOLVES to:

- 1. PROPOSE** Option Three as contained in the Roebourne Streetscape Masterplan Concept Design Report attached as the preferred long term plan to inform the overall direction for the streetscape development;
- 2. ADVERTISE** the draft Roebourne Streetscape Masterplan Concept Design Report for public comment for a two-week period; and
- 3. ADOPT** the Roebourne Streetscape Masterplan Option Three as attached to this report, subject to no material submissions being received during the advertising period and prepare to deliver the Phase One elements as outlined in this report and included in the 2022/23 Budget.

13.2 REQUEST FOR TENDER – SUPPLY AND LAYING OF CONCRETE

File No:	CM.552
Responsible Executive Officer:	Director Strategic Projects & Infrastructure
Reporting Author:	Parks and Gardens Coordinator
Date of Report:	1 July 2022
Applicant/Proponent:	Nil
Disclosure of Interest:	Nil
Attachment(s):	Nil

PURPOSE

For Council to consider inviting tenders for the Supply and Laying of Concrete.

BACKGROUND

The City of Karratha (City) maintains over 100kms of footpaths and 418 kms of kerbs across all towns within the District. Council has adopted a footpath construction and renewal program to develop and replace footpaths each year. Kerbs are typically replaced at the end of their material life, when significantly damaged or in association with road reseal projects.

To deliver these programs and maintenance the City has historically tendered the works due to the cost, nature of the skills and equipment required to deliver the services. Most recently the City engaged a contractor for Supply and Laying of Concrete under RFT 29-18/19 on 1 November 2019 for a period of three years.

There were two one-year extension options available, however the contractor has declined the first of these citing the contract pricing variation mechanism is not reflective of the actual current local material and labour costs, exacerbated by a cost schedule that does not account for mobilisation costs in full to undertake small quantities of works in the outlying towns.

If Council support tendering a further contract, and in order to have flexibility in the nature of the works that may be engaged, the scope of the works proposed in the request for tender would comprise, in part:

- Installation of new concrete footpaths;
- Repair and replacement of existing footpaths;
- Installation of new crossovers;
- Repair and replacement of essential existing crossovers;
- Installation of new concrete extruded kerbing;
- Repair and replacement of existing concrete extruded kerbing;
- All earthworks associated with the removal / installation of footpaths, kerbing, and crossovers;
- Options for Stencilled concrete finish;
- Options for Exposed aggregate finish;
- Options the installation of bollards and handrails associated with concrete works;
- Installation and repairs to parks mowing kerbs;
- Disposal of all removed concrete;

- Remedial back fill works;
- Supply and Install Compacted gravel; and
- Other concrete works as required.

All works would be required in accordance with City's technical specifications.

Officers have considered an in-house option however, the City has a limited current capacity of staff with the necessary concreting experience and is unable to complete the large scope of works without impacting on current programs. Additionally, the City does not have the specialised machinery and equipment required to undertake the works and would have to procure these to do so. The City can and does undertake minor repairs and installations and will continue to complete these services in-house.

It is proposed that the contract be for a term of three (3) years with two (2) x one (1) year extension options exercisable at the sole discretion of the City.

LEVEL OF SIGNIFICANCE

In accordance with Council Policy CG-8 Significant Decision-Making Policy, this matter is considered to be of low significance in terms of economic issues.

STATUTORY IMPLICATIONS

Tenders for the works are proposed to be called in accordance with Section 3.57 of the *Local Government Act 1995* and associated *Regulations*.

COUNCILLOR/OFFICER CONSULTATION

No Councillor or Officer consultation is required.

COMMUNITY CONSULTATION

No community consultation is required.

POLICY IMPLICATIONS

CG11 – Regional Price Preference and CG12 – Purchasing Policies are applicable to this matter.

The following tender selection criteria is proposed for this service contract:

Criteria	Weighting	Justification
Relevant experience	20%	The technical ability to undertake a full range of concrete works for footpaths and kerbing to meet the City's requirements under their capital renewal and 10-year footpath strategy.
Capacity to deliver	10%	It is important that the contractor has the appropriate resources available to deliver services including labour, machinery and material supply.
Methodology	15%	The contractor must understand the scope, specifications, testing and standards of concrete works.
Sustainability	5%	Determining practices to extend the longevity of the concrete to reduce the need for renewal and associated works and environmental impacts.
Price	50%	Price is an important consideration and is weighted relatively high. Local price preference will be applied.

FINANCIAL IMPLICATIONS

Council has historically allocated approximately \$700k annually to the 10-year footpath development strategy and has listed \$818k in the 2022/23 Budget to the next stage of footpath construction works.

An additional \$676k is allocated in the 2022/23 Budget for kerbing and footpath renewals and new kerbing. The total spend under RFT 29-18/19 Supply & Laying Concrete's to date is \$3.13m. If similar works continue to be funded by Council the estimated contract spend could total \$6m over the proposed 5 year contract term.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2020-2030 and the Corporate Business Plan 2020-2025. In particular, the Operational Plan 2022-2023 provided for this activity:

Programs/Services:	1.a.1.1	Civil Infrastructure Works Construction and Maintenance.
Projects/Actions:	1.a.1.1.20.1	Design and Implement Footpath Renewal Plan.
Programs/Services:	1.a.1.1	Civil Infrastructure Works Construction and Maintenance.
Projects/Actions:	1.a.2.1.19.2	Implement Kerb Renewal Plan.
Programs/Services:	1.a.1.1	Civil Infrastructure Works Construction and Maintenance.
Projects/Actions:	1.a.1.5.22.4	Progress Construction of the City's Footpath Construction Strategy along Dampier Road.
Programs/Services:	1.a.2.1	Civil Infrastructure Works Construction and Maintenance.
Projects/Actions:	1.a.2.1.19.4	Maintain 5 year operational renewal programs for roads, footpaths, kerbing and drainage.

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	N/A	Nil
Financial	Low	Expenditure to be monitored against approved budgets.
Service Interruption	Moderate	Lack of routine maintenance or poor responses to breakdowns could lead to service interruptions.
Environment	N/A	Nil
Reputation	Moderate	Failure to maintain current service levels at the City's facilities could lead to community feedback and complaints.
Compliance	Low	All works are to be undertaken in accordance with relevant OSH provisions, Australian standards, legislation, and best industry practice.

IMPACT ON CAPACITY

Should Council support the recommendation, it is intended that the Contract be managed by the City's Asset Maintenance Department.

RELEVANT PRECEDENTS

The City has historically tendered for Supply and Laying of Concrete under RFT 29-18/19 awarded to Leethall Construction Pty Ltd which commenced on 1 November 2019 and is now due to expire on 31 October 2022.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:Option 1

As per Officer's recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Section 3.57 of the *Local Government Act 1995* RESOLVES to NOT INVITE tenders for the Supply and Laying of Concrete at this time and will procure services on a case-by-case basis.

CONCLUSION

A Request to Tender for Supply and Laying of Concrete is needed given the City's inability to undertake the works in-house and noting that the existing contract is due to expire in October 2022. This will allow the City to continue implementing the 10-year footpath strategy and other renewal and maintenance works in a timely manner.

OFFICER'S RECOMMENDATION

That Council by SIMPLE Majority pursuant to Section 3.57 of the *Local Government Act 1995* RESOLVES to:

1. INVITE tenders for Supply and Laying of Concrete for the period of three (3) years with three (3) x one (1) year extension options, exercisable at the sole discretion of the City and in accordance with the scope of works as outlined in this report; and
2. ENDORSE the tender selection evaluation criteria as follows:

Criteria	Weighting
Relevant Experience	20%
Capacity to Deliver	10%
Methodology	15%
Sustainability	5%
Price	50%

COUNCIL AMENDED RESOLUTION

Res No : 155048
MOVED : Cr Bertling
SECONDED : Cr Furlong

That Council by SIMPLE Majority pursuant to Section 3.57 of the *Local Government Act 1995* RESOLVES to:

1. INVITE tenders for Supply and Laying of Concrete for the period of three (3) years with three (3) x one (1) year extension options, exercisable at the sole discretion of the City and in accordance with the scope of works as outlined in this report; and
2. ENDORSE the tender selection evaluation criteria as follows:

Criteria	Weighting
Relevant Experience	25%
Capacity to Deliver	25%
Price	50%

CARRIED

FOR : Cr Long, Cr Nunn, Cr Bailey, Cr Bertling, Cr Furlong, Cr Gillam, Cr Harris, Cr Miller, Cr McNaught, Cr Scott
AGAINST : Nil
REASON : Councillors modified the Officer's recommendation to increase the emphasis on relevant experience and capacity to deliver in relation to the evaluation criteria.

13.3 TENDER FOR CONSTRUCTION OF CITY HOUSING

File No:	CP.182
Responsible Executive Officer:	Director Strategic Projects & Infrastructure
Reporting Author:	Manager Infrastructure Projects
Date of Report:	8 July 2022
Applicant/Proponent:	Nil
Disclosure of Interest:	Nil
Attachment(s):	House Designs

PURPOSE

For Council to consider inviting tenders for the construction of two residential houses on Lot 705 Brolga Meander and Lot 740 Kingfisher Way, Nickol.

BACKGROUND

Access to, and the cost of housing, is a critical issue facing residents in the City of Karratha and a major factor to achieve the City's vision of becoming Australia's most liveable regional City. The City has adopted a multi-pronged approach in support of a range of house and land initiatives, including advocating for the release of additional and affordable residential land and to encourage residential development.

In support of this strategy, the City has been progressing a series of initiatives to directly provide more house and land stock to market. The City has recently acquired or is investigating the acquisition of vacant land with plans to further developing housing projects to compliment the initiatives that are already underway. The following is a summary of the current City's Housing Initiatives being progressed;

Lot No	Street Address	Land Size (sqm)	Status
611	Mayo Court, Nickol	2,389	Final 5 of 9 houses under construction in Development Agreement with GBSC Yurra that are scheduled to be completed in July 2022.
7018 / 7020	Welcome Road, Karratha	7,000	Development Application submitted and Design Development process ongoing for 82 Apartment Mixed Use Residential Development in the City Centre.
969	Shakespeare Street, Bulgarra	10,600	Contract awarded to Trasac Contracting for the redevelopment of 30 Units to be allocated as part of the Affordable Housing Strategy. The initial six Units scheduled for handover at the end of July 2022.
651	Hancock Way, Bulgarra	11,100	The 20 lot subdivision is completed and currently available for purchase. The City has retained six lots and is evaluating the appointment of the consultant team for the design of six houses. Subject to

Lot No	Street Address	Land Size (sqm)	Status
			acceptance of the design Council has allocated funding to commence construction on Lots 1,3 and 9 Hancock Way and Lots 11,16 and 17 in the 2022/23 FY
Various	Wickham Housing	Various	In discussions with RIO Tinto to acquire 6 lots and consider construction of 4 houses for WACHS in support of government workers being based in the town
636	Nairn Street, Bulgarra	5,502	Recently acquired from the State Government. Pending the appointment of a consultant to inform the feasibility and yield investigations in 2022/ 23 FY.
655	Warrier Street, Bulgarra	2,956	Recently acquired from the State Government. Pending the appointment of a consultant to inform the feasibility and yield investigations in 2022/ 23 FY.
1926	Ridley Street, Bulgarra	5,105	Recently acquired from the State Government. Pending the appointment of a consultant to inform the feasibility and yield investigations in 2022/ 23 FY.
705	Brolga Meander, Nickol	659	Vacant land. Ready for development. Construction funding included in the 22/23 Budget
740	Kingfisher Way, Nickol	637	Vacant land. Ready for development. Construction funding included in the 22/23 Budget.

In September 2021, Council awarded a design and construct contract to the Broome based builders H & M Tracy Construction Pty Ltd for two Manager standard houses at Lot 705 Brolga Meander and Lot 740 Kingfisher Way in Nickol.

Considering the block size available, R20 zoning, and the existing City housing stock, Council supported the construction of two 4x2 Manager equivalent standard houses be considered to complement the existing stock. The scope of work proposed was based on the construction of a largely a brick veneer construction four-bedroom, two bathroom houses with a minimum 195 sqm of floor area, alfresco, storeroom, double car port and landscaped to a quality standard. The model developed by the design and construct contractor was based on the same floor plan for the two Lots, and with only minor adjustments in terms of the landscaping and alfresco area in response to the individual lot dimensions and orientation.

The design and construct contractor has progressed the design documentation to a level suitable to submit for Building Permit. However, since the award notice, the construction market has been subject to significant price increases due to the cost and availability of labour and materials. Given the time that has elapsed since the contract was awarded, and as a direct result of these escalation factors, both parties have agreed not to proceed with the current construction stage.

Noting the unsuccessful outcome of the design and construction contract, and should Council still wish to pursue the development, Officers propose to utilise the designs developed through this exercise and tender for the construction only of the two houses on

these lots. The documentation for the two houses, prepared by the design and construct contractor, was realised through this contract for a negotiated value. While adopting a comparable brief to the City's existing Managers house, the design outcome for the two Lots is relatively site-specific. However, as an alternative to potentially reduce costs, Officers highlight a design for a reduced scope staff housing model or reducing the 195 sqm built area could be considered, although this would have a new design cost and period associated with its adoption.

Refer also to the Attachment 1- Design Drawings

If supported, Officers propose a competitive construction tender process targeting local builders to build the new houses. Based on the design and construct outcome, and the current construction market, it is anticipated that the 'construction only' process, if implemented, should be straightforward for local builders to submit for tendering purposes. It is expected that the onsite construction of the two houses is approximately thirty-two weeks within the current construction market.

As highlighted later in the Financial Implication section of this Report, there is a premium associated with proceeding with construction in the current construction market. While mindful of this, the Council has committed, through the City Housing Initiatives, to aim to improve housing availability and affordability, the number one issue raised in our 2021 Annual Community Survey. While not traditionally a Local Government issue, the Council has established a mandate to do what it can to respond to the housing challenge. Including advocating for the release of additional and affordable residential land and encouraging local residential development. This initiative is equally reflected in the provision of quality accommodation to attract and retain suitably skilled City staff.

If supported, it is proposed that AS 4000 – 1997 General Conditions of Contract will be utilised for the appointment of a suitable contractor to build the two houses.

LEVEL OF SIGNIFICANCE

In accordance with Council policy CG-8 Significant Decision Making policy, this matter is considered to be of high significance in terms addressing the City's strategic objectives whilst supporting local businesses.

COUNCILLOR/OFFICER CONSULTATION

The City's Housing and Land Development Initiative has been the subject of Councillor Briefing Sessions regularly for the past thirty-two months including each month of 2022.

COMMUNITY CONSULTATION

The recent City of Karratha Business Climate Scorecard received 191 submissions which identified four challenges impacting the ability for businesses to operate or expand. One of these is access to affordable housing for workers which saw an increase of 22%.

STATUTORY IMPLICATIONS

Tenders are proposed to be called in accordance with the section 3.57 of the *Local Government Act 1995* and associated regulations.

POLICY IMPLICATIONS

Council Policies CG12 – Purchasing and CG11 – Regional Price Preference are applicable to this matter.

Based on a construction only phase, the following tender section criteria is proposed:

Selection Criteria	Weighting
Sustainability	5%
Relevant Experience	10%
Methodology	15%
Capacity to Deliver	20%
Price Schedule	50%

The proposed evaluation criteria for the Building Construction Services are consistent with Council Policy CG12 – Purchasing.

FINANCIAL IMPLICATIONS

Initially Council allocated \$1.335m to the design and construction of two houses including a construction contingency based on the initial estimated construction value of \$650k (excl. GST) for each house. To date a negotiated value of \$40,000 (excl. GST) has been committed to the design documentation with the balance of the construction budget allocated to the Financial Year 2022/ 23 for the construction of two houses on these Lots. However, Officers suggest noting the recent cost escalations, a construction cost in the order of \$750k to \$800k (excl. GST) may now be required to construct each house. It is proposed pending the tender outcome consideration will be required as part of Council's Budget Review process in November 2022, as necessary.

Historically, when the City has constructed houses, it has been for growing staff requirements, however in recent times surplus properties have been made available to the private market thus providing a sound investment return. Arguably, further staff houses are not required at this time, so should more houses be constructed, they would need to satisfy a range of different objectives. Additional housing could be developed to:

- Provide a financial return.
- Contribute to a Quality Urban Development outcome.
- Ensure City actions are consistent with what we are asking of others (i.e.: don't sit on residential land).
- Staff housing – rejuvenation and potential 'churn' with lower quality properties possibly being made available for sale in the future.
- Provide further stimulus to the local building market.
- Provide further housing choices for the private rental market in Karratha.

Evidence from local real estate agents suggests that good standard 4x2 properties on larger lots are in demand. As of 12 July 2022, a search of the available equivalent 4x2 properties in Karratha indicated one comparable property, in terms of age and amenity, was listed at a weekly rent of \$1,250. In the same period, the City does not currently have any Manager standard houses available for private rents given the current uptake and demand from its City employed personnel.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2020-2030 and the Corporate Business Plan 2020-2025. In particular, the Operational Plan 2022-2023 provided for this activity:

Programs/Services:	2.c.1.2	Land Development and Management
Projects/Actions:	2.c.1.2.22.2	Complete construction of two residential dwellings at Jingarri Estate Nickol (staff housing)

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	N/A	Nil
Financial	Moderate	There is a financial risk in investing in property development however any anticipated rental yield on the private market would mitigate this risk.
Service Interruption	Medium	Construction of additional housing in the City is seen as a key objective to support labour supply. Future tenancy options for the properties will be contemplated should the development progress.
Environment	N/A	Nil
Reputation	Low	The City currently owns 61 houses. Construction of a further 2 properties is consistent with the City's vision. The development on these two lots further stimulates the residential construction market and demonstrates that the City is leading by example and not land banking for future needs.
Compliance	Low	Tenders would be administered in accordance with the <i>Local Government Act 1995</i> and associated regulations.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

Supervision of the works is proposed to be undertaken in the City's Infrastructure Projects Team and coordinated in consultation with various departments.

RELEVANT PRECEDENTS

The City currently owns 61 residential houses. This number includes the four houses recently completed under the housing initiative partnership with GBSC Yurra.

Council took its most recent decision to construct housing in December 2020, when it agreed to partner with GBSC Yurra to build the nine (9) houses. Before this, in 2011 Council also agreed to build new staff housing.

VOTING REQUIREMENTS

Simple Majority.

OPTIONS:Option 1

As per Officer's recommendation.

Option 2

That Council by SIMPLE Majority pursuant to Section 3.18 of the *Local Government Act 1995* RESOLVES to NOTE the detail contained in this report and NOT CALL tenders for the construction of two residential houses at this time.

CONCLUSION

The need for the development of additional residential housing in Karratha is apparent. The City is currently progressing a range of land and housing developments aimed at complimenting Development WA and private investments within the City. The City currently owns two lots that are available for residential construction. Progressing development on these two lots will provide new property to the local rental market and further stimulate the

local residential building sector. Inviting tenders will allow for the progression of the two houses on Lot 705 Brolga Meander, Nickol and Lot 740 Kingfisher Way, Nickol, as part of the City's ongoing housing initiative.

OFFICER'S RECOMMENDATION / COUNCIL RESOLUTION

Res No : 155049
MOVED : Cr McNaught
SECONDED : Cr Miller

That Council by SIMPLE Majority pursuant to Section 3.57 of the *Local Government Act 1995* RESOLVES to:

- 1. CALL tenders for the construction of two residential houses on Lot 705 Brolga Meander, Nickol and Lot 740 Kingfisher Way, Nickol;**
- 2. ENDORSE the building scope of works to construct 2 Manager houses with the designs attached; and**
- 3. ENDORSE the tender selection criteria and associated weightings as follows:**

Criteria	Weighting
Sustainability	5%
Relevant Experience	10%
Methodology	15%
Capacity to Deliver	20%
Price	50%

COMMON SEAL****Responsible Officer:** Chief Executive Officer**Reporting Author:** EA to CEO & Mayor**Disclosure of Interest:** Nil

PURPOSE

To advise Council of documents, as listed below, that have been stamped with the Common Seal of the City of Karratha since the last Council Meeting.

DATE	DOCUMENT
30/06/2022	Surrender of an Easement for Lots 111-114 Bedrock Turn Gap Ridge Industrial Estate associated with Subdivision for Metso Outotec.

14.2 CONCESSION ON FEES FOR COUNCIL FACILITIES

File No: CR.38

Responsible Executive Officer: Director Community Services

Reporting Author: EA Community Services

Date of Report: 29 June 2022

Disclosure of Interest: Nil

PURPOSE

To provide Council with a summary of all concessions on fees for Council facilities and services under Section 1.10 of the Delegations Register since the last Ordinary Council Meeting.

Name	Reason	Amount (ex GST)
Karratha Community House	Fee waiver x1 Family movie voucher REAP \$48.00 (incl GST)	\$43.64

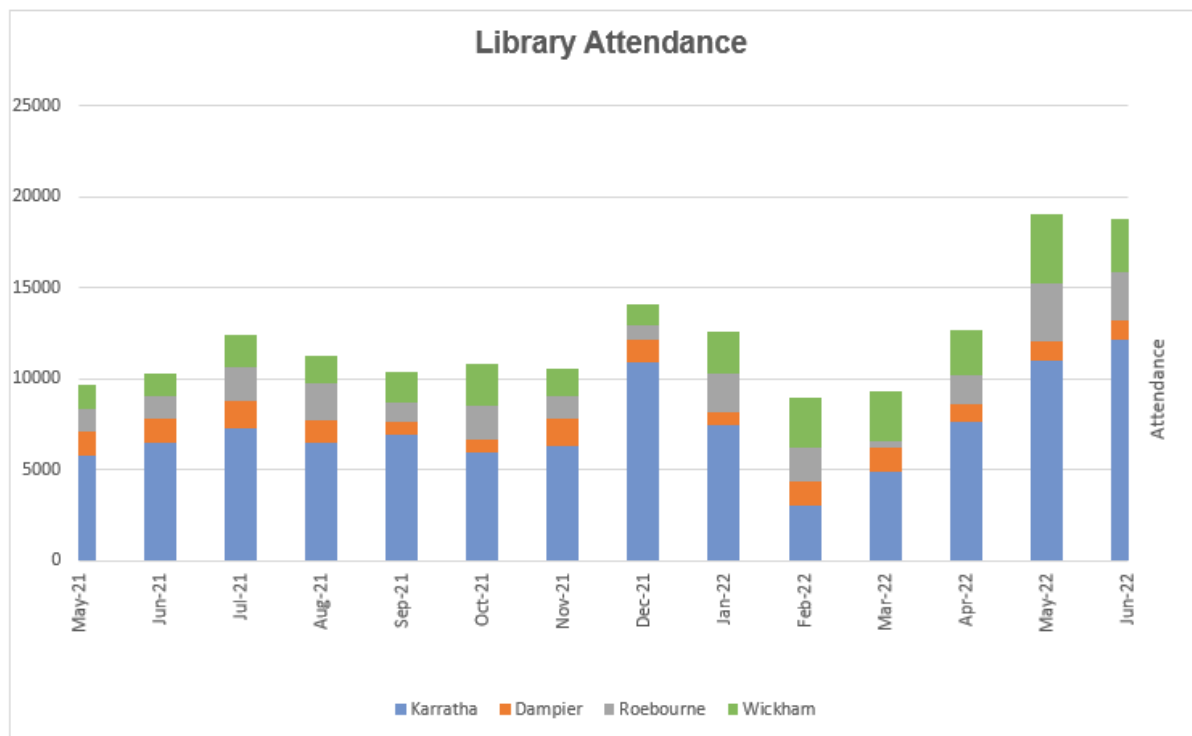

14.3 COMMUNITY SERVICES UPDATE**File No:** CS.23**Responsible Executive Officer:** Director Community Services**Reporting Author:** EA to the Director Community Services**Date of Report:** 1 July 2022**Applicant/Proponent:** Nil**Disclosure of Interest:** Nil**Attachment(s)** Nil**PURPOSE**

To provide Council with a Community Services update for June 2022.

Community Facility Attendance Summary

Facility Attendance	June 2021	June 2022	%
The Youth Shed	674	523	↓22%
The Base	675	972	↑44%
Total Library	10311	18809	↑82%
Karratha Leisureplex	44501	32067	↓28%
Wickham Recreation Precinct	2314	2735	↑18%
Roebourne Aquatic Centre	0	0	0%
REAP	5774	3803	↓34%
Indoor Play Centre	2590	1892	↓27%
Community Liveability Programs	June 2021	June 2022	%
Security Subsidy Scheme properties	16	34	↑113%
Meet the Street parties	1	0	↓100%

Library Services

Total Library:

3273 physical items and **740** eResources borrowed

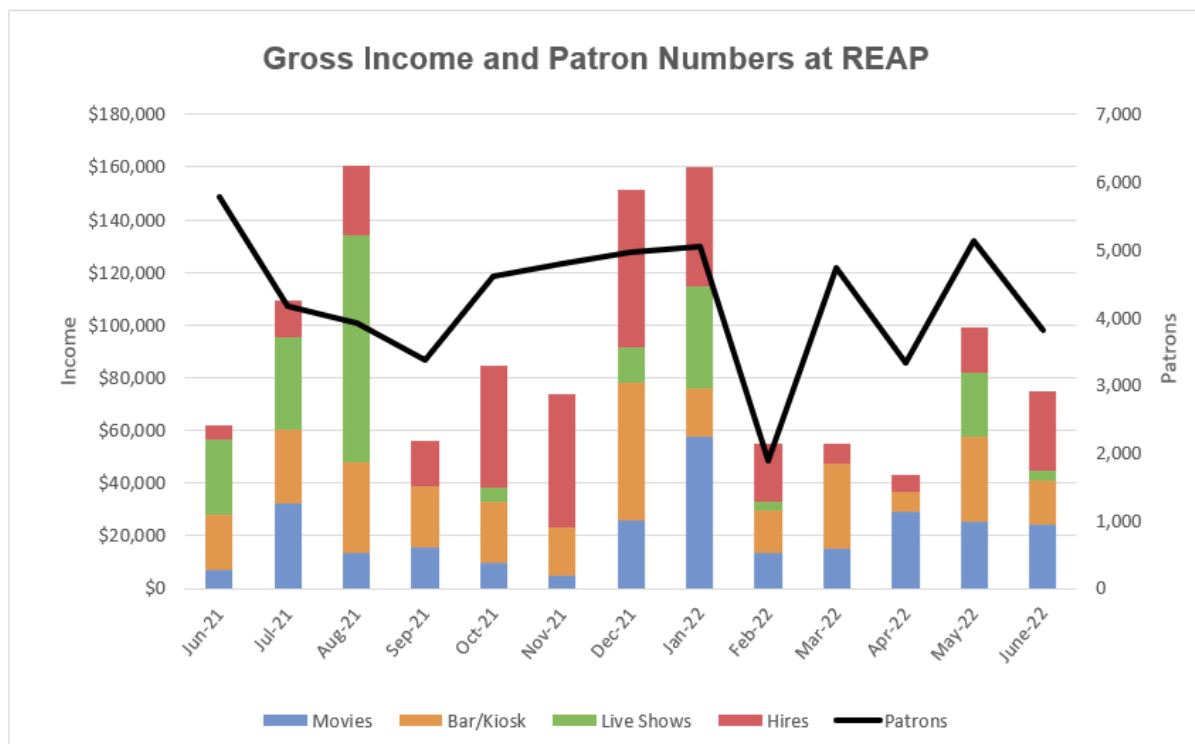

854 Individual computer log ins by members and guest (excludes Wi-Fi)

899 Program participants **62** at StoryTime, Rhyme Time, PAGES,PAGES Junior

9330 Total memberships and **3** external requests for local history information

Door count higher due to increase in travellers, programs delivery and attendance and guest PC use.

Red Earth Arts Precinct

Red Earth Arts Precinct:

23 movies were screened in June with a total attendance of **1865** and an average of **81** patrons attending each movie.

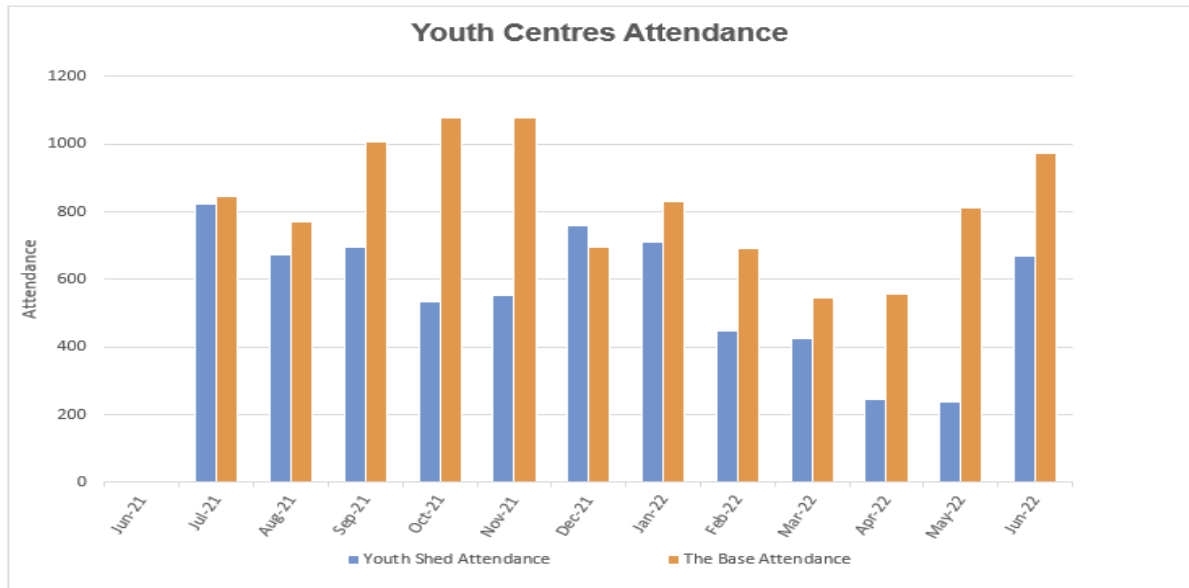

2 live theatre performances Melbourne based Rebel and Karratha ballet school yearly production.

15 venue hires including a large-scale live performance on the Amphitheatre of Amy Shark with **929** patrons attending.

450 delegates from across Australia attended The Pilbara Summit.

34% decrease to this time last year due to a decrease in live shows.

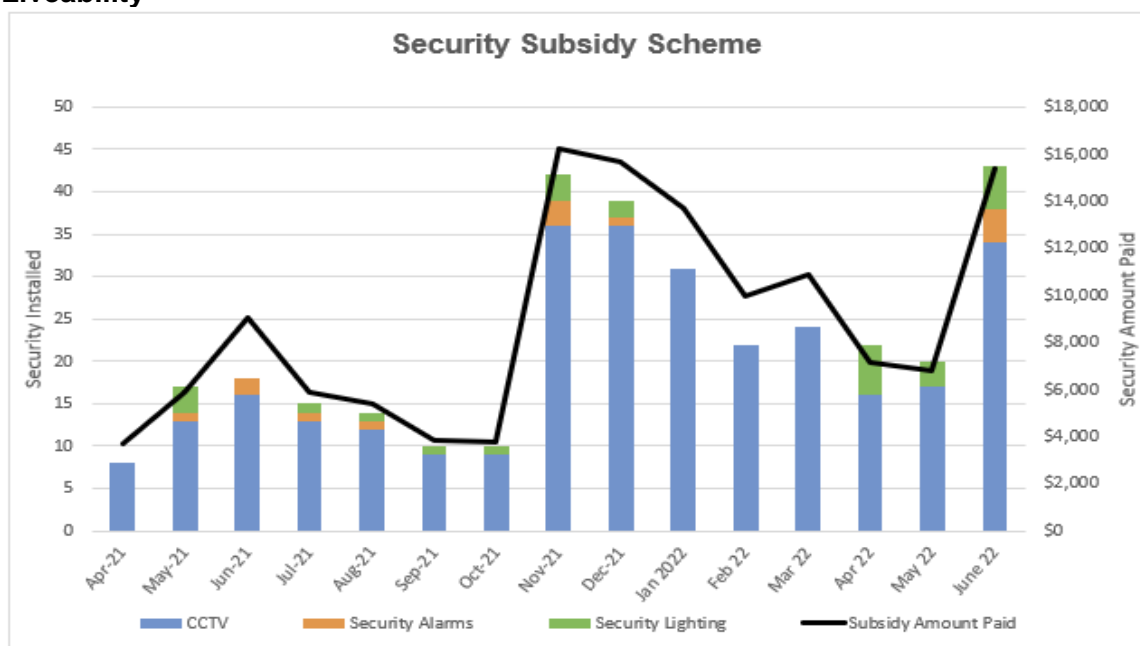

Youth Services

The Base and Youth Shed:

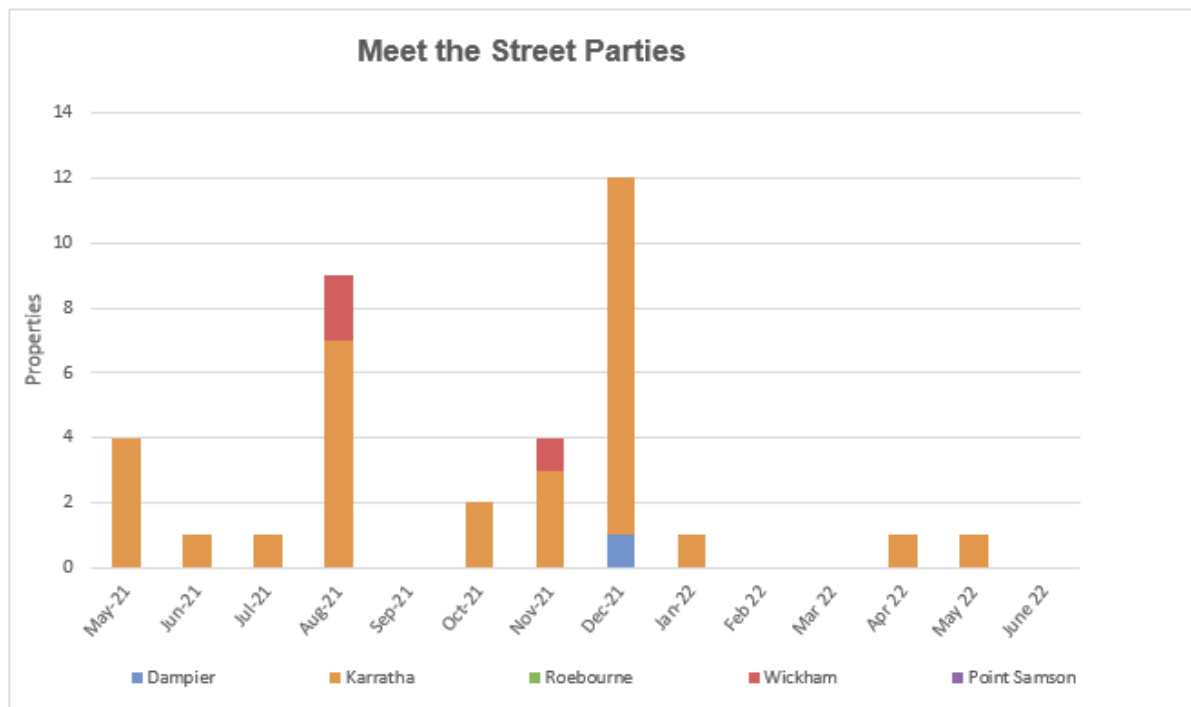

The youth Shed has seen a 22% decrease of visits compared to this time last year, this is due to COVID-19 in local community. However, compared to June 2021 the Base has a 44% increase in attendance.

Liveability

Security Subsidy Scheme:

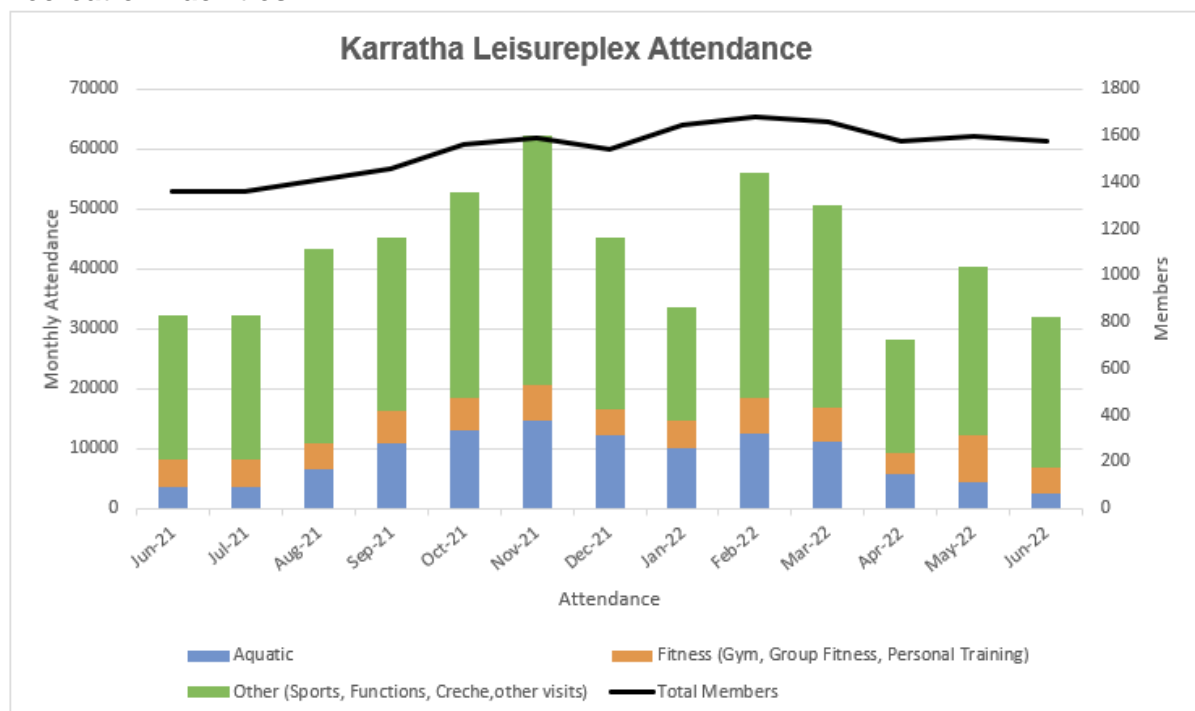

34 Security Subsidy Scheme applications received in June, with only **1** business application so far, however, officers expect more in the coming months with further promotion.

Meet the Street:

No Meet the Street for June, however, 3 events already scheduled for July. New marketing push scheduled for Meet the Street in July.

Recreation Facilities

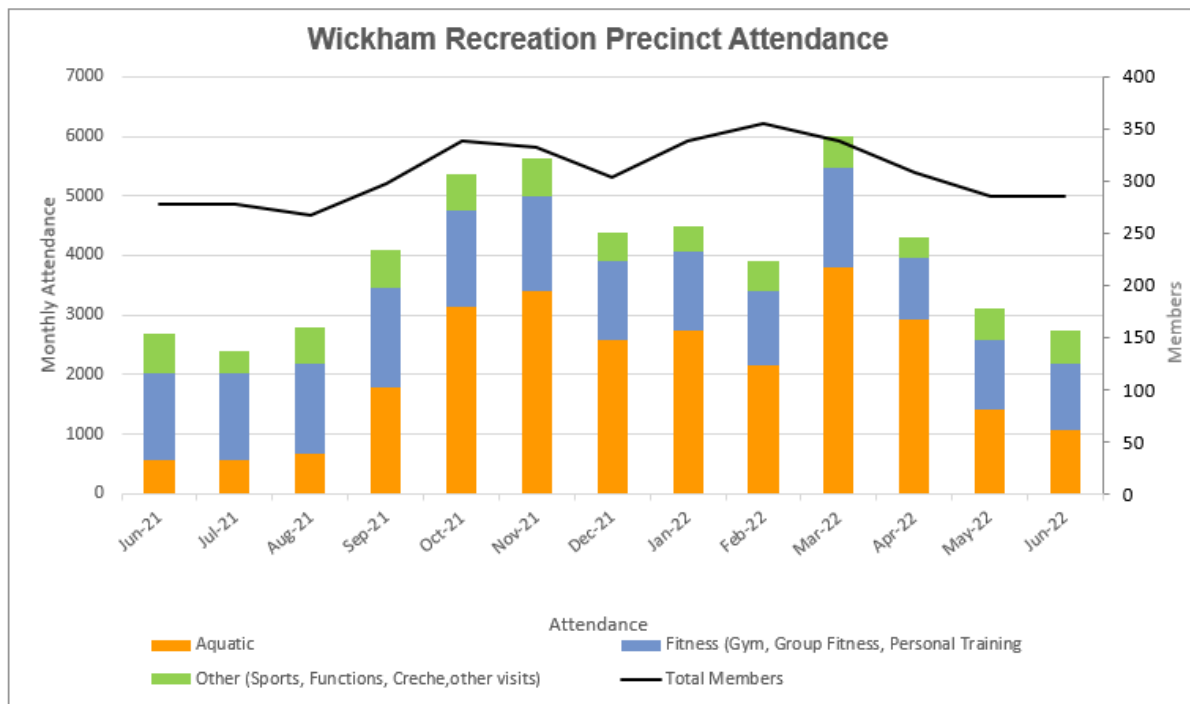

Karratha Leisureplex:

KLP attendance rates are 28% lower than this time last year due to COVID-19 active within the community and cooler weather. Annual attendance was 521,115 – just shy of last year's

532,834 (-2.1%). The slight drop in overall attendance can be attributed to restriction placed on spectators for several basketball days.

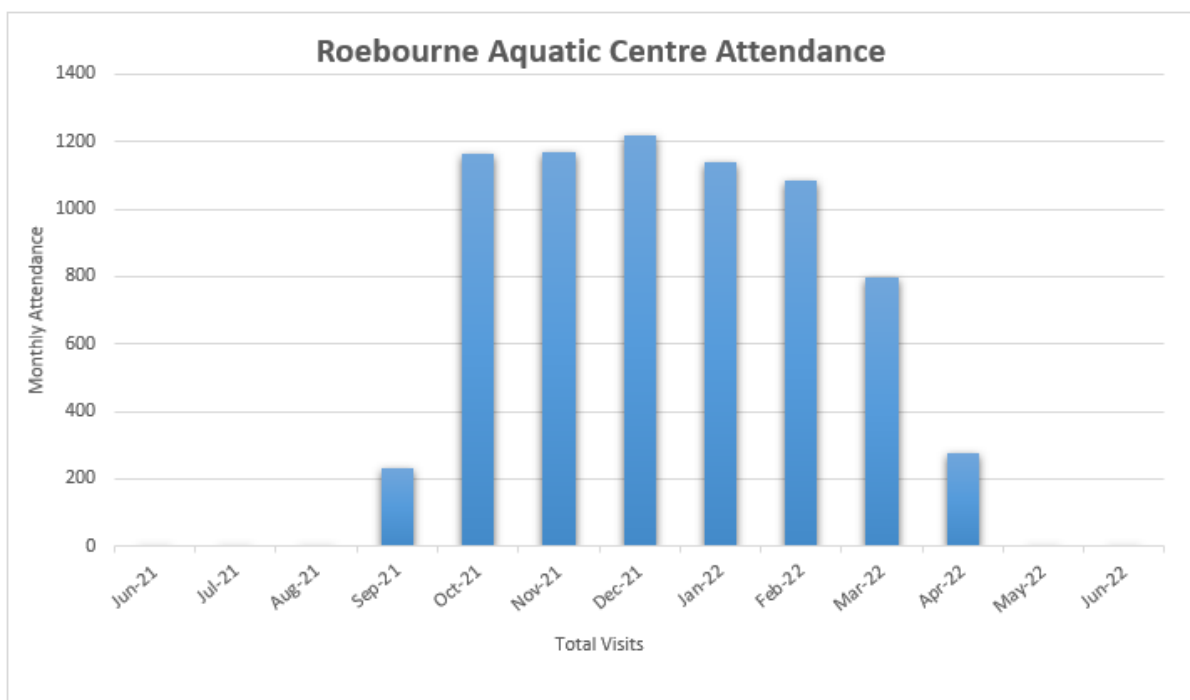

Gym attendance up **9.5%** for year – due to new expanded facility

Aquatic attendance up **3.6%** for year

Wickham Recreation Precinct:

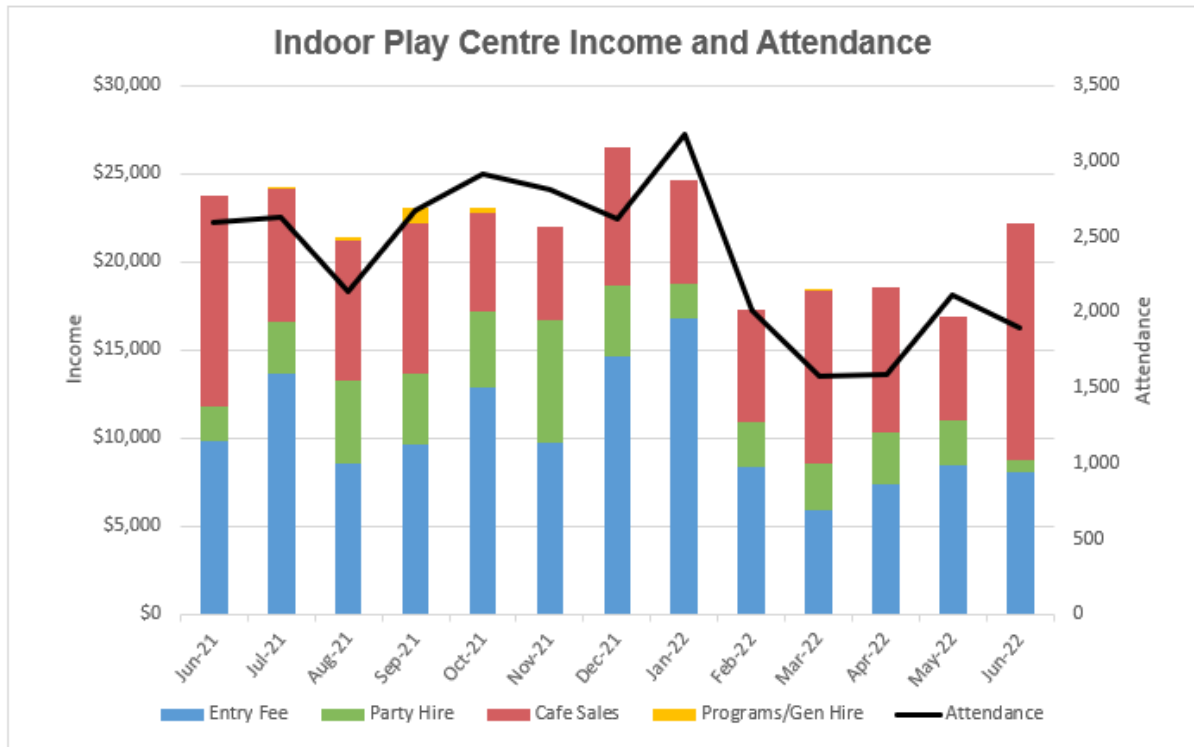

The WRP had 2,735 visits to the facility with an 18% increase from this time last year due to RAC being closed.

Roebourne Aquatic Centre:

RAC closure for winter.

Indoor Play Centre

Indoor Play Centre:

Decrease in parties, entry fees and café sales due cooler months with patrons enjoying the outdoors.

14.4 DEVELOPMENT SERVICES UPDATE

File No:	TA/1/1
Responsible Executive Officer:	A/Director Development Services
Reporting Author:	A/Director Development Services
Date of Report:	8 July 2022
Disclosure of Interest:	Nil
Attachment(s)	Nil

PURPOSE

To provide statistics from Development Services for Council's information for the period 1 June to 30 June (inclusive).

- High estimated construction value of building works approved this reporting period due largely to stages of workforce accommodation approved for Bechtel's construction camp in Gap Ridge and BCI's construction camp at its Mardie Salt Project.
- Average processing timeframe for development applications 31 days for the reporting period. This is due to position vacancies but is still half statutory period.
- Over 4,000 visitors to the Karratha Visitors Centre and 828 coastal camping sites booked across Cleaverville and 40 Mile this reporting period.
- 42 inspections undertaken by Environmental Health Officers this reporting period. This number of inspections has not been achieved since December 2019.
- High number of public health complaints relates to mosquitoes. All towns fogged for mosquitoes between 22 June and 7 July.
- LHAAC Food sampling project completed mid-June (cut fruit and veg)
- Most impounded dogs are being returned to owners or rehomed by SAFE.
- Rangers targeting illegal camping to make sure it does not become a problem around town.
- 3 of the 12 current projects in Development Services completed this reporting period. This will allow focus to shift to 2022/23 projects. 5 projects are on target, 3 are within tolerance and 1 require attention.
- There were 217 bookings made through the Mobile Trading Roster across 4 sites.

Active Direction Notices (Planning & Development Act):	10
- Direction notices complied with this period	0
- Not complied but within notice period	8
- Outside notice period and not complied	1
- Outside notice period but being complied with	1
- Expired and in Court process	0

PROJECT LIST				
PROJECT	CONSULTANT	MOST RECENT ACTION	NEXT ACTION	STATUS
Local Planning Scheme	Edge Planning	Council resolved to prepare Local Planning Scheme No.9. Draft Issues Paper has been prepared for City review.	Brief Councillors on key issues to be considered as part of Scheme Review.	Requires Attention
Public Health Plan	Mark Chadwick	Adopted by Council for advertising.	Advertising	In tolerance
Mosquito Management Plan	Summers Consulting	Published on Sharepoint (internal operations)	No further actions required	Completed
Small Business Friendly Approvals Project	Nil	Implementation Plan signed off by CEO and provided to Small Business Development Corporation. Internal working group meeting regularly to deliver program.	Continue to deliver projects and meet to facilitate project delivery and reporting.	On Target
Cleaverville FMP Implementation	BRIDA	Works completed.	Report to Coastwest in accordance with funding agreement and inform community.	Completed
Gnoorea (40 Mile) FMP Implementation	BRIDA	Works completed.	Report to Santos in accordance with funding agreement and inform community.	Completed
Gnoorea (40 Mile) FMP Review	Nil	Public notification of review process. Site visit with Wirriwarndi Aboriginal Corporation. Public meeting.	Review submissions received. Present updated FMP document to Council.	On Target
Roebourne Heritage Precinct	Nil	Letter sent to DPLH on 2 March 2021 advising of Council's decision at its February meeting, namely that it is the City's preference the the State undertake an ROI process similar to that undertaken for Cossack. Response from DPLH received 18 February 2022. DPLH has indicated that it intends to gauge interest in the transfer and management of the precinct via a ROI process. DPLH has requested that the City provide its comments regarding the proposed disposal and ROI process. City provided letter of support for ROI process in March 2022.	Meet with DPLH to clarify timeframes for ROI process.	On Target
Direct Area Migration Agreement	Nil	Agreement approved by Minister for Immigration March 2022. Town of Port Hedland approved operational funding model in March 2022.	Deliver information sessions on 4 and 5 May 2022. DAMA to become operational on 9 May 2022. Obtain DoHA approval of website content and forms. Establish regular management meeting with RDA Pilbara and the Town of Port Hedland.	On Target
Shakespeare Precinct Scheme Amendment	Hames Sharley	Scheme Amendment submitted to Western Australian Planning Commission for consideration. Preliminary response from Department of Planning received.	Prepare response to Department of Planning to address key issues raised.	In tolerance
Pilbara Clean Energy Cluster	Market Creations	Pilbara Hydrogen Roadmap and Cluster Management and Funding Model circulated to Cluster Members for feedback.	Incorporate feedback into operating model and priority areas. Finalise contract extensions with NERA and Market Creations. Arrange Working Group meetings.	On Target
Strategic Land Acquisition	Nil	Contracts / Transfers received - project handover to Governance to execute contracts and effect settlement prior to June 30.	Pending Settlement	In tolerance

Applicant/Proponent:	Nil
Disclosure of Interest:	Nil
Attachment(s):	Confidential – Tender Evaluation Report

PURPOSE

For Council to consider the tender for the Karratha Airport (KTA) Parking Access Control Equipment Replacement Tender, Number RFT21-21/22.

BACKGROUND

The City of Karratha (City) owns and operates the KTA and its terminal carpark adjacent to the main terminal building. Passenger movement through the terminal and Car Park fluctuates between 900 and 1600 passengers per day with strong recovery post Covid-19 restrictions. These numbers are projected to further increase based on several resource sector construction projects in the coming years.

The current parking infrastructure includes five car parks catering for short-term, long-term, rental cars and a bus and taxi parking lane within the controlled parking areas. The existing ticket access parking control equipment has been supplied by Designa and was originally installed in 2011 and later upgraded in 2016 and is fast approaching its end of operating life.

Officers investigated a series of options to replace the ticket access parking system due to ongoing maintenance and performance issues and to consider the introduction of technology solutions that would reduce ongoing costs and simplify management. This included consideration to automated vehicle identification systems. The imperative was to replace the current system however Officers included further potential works to enable consideration to expanding the car park management system in to the future. The scope of services for this tender were contained in two separable portions as follows:

- Separable Portion 1 - includes replacement and installation of new access control equipment that is ticketless with an automated vehicle identification system to the five car parks as listed above; and
- Separable Portion 2 - includes installation of cash and credit card pay machines, access control equipment as detailed in Separable Portion 1 for the existing Bus Parking area and creation of a similar system for the oversized vehicle parking area.

Tenders were invited under CEO's delegation and were advertised on 30 March 2022 and closed 6 May 2022.

Seven (7) were received by the closing date from:

- Designa Australia Pty Ltd
- Frogparking Limited
- Parcsafe Pty Ltd
- Peritus Technology Pty Ltd
- Sensor Dynamics
- Skidata Australasia
- TMA Austalia Pty Ltd

The tenders were evaluated by a three (3) person panel comprising of:

- Manager Airport
- Airport Commercial & Terminal Coordinator
- Enterprise Technology Coordinator

The tenders were first assessed for compliance with the tender documents. The tenders were then assessed against the qualitative criteria that were weighted.

The criteria and associated weightings were:

Criteria	Weighting
Relevant Experience	5%
Quality	20%
Capacity to Deliver	15%
Price	60%

The Regional Price Preference Policy was not applied to any of the submissions as no tenderers were local.

A copy of the Evaluation Report is contained within the confidential section of the agenda.

The Director Strategic Projects & Infrastructure and the Chief Executive Officer have endorsed the recommendation.

LEVEL OF SIGNIFICANCE

In accordance with Council policy CG-8 Significant Decision Making policy, this matter is considered to be of moderate significance in terms of social and economic issues.

STATUTORY IMPLICATIONS

Tenders were invited in accordance with Section 3.57 of the *Local Government Act 1995* and associated regulations.

COUNCILLOR/OFFICER CONSULTATION

Consultation has taken place between panel members as part of the tender evaluation process.

COMMUNITY CONSULTATION

No community consultation is required.

POLICY IMPLICATIONS

Council Policies CG12 – Purchasing and CG11 – Regional Price Preference is applicable to this matter.

FINANCIAL IMPLICATIONS

Council has allocated \$350,000 in its 2022/23 Budget towards these works. All tender submissions received, exceeded the pre-tender estimates for the replacement of carpark equipment.

Should Council agree to award the tender, further funds will need to be provided to complete the scope of works.

STRATEGIC IMPLICATIONS

This item is relevant to the Council's approved Strategic Community Plan 2020-2030 and the Corporate Business Plan 2020-2025. In particular, the Operational Plan 2022-2023 provided for this activity:

Programs/Services:	1.a.1.4	Airport Facility Management
Projects/Actions:	1.a.1.4.21.1	Complete Car Park equipment replacement

RISK MANAGEMENT CONSIDERATIONS

The level of risk to the City is considered to be as follows:

Category	Risk level	Comments
Health	N/A	Nil
Financial	Moderate	Tendered costs have exceeded the original estimates. Council will need to consider options for scope and budget for award and delivery of the project.
Service Interruption	High	Delays in replacing existing carpark equipment will result in unnecessary holdups with traffic movements.
Environment	N/A	Nil
Reputation	High	Fully automated vehicle identification system will provide a positive customer experience with a frictionless entry and exit from carparks.
Compliance	Low	All products are to be designed, constructed and installed to appropriate Australian Standards.

IMPACT ON CAPACITY

There is no impact on capacity or resourcing to carry out the Officer's recommendation.

RELEVANT PRECEDENTS

Council has previously awarded a tender for carpark equipment under RFQ 01-14/15 Karratha Airport Car Park Upgrade.

VOTING REQUIREMENTS

Simple Majority.

OPTIONSOption 1

As per Officer's recommendation.
