PILBARA 2025

25-26 JUNE 2025

RED EARTH
ARTS PRECINCT

ABOUT THE EVENT

Following on from another sell-out event this year [Pilbara 2024](#) will be looking at the economic growth, investment, development and diverse and dynamic industry across the region. This event further builds on 5 previously highly successful Pilbara Summits providing the perfect opportunity for the Pilbara regions senior industry, investors, businesses, community, and government representatives to re-join and reconnect for this unique networking and shared learning opportunity.

The event will once again be back in the Pilbara region at the Red Earth Arts Precinct in Karratha, and we expect it to be another sell out event.

Key topics to be discussed at Pilbara 2024 include:

- Strategic Development, Investment Opportunities and Emerging Industries Driving Economic Growth – Hydrogen & Critical Minerals
- Clean Energy Transition and Transformation – How can the Pilbara become a global player?
- Industrial Decarbonisation
- A Diversifying Resources Powerhouse of WA – Growth & New Developments Including Mining and Processing Critical Minerals and Rare Earths
- First Nations and Traditional Owner Engagement and Economic Development
- Energy Security & Strategic Security in the North West of Australia
- Circular Economy- The lifecycle, recycling and decommissioning of renewable infrastructure
- Freight & Logistics – Major Growth and Opportunities
- Managing and Stimulating Economic Opportunity & Growth Creating Thriving and Diverse Communities
